Sacred Misfit Will Alberts, 2024-10-19 *Sacred Misfit* by Love Will is a provocative poetry collection that explores the complexities of love faith and identity With raw emotion and unapologetic candor Love Will delves into the sacred and the sinful weaving together biblical imagery queer experiences and the struggles of self acceptance This collection speaks to those who have ever felt like an outsider offering solace in the messy beautiful process of becoming Whether it s love lust or the divine *Sacred Misfit* captures it all in a way that challenges the status quo and beckons readers to embrace their own sacred misfit within *Sacred Misfits* Mark Blickley, 2004 Sacred Misfits Mark Blickley, 2004-08 Visitations hallucinations and redemptions figure large in the emotional events of the lives of the characters in Mark Blickley s new short fiction collection *Sacred Misfits* where we witness souls seeking relief and transformation in something or someone outside of themselves They may take their first steps toward it in spite of madness or because of it against their better judgement or against the strictures of social convention yet the solutions arrived by these marvelously original tenderly examined souls whether they re looking for a miracle relief from loneliness or Marlon Brando have a bit of real magic to them that leave an indelible impression on the reader as well Lucia Nevai **Ma** Brian Balke, 2014-06-06 The Lord and Lady Taphinal agents of the Order of Law traveled through time and space waging war to create peace When Lady Zenica decried the self defeating contradictions in that policy she was overruled and pressured to subvert House Taphinals research and training programs to improve the outcome of the Orders violent interventions Rather than submit Zenica chose to disappear leaving her husband behind to raise Corin the young son that she foresaw would guide the Order out of its cultural impasse Guided by his mothers love to Earth Corin intervened on lifes behalf against humanitys insecurity When Corin is beaten back and almost destroyed life comes to his aid reaching out to him through a Congolese concubine named Leelay **American Literary Misfits** D. Berton Emerson, 2024-03-25 The study of nineteenth century American literature has long been tied up with the study of American democracy Just as some regions in the United States are elevated to stand in for the whole nation New England is a good example D Berton Emerson argues the same is true for American literature of the nineteenth century a few canonical texts overrepresent the more motley history of American letters Emerson examines an eclectic group of literary texts that have rarely if ever been considered representative of the nation because of their unseemly characters or plots divergence from dominant literary trends of the era or local particularity These are his literary misfits authors and texts that show different forms of egalitarianism in action that existed outside and even against the dominant liberal narratives of American democracy Emerson s unique contribution is revealing these texts and the people they represent as rich with political knowledge This knowledge he argues finds its most potent expression in the local Such texts show us a different kind of democratic politics one that is egalitarian disorderly and radical rather than homogeneous **Echoes Down the Corridor** Arthur Miller, 2001-10-01 For some fifty years now Arthur Miller has been not only America s premier playwright

but also one of our foremost public intellectuals and cultural critics *Echoes Down the Corridor* gathers together a dazzling array of more than forty previously uncollected essays and works of reportage Here is Arthur Miller the brilliant social and political commentator but here too Miller the private man behind the internationally renowned public figure Witty and wise rich in artistry and insight *Echoes Down the Corridor* reaffirms Arthur Miller's standing as one of the greatest writers of our time

Anxious Masculinity in the Drama of Arthur Miller and Beyond Claire Gleitman, 2022-05-19

Staunchly homosocial vaguely or overtly misogynistic anxiously homophobic this study follows the male breadwinner as he is incarnated in Arthur Miller's most celebrated plays and as he resurfaces in different guises throughout American drama from the 1950s to the present *Anxious Masculinity* offers a compelling analysis of gender dynamics and the legacy of this figure as he stalks through the works of other American dramatists and argues that the gendered anxieties exhibited by their characters are the very ones invoked with such success by Donald Trump

Claire Gleitman examines this figure in the plays of Miller and Tennessee Williams as well as later 20th century writers Lorraine Hansberry August Wilson and Sam Shepard who reposition him in more racially and economically marginalized settings He reappears in the more recent work of playwrights Tony Kushner Paula Vogel and collaborators Lisa Kron and Jeanine Tesori who shift their focus to the next generation which seeks to escape his clutches and forge new often gleefully queer identities The final chapter concerns contemporary Black dramatists Suzan Lori Parks Jackie Sibblies Drury and Jeremy O Harris whose plays move us from anxious masculinity to anxious whiteness and speak directly to the current moment
