Sacred Scroll Of Death:

The Ezra Scroll Mark Leslie Shook, 2013-07-05 In 2009 U S Marine Sergeant Ron Keller is advising an Iraqi Police unit in Fallujah when he discovers an ancient Hebrew scroll Knowing the Iraqis will not be overjoyed at any discovery that reminds them of the presence of Jews in Iraq for thousands of years he removes the scroll without anyone's knowledge Determined to discover the authenticity and meaning of the scroll Keller covertly summons help from a navy rabbi and an Iraqi born professor unaware that more than 2 500 years ago two scribes set out to rescue sacred scrolls from a burning temple amid the uncertainty of the Babylonian conquest After the brothers divide the scrolls and leave on separate journeys to hide them each experiences triumph and tragedy while attempting to ensure the survival of the parchments until the fortunes of Judah are restored In this thriller the modern discovery of an ancient text reveals both long held secrets and the identity of the author of the original Five Books of Moses **The Wreath: Designed as a Token for the Young** ,1837

The Dead Sea Scrolls After Fifty Years, Volume 1 Peter Flint, James C. Vanderkam, 2019-05-09 **The Oracle** Clive Cussler, Robin Burcell, 2020-05-05 The husband and wife treasure hunting team of Sam and Remi Fargo return in a new adventure as they search for an ancient scroll which carries a deadly curse in this thrilling addition to Clive Cussler's bestselling series In 533 A D the last Vandal ruler in North Africa consults an oracle on how to defeat the invading Byzantine army The oracle tells the king that a high priestess cast a curse upon the Vandal Kingdom after a sacred scroll was stolen In order to lift the curse the scroll must be returned to its rightful home But the kingdom falls before the scroll is found leaving its location a great mystery until a current day archeological dig funded by Sam and Remi Fargo uncovers some vital clues The search for the ancient scroll is put on hold when the Fargos learn that a shipment of supplies intended for their charitable foundation's school has been stolen and they travel to Nigeria to deliver new supplies themselves But their mission becomes infinitely more complicated when they run afoul of a band of robbers The group takes Remi and several students hostage and there are signs that the kidnapping is related to the missing scroll The Fargos need all their skills to save the lives of the young girls at the school before they uncover the hidden treasure and lift the deadly curse *Afterlife and Resurrection Beliefs in the Pseudepigrapha* Jan Aage Sigvartsen, 2019-09-05 Jan A Sigvartsen seeks to examine the immense interest in life after death and speculation about the fates awaiting both the righteous and the wicked that proliferated in the Second Temple period In this volume Sigvartsen analyses the texts of the Pseudepigrapha identifies the numerous afterlife and resurrection beliefs they contain and presents an analysis of these beliefs and how they functioned in the Second Temple period A careful reading of these diverse resurrection passages from testaments to wisdom philosophical literature and prayers reveals that most of these distinct life after death views regardless of their complexity show little evidence of systematic development relational to one another and are often supported by several key passages or shared motifs from texts that later became a part of the TaNaKh This volume examines testaments from Adam to the Twelve Patriarchs

expansions of stories and legends such as Joseph and Aseneth and the ladder of Jacob and texts such as 4 Maccabees before finally considering the posthumous body the nature of the soul and anthropological implications Sigvartsen's study provides a deeper understanding of how texts that later became a part of the TaNaKh were read by different communities during this important period and the role they played in the development of the resurrection belief a central article of faith in both Christianity and Rabbinic Judaism This volume is a companion to Sigvartsen's work on afterlife and resurrection in the Apocrypha and the apocalyptic literature of the Pseudepigrapha

Heinrich Himmler Franz Wegener, 2013-07-03 What at best has been mentioned in previous monographs about Himmler as the second most powerful man of National Socialism in passing the historian Franz Wegener develops in greater depth Himmler's mind was open to diverse occult influences originating in Germany as well as France Thus he wrote about a book of the German spiritualist Carl du Prel who experimented with hovering tables and mediums A small scientific work on a philosophical basis which truly has me believe in spiritualism and was the first to really introduce me to it He received Gaston de Mengel a British occultist who wrote for the mysterious occult group of the Polaires in Paris and who collaborated closely with the founder of the esoteric university in Nice As researched by Wegener Himmler purchased himself a manual for pendulum practice and pendulum magic and in this way came also in touch with the theory of the gnostic Oo He believed in the transmigration of souls attempted to obtain horoscopes from a Munich astrologer and his various occult advisors and agreed with the hypotheses of Karl Heise Okkultes Logentum 1921 that occult powers were pulling the strings behind Communists Jews and Freemasons On this background Wegener does not allow Himmler's tendency about occult subjects pass as a mere private matter If Himmler's image of the enemy with respect to Freemasonry and Jews was fed also by occult

patterns one can no longer speak of a private matter since the political and by no means private consequence of Himmler's occult world view must be called mass murder Proceedings of the Most Worshipful Grand Lodge of Ancient Free and Accepted Masons of the Commonwealth of Massachusetts Freemasons. Eugene Ellison,2007-10 Jim Kirkwood's visit to an antique shop in Queens New York starts with an invitation and ends in a hail of bullets Kirkwood a self indulgent self confident and at times unsympathetic connoisseur of human nature finds himself swept into a bottomless pit of betrayal and malice in his hunt for perhaps the greatest archeological find of all time At a clandestine auction held at a mansion in southern England the situation quickly turns deadly throwing Kirkwood into a cat and mouse game of deception greed and murder In his search for what has been lost for hundreds of years Kirkwood chases a man of the Church who just may be the most evil person he has ever encountered and a woman who is by far the most beautiful and mysterious Along with Iain MacLeod Chief of the Clan MacLeod Kirkwood crisscrosses Scotland and England in pursuit of a murderer and the treasure that may hold secrets associated with the Gnostic Gospels Reunited with an old comrade Kirkwood must settle old scores but it may cost him his life The Ebony Coffin author B Eugene Ellison's fifth Jim Kirkwood novel is an exhilarating fast paced adventure filled with history and intrigue *Egyptomania Goes to the Movies* Matthew Coniam,2017-07-21 Egyptomania the West's obsession with the strange and magnificent world of Ancient Egypt has for centuries been reflected in architecture literature and the performing arts But the discovery of Tutankhamen's tomb in 1922 by a sensation hungry world newly united by mass media created a wave of fascination unlike anything before They called it Tutmania and its influence was felt everywhere from fashion to home decor to popular music and notably in the new medium of film This study traces the origins of 20th century cinema's obsession with Ancient Egypt through previous eras and relates its recurring themes and ideas to the historical reality of the land of the Pharaohs Realms of the Living Dead Harriette Augusta Curtiss,1919
