Sacred Horses Memoirs Of A Turkmen Cowboy:

Sacred Horses Jonathan Evan Maslow, 1994 Few Westerners have ever laid eyes on these marvelous creatures but the author was determined to see and ride them and to spend time with their breeders and trainers *Turkmenistan, 1997 Post Report*, 1997 **The Dust Of Empire** Karl E. Meyer, 2008-08-05 When Charles de Gaulle learned that France's former

colonies in Africa had chosen independence the great general shrugged dismissively They are the dust of empire But as Americans have learned particles of dust from remote and seemingly medieval countries can at great human and material cost jam the gears of a superpower In *The Dust of Empire* Karl E Meyer examines the present and past of the Asian heartland in a book that blends scholarship with reportage providing fascinating detail about regions and peoples now of urgent concern to America the five Central Asian republics the Caspian and the Caucasus Afghanistan Iran Pakistan and long dominant Russia He provides the context for America's war on terrorism for Washington's search for friends and allies in an Islamic world rife with extremism and for the new politics of pipelines and human rights in an area richer in the former than the latter He offers a rich and complicated tapestry of a region where empires have so often come to grief a cautionary tale
