

# Sacred Mushrooms & the Law

Richard Glen Boire, Esq.  
Foreword by Terence McKenna

# Sacred Mushrooms And The Law

**Carl A. P. Ruck, Mark Alwin Hoffman**

## **Sacred Mushrooms And The Law:**

Sacred Mushrooms and the Law Richard Boire, 2002-08-19 Sacred Mushrooms and the Law is the only book covering the legal landscape underlying psychedelic mushrooms All federal and state laws concerning mushrooms are covered and charts outline potential punishments

**Sacred Mushrooms and the Law** Richard Glen Boire, 1997-11 Sacred Mushrooms and the Law is the only book covering the legal landscape underlying psychedelic mushrooms All federal and state laws concerning mushrooms are covered and charts outline potential punishments

*Psilocybin Mushroom Legal Defenses* William Brodovich, 2013 Psilocybin Mushroom Legal Defenses is a practical legal guide designed to help defense attorneys win acquittals in psilocybin mushroom cases It relies on two legal arguments first that there are no laws specifically prohibiting possession of psilocybin mushrooms in 46 of the 50 states second that the use of these mushrooms for spiritual purposes is an exercise of religion and therefore protected by the First Amendment The book includes a model opening statement and final argument and shows how to refute the material container argument that the prosecutor will use All the background information needed for a strong defense is provided Aside from the legal arguments the book contains a wealth of interesting information about psychedelics including the results of the most recent scientific studies

*Marijuana Law* Boire, 2012-01-15 Over a million people in the United States regularly smoke marijuana Approximately 400 000 defendants each year are charged with the use possession sale or cultivation of marijuana MARIJUANA LAW describes how people can reduce the probability of arrest and defend themselves from prosecution if arrested Readers will learn when a police officer can legally stop them when they can be searched when they have to be read their rights what to do if an officer comes to their home with or without a search warrant and how to counter many police tactics simply by knowing their rights Contains information on the necessity defense in medical marijuana cases drug testing case law and federal sentencing guidelines It also contains practical tips on individual rights and avoiding surveillance Includes appendices on the Bill of Rights wallet cards atate by state punishment for marijuana crimes and the 13 federal circuits plus a thorough Index

Hermaphrodites, Gynomorphs and Jesus David C. A. Hillman, 2014-02-17 The first western god was both male and female All of western religion springs from the veneration of a bi gender entity known to the ancient world as the Gynomorph The worship of hermaphroditic gods like the Gynomorph surfaces in ancient pagan cults as well as early Christianity The celebration of female gods with penises impacted the development of western culture Veneration of the Gynomorph is the basis for modern western law courts The founders of democracy worshipped similar female divinities who possessed penises Ritual sodomy as a means of celebrating hermaphroditic gods directly promoted the birth of western democracy In fact ancient priestesses responsible for guiding the worship of hermaphroditic goddesses laid the very foundations for democracy science and philosophy The oldest western pharmaceuticals were sex drugs used in religious initiations in celebration of the Gynomorph Snake venoms used in cultic sex rituals were immensely popular in both Greece and Rome In addition abortion inducing

drugs promoted the first scientific investigations Classical civilization relied heavily upon the use of cannabis opiates and hallucinogens which were mixed with sexual stimulants Greco Roman witches who served a prominent hermaphroditic goddess Hecate were among the earliest western scientists and naturalists Devotees of gynomorphic divinities were the first westerners to promote the religious practice known as necromancy The first baptists were cross dressing necromancers who celebrated the Gynomorph Eunuchs who served the same goddess were chemically castrated with scorpion venom Ancient pre Christian oracles declared that the messiah must be a hermaphrodite Christianity tried to assimilate and employ the use of necromancy The earliest Christians used designer sex drugs in their rituals in order to venerate a messiah given gynomorphic status by church bishops

**Medical Marijuana Law** Richard Boire, Kevin Feeney, 2007-01-26 An issue that has been argued before the Supreme Court and that is still the subject of a heated debate across America that is fraught with misunderstanding medical marijuana is a major complex topic This practical manual offers reliable legal information for anyone interested in knowing more about medical marijuana Written for the educated layperson whether a patient doctor lawmaker or a law enforcement official the book starts with a history of medical marijuana in the United States From there the book spells out everything readers need to know on the contemporary aspects of the subject with in depth discussions of state and federal laws the medical necessity defense important cases and specific requirements for lawfully using medical marijuana A model statute offers guidance to readers who want to legalize the use of the drug for medicinal purposes in states without medical marijuana laws

**Mycophilia** Eugenia Bone, 2013-02-26 An incredibly versatile cooking ingredient containing an abundance of vitamins minerals and possibly cancer fighting properties mushrooms are among the most expensive and sought after foods on the planet Yet when it comes to fungi culinary uses are only the tip of the iceberg Throughout history fungus has been prized for its diverse properties medicinal ecological even recreational and has spawned its own quirky subculture dedicated to exploring the weird biology and celebrating the unique role it plays on earth In Mycophilia accomplished food writer and cookbook author Eugenia Bone examines the role of fungi as exotic delicacy curative poison and hallucinogen and ultimately discovers that a greater understanding of fungi is key to facing many challenges of the 21st century Engrossing surprising and packed with up to date science and cultural exploration Mycophilia is part narrative and part primer for foodies science buffs environmental advocates and anyone interested in learning a lot about one of the least understood and most curious organisms in nature

**Entheogens, Myth, and Human Consciousness** Carl A. P. Ruck, Mark Alwin Hoffman, 2012-12-11 ENTHEOGENS MYTH AND HUMAN CONSCIOUSNESS is a much needed accessible exploration into the role of psychoactive sacraments entheogens in religion mythology and history and also includes most treatments of the subject focus on modern scientific research psychotherapy are auto bibliographic accounts or are agenda driven or otherwise naive and myopic A great mystery of altered states of consciousness and species development is expanding with new archeological and anthropological discoveries Religious story telling myth is a timeless

journey Surprisingly it's not about truth It's about finding one's self in the midst of the discovery of the Other It is the story of what is separate and unknown that creates self consciousness Our entire life consists ultimately in the discovery of the Other which gives meaning to the discovery of the self The arts and language are the fossil remnants scattered on our path

ENTHEOGENS MYTH AND HUMAN CONSCIOUSNESS discusses the influence of psychoactive substances on consciousness human evolution and mystical experiences It explores how religion mythology art and culture stem from entheogenic consciousness and why it's important to us today Entheogens or psychoactive sacraments have a long storied history that has played an essential role in the evolution of consciousness mythology culture religion art and even history and politics

ENTHEOGENS MYTH AND HUMAN CONSCIOUSNESS outlines this suppressed yet seminal undercurrent of history giving examples of the role of entheogens from the primal shamanic religions through the historical religions esoteric mystical traditions including the Mystery Religions alchemy and Freemasonry and into contemporary expressions Authors Ruck and Hoffman draw upon decades of research and personal experience in discussing the best documented examples of historically important entheogenic evidences various ongoing threads of research and speculation to muse upon the meaning of it all Our hominid ancestors experienced a spiritual awakening at the very dawn of consciousness that set them apart from the other creatures of our planet It was a journey to another realm induced by a special food that belonged to the gods This was a plant that was animate with the spirit of deity It was an entheogen It was the visionary vehicle for the trip of the first shaman The story was told over and over again until it achieved the perfect form of a myth The realm was imagined as a topographical place the outer limit of the cosmos the fiery empyrean or its geocentric opposite our own planet Gaia Myths multiplied over time but they always preserved this primordial truth These myths provide a road map a scenario if you can read them for whoever today wants to follow However it is not an easy journey and it is also fraught with many dangers of getting lost of finding no return Access to the entheogens is now largely prohibited or strictly licensed The restrictions constitute an infringement of cognitive freedom limiting the further evolution of human potential into productive creative imagination and experiences that lie beyond the normal the traditional province of shamans who can understand the speech of plants and animals change shape at will and journey both physically and in the spirit to distant exotic realms In addition religions have staked out territorial claims to this realm of spiritual consciousness They have colonized it identified it with their god often reserving the access for their own elite Similarly trade in drugs both medicinal and illegal has colonized the entheogens making them only chemicals rationally depriving them of their spirit

ENTHEOGENS MYTH AND HUMAN CONSCIOUSNESS is a guide for the curious that provides a historical overview of the role that entheogens have played in the development of our unique supremacy as a species and offers also pathways and advice for reconnecting with the primordial sources of nature's power

ENTHEOGENS MYTH AND HUMAN CONSCIOUSNESS investigates the role entheogens have played in the evolution of humankind's attempt to define reality in a context of metaphysical or theological dimensions Although other

botanical intoxicants will be considered cannabis daphne opium Syrian rue datura mandrake none with the possible exception of mandrake seem to have lent themselves so readily to metaphoric personifications which make this the subject for a course on mythology The source of humankind s fascination and repulsion for fungi indeed leads to a fundamental consideration of the psychological nature of mankind s fascination or awareness of what in the categorization of religions is termed animism and rituals of ecstatic shamanism In addition the linking of bread and wine as sacramental foods is due to parallel concepts of controlled fungal growth as a simulacrum of the cosmos itself The goal is not so much to acquire factual knowledge of this vast subject but to open up pathways for reflection upon the basic nature of human existence and consciousness The narrative is the awesome history of discovery and the findings of ancient rituals that meld into twentieth century controversy and criticism of psychedelics The future of humanity and the direction of twenty first century brain science is challenged as well as our sense of social convention Entheogens have been deemed be prohibited controlled substances and as such is an infringement of cognitive freedom Whatever the danger of potential abuse the substance is not the fault but the user The hammer is not guilty but the carpenter who misuses it because of deficient training In order to exonerate the executioner in Classical antiquity the axe was brought to trial and found guilty The prohibition has drastically retarded the investigation into the therapeutic potential of proscribed drugs including their efficacy in curing addiction Some of these substances also offer the potential for accessing levels of cognition and consciousness beyond the ordinary the traditional provenance of mystics and shamans like bilocation clairvoyance and zoomorphism     The Entheogen Law Reporter ,1993     **The Politics of Psychopharmacology** Timothy Leary,2009-06-15 In this brief lively book of reminiscences the man Allen Ginsberg called a hero of American consciousness describes his transformation from bohemian professor to avatar of the new age In his typically wry provocative style Timothy Leary gives firsthand accounts of his interrogation before Congress Robert F Kennedy s LSD use his own flamboyant campaign for governor of California and much more     Library of Congress Subject Headings Library of Congress,Library of Congress. Subject Cataloging Division,Library of Congress. Office for Subject Cataloging Policy,2013     **Library of Congress Subject Headings: F-O** Library of Congress. Subject Cataloging Division,1988     Library of Congress Subject Headings: P-Z Library of Congress. Subject Cataloging Division,1989     Library of Congress Subject Headings Library of Congress. Office for Subject Cataloging Policy,1991     **Library of Congress Subject Headings** Library of Congress. Cataloging Policy and Support Office,2009     *Legally Stoned: Todd A. Thies, Ph.D.*,2010-04-19 This practical guide to psychoactive drugs reveals fourteen legal and accessible paths on your journey to altered consciousness Getting high in one form or another has been a part of human life for thousands of years And while the US government stands in the way of this basic right there are ways around the restrictions With each of the fourteen psychoactive substances detailed in this book you can get high pass a urine drug test and never once break the law Legally Stoned is a practical guide to obtaining and using fourteen mind altering agents

that are both legal and easy to acquire It also includes a description and history of each item its chemistry and physiological reactions accounts of its pleasures and perils and any risks associated with it Legally Stoned covers substances such as Amanita muscaria mushroom which induces feelings of euphoria and auditory hallucinations Anadenanthera peregrina colubrina seeds which have been known to cause intense visions of psychedelic light and color Ayahuasca which originated in South America and often produces visual hallucinations that include the jungle exotic animals even ancient native artwork

*Peyote and Other Psychoactive Cacti* Adam Gottlieb,2009-06-15 Guide to cultivating peyote and other psychoactive cacti and extracting active properties including obtaining seeds growing a variety of cacti cloning and grafting and extracting the maximum output of mescaline and other alkaloids descriptions of procedures used for extracting mescaline from peyote and San Pedro and legal aspects prepared by Attorney Richard Glen Boire      **Heavenly Highs** Peter Stafford,2001-07-15 HEAVENLY HIGHS introduces the reader to a world of entheobotanicals plants which release the god within used by Shaman and psychedelic explorers Includes DMT which is found in psychedelic snuff Amazonian ayahuasca which is a bitter tasting beverage that triggers visionary experiences with plant gods Ibogain which is a yellowish root ingested by indigenous peoples to achieve visionary experiences and Belladonna Yohimbe and Kava Kava For each group Stafford provides the history botany chemistry mental and physical effects preparation and use and legal considerations      **Up All Night** Cynthia R. Knowles,2001      Marijuana Recipes and Remedies for Healthy Living Mary Jane Stawell,2011-09-30 Marijuana is a palliative an analgesic with anti inflammatory properties it alleviates pain without addictive effects experienced with narcotics You might think of marijuana as being something like an herbal aspirin In fact it was used in folk medicines like aspirin for thousands of years to soothe aches and pains before aspirin was discovered When hearing marijuana most of us call up an image of recreational smoking to get high Being in the high state actually promotes wellness Being high feels good and feeling good encourages healing and homeostasis Most of us however are less familiar with the other ways in which one can use marijuana as a remedy for ailments that diminish quality of life like aching muscles from over exertion or spinal misalignment for example Actually the list of ailments that can be soothed with medical marijuana is quite long It is important to emphasize that marijuana does not cure rather it soothes and alleviates and in so doing we feel better and heal faster This comes from its palliative qualities Marijuana s palliative qualities can be delivered in a variety of ways smoking eating rubbing into the skin Each of these delivery methods has special benefits which are compared and contrasted in MARIJUANA RECIPES AND REMEDIES In addition to the delicious foods described MARIJUANA RECIPES AND REMEDIES tells how to extract the beneficial chemicals from the herb its essence to make tinctures and ointments good for massaging aching muscles soothing bug bites MARIJUANA RECIPES AND REMEDIES offers many easy delicious nutritious recipes including desserts of all kinds breads main courses and elixirs It also teaches principles such as using butter to extract the essence so that you can experiment with your own recipe development What fun Most cookbooks tell you how to cook from

scratch which is great if you're a cook and you have enough time. But many of us aren't cooks yet, we would like to incorporate marijuana herbals in our menu. **MARIJUANA RECIPES AND REMEDIES** is unique in that it shows how to use inexpensive off-the-shelf ready-made mixes you can find at the corner store to make some fabulous cannabis cuisine. How to convert off-the-shelf lotions into something fit for Cleopatra, well, almost.

## **Sacred Mushrooms And The Law** Book Review: Unveiling the Power of Words

In some sort of driven by information and connectivity, the power of words has be evident than ever. They have the ability to inspire, provoke, and ignite change. Such may be the essence of the book **Sacred Mushrooms And The Law**, a literary masterpiece that delves deep to the significance of words and their impact on our lives.
