Sacred Sex:

Sacred Sexuality Georg Feuerstein, 2003-11-14 A historical cross cultural survey of sexuality as a sacred spiritual practice Examines sacred sexuality in the world's religious and mystery traditions Explores contemporary sexual stress syndrome resulting from the absence of the sacred in sexual practice Reveals how to find the sacred in the ordinary This book examines the history of sexuality as a sacramental act In spite of our culture's recent sexual liberalizations sexual intimacy often remains unfulfilling Georg Feuerstein instructs that the fulfillment we long for in our sex lives can only be attained once we have explored the spiritual depths of our erotic natures Feuerstein delves into a wide variety of spiritual traditions including Christianity Judaism goddess worship Taoism and Hinduism in search of sacred truths regarding sexuality He reveals that all of these great teachings share the hidden message that spirituality is in essence erotic and that sexuality is inherently spiritual From the erotic cult of the Great Mother and the archaic ritual of hieros gamos sacred marriage to the institution of sacred prostitution and the erotic spirituality practiced in the mystery traditions Feuerstein offers a wealth of historical practices and perspectives that serve as the bases for a positive sexual spirituality suited to our contemporary needs

Sacred Sex Tim Alan Gardner, 2009-01-16 For years Christians have been told that sex is God's creation designed by him as a gift to husbands and wives Yet few couples actually experience sex as a spiritual God ordained experience Rather than admit their lack of fulfillment many couples hide their disappointment and confusion while others attempt to solve the problem through better sexual technique Unfortunately all the advice on improved technique fails to explain the one thing that makes sense of it all Despite the proliferation of resources to enhance sexual satisfaction couples continue to struggle in their sexual relationship In fact author and licensed counselor Tim Gardner estimates that as few as 2 percent of married couples ever experience a truly exciting energizing and soul touching physical bond But now that can change A couple's sexual relationship has a far higher purpose than pleasure or procreation Scripture makes it clear that sex is the one thing on earth that joins two people into one Now readers can learn how to approach marital sex in a way that brings the fulfillment of true oneness *Sacred Sex* shows how they can experience a beautiful God ordained life of intimacy that blesses them far beyond the bedroom walls serves as an act of worship to God and touches their hearts and souls in ways they never could have imagined

The Sacred Sex Rites of Ishtar Annie Dieu-Le-Veut,2015-06-03 This book is about the superior intelligence and self empowerment which comes from interacting with beings that inhabit a parallel universe to this one from whom man has traditionally gained his knowledge about his place and purpose on Earth and in the cosmos In ancient times the ability to tap into this superior wisdom was transmitted to kings and pharaohs upon their coronation by one who was in touch with these extra dimensional beings or life forms which are also known as spirits of the land Shamans and high priestesses since at least Neolithic times were in communication with these spirits and so they were able to transmit their wisdom to the ruler or monarch during sacred sex rites These shamanic practices became known as Sovereignty rites because they created a force that fired up the king s higher brain centres giving him a superior intelligence and thus the ability and the right to reign with the crown he wore on his head merely a symbol of his enlightened inner crown As a shaman and mythologist Annie Dieu Le Veut is regularly in communion with the spirits of the land where she lives in Glastonbury Somerset in the UK In this book she has laid out the way for the ordinary person to benefit from experiencing shamanic sexual practises by visiting other dimensions on the inner planes In Part 1 she helps you to build your foundation stone upon which you will erect the temple of your understanding about the ancient Mystery Teachings which were based on a sort of Earth magic known as the Alchemical Marriage the Faery Marriage or the Marriage of the Sun and the Moon She lays out historical and mythological evidence from all over the world that sacred sex was an integral part of the Kingship rites that bequeathed wisdom on the initiate And you will discover the original meaning of the Holy Graal which can be traced back to the ritual centres of the Neanderthals of about 45 000 years ago In Part II you will go on to learn how to practise these shamanic rites yourself through simple steps that take you into an enchanted world of spirits magicians and Grailkeepers These will enable you to fire up your own superior intelligence to enrich your own life and if you should so choose contribute to the work of the

Kabbalah and Sex Magic Marla Segol,2021-09-08 In this provocative book Marla Segol explores the development of the kabbalistic cosmology underlying Western sex magic Drawing extensively on Jewish myth and ritual Segol tells the powerful story of the relationship between the divine and the human body in late antique Jewish esotericism in medieval kabbalah and in New Age ritual practice Kabbalah and Sex Magic traces the evolution of a Hebrew microcosm that models the powerful interaction of human and divine bodies at the heart of both kabbalah and some forms of Western sex magic Focusing on Jewish esoteric and medical sources from the fifth to the twelfth century from Byzantium Persia Iberia and southern France Segol argues that in its fully developed medieval form kabbalah operated by ritualizing a mythos of divine creation by means of sexual reproduction She situates in cultural and historical context the emergence of Jewish cosmological models for conceptualizing both human and divine bodies and the interactions between them arguing that all these sources position the body and its senses as the locus of culture and the means of reproducing it Segol explores the rituals acting on these models attending especially to their inherent erotic power and ties these to contemporary Western sex magic showing that such rituals have a continuing life Asking questions about its cosmology myths and rituals Segol poses even larger questions about the history of kabbalah the changing conceptions of the human relation to the divine and even the nature of religious innovation itself This groundbreaking book will appeal to students and scholars of Jewish studies religion sexuality and magic

Sex Richard Joseph Martin,Dieter Haller,2020-05-27 Focusing on the unacknowledged personal and often unconscious dimension Sex explores the intersection between sex and ethnography Anthropological writing tends to focus on the influence of status markers such as position gender ethnicity and age on fieldwork By contrast far less attention has been paid to how sex sexuality eroticism desire attraction and rejection affect ethnographic research In the book anthropologists reflect on their own encounters with sex during fieldwork revealing how attraction and desire influence the choice of fieldwork subjects field sites and friendships They also examine the resulting impact on fieldwork findings and the generation of knowledge Based on fieldwork in Germany Denmark Greece the USA Brazil South Africa Singapore Turkey Israel Morocco and India the contributors go beyond the common heterosexuality homosexuality divide to address topics which include celibacy polyamory and sadomasochism This long overdue text provides perspectives from a new generation of anthropologists and brings the debate into the 21st century Examining challenging and controversial issues in contemporary
