history in the wake of poststructuralism      The Oxford History of the Novel in English Patrick Parrinder, 2011 This series presents a comprehensive global and up to date history of English language prose fiction and written by a international team of scholars dust jacket      Re-Wiring The Ancient Novel, 2 Volume set Edmund Cueva, Stephen Harrison, Hugh Mason, William Owens, Sandra Schwartz, 2019-02-28 The Fifth International Conference on the Ancient Novel which was held in Houston Texas in the fall of 2015 brought together scholars and students of the ancient novel from all over the world in order to share new and significant developments about this fascinating field of study and its important place in the field of Classical Studies The essays contained in these two volumes are clear evidence that the ancient novel has become a valuable part of the Classics canon and its scholarly attempts to understand the ancient Graeco Roman world      *The Soviet Novel* Katerina Clark, 2000 In its sure grasp of a huge subject and in its speculative boldness Professor Clark s study represents a major breakthrough It sends one back to the original texts with a whole host of new questions And it also helps us to understand the place of the official writer in that peculiar mixture of ideology collective pressure and inspiration which is the Soviet literary process Times Literary Supplement The Soviet Novel has had an enormous impact on the way Stalinist culture is studied in a range of disciplines literature scholarship history cultural studies even anthropology and political science Slavic Review Those readers who have come to realize that history is a branch of mythology will find Clark s book a stimulating and rewarding account of Soviet mythopoesis American Historical Review A dynamic account of the socialist realist novel s evolution as seen in the context of Soviet culture A new Afterword brings the history of Socialist Realism to its end at the close of the 20th century      *SACRIFICE*. JESSICA. GADZIALA, 2020      *Kristeva's Fiction* Benigno Trigo, 2013-09-17 With published work spanning more than forty years Julia Kristeva s influence in psychoanalysis and literary theory is difficult to overstate In addition to this scholarship Kristeva has written several novels however this portion of her oeuvre has received comparatively scant attention In this book Kristeva scholars from a number of disciplines analyze her novels in relation to her work in psychoanalysis interrogating the relationships between fiction and theory The essays explore questions including what is the value of experimental writing that escapes easy definition and classification putting ideas at the same level as character pacing plot suspense form and style And how might such fiction help its readers overcome the psychological maladies that affect contemporary society The contributors make a compelling case for understanding Kristeva s fiction as a crucial influence to her wider psychoanalytic project      *Re-Wiring the Ancient Novel* Ed Cueva, et alies, 2018-11-30 The Fifth International Conference on the Ancient Novel which was held in Houston Texas in the fall of 2015 brought together scholars and students of the ancient novel from all over the world in order to share new and significant developments about this fascinating field of study and its important place in the field of Classical Studies The essays contained in these two volumes are clear evidence that the ancient novel has become a valuable part of the Classics canon and its scholarly attempts to understand the ancient Graeco Roman world      **Gabriel García Márquez** Jay Corwin, 2016-08-29 Gabriel Garc a M rquez is

considered one of the most significant authors in the Spanish language Rising to prominence with *One Hundred Years of Solitude* his fiction is widely read and studied throughout the world This invaluable Guide gives a wide ranging but in depth survey of the global debate over Garc a M rquez s fiction It explores the major critical responses to his key works devoting two whole chapters to *One Hundred Years of Solitude* It also examines Garc a M rquez s lesser known short fiction his place in the Boom magical realism and his influence on other writers Jay Corwin discusses both European and US centric interpretations balancing these with indigenous and Hispanic contexts to give the reader an overarching understanding of the global reception of Garc a M rquez s work

**Egypt, Ethiopia, and the Greek Novel** Robert Cioffi,2024 In this richly detailed study Robert Cioffi explores the significance of the Nile River Valley as the geographic centre of the ancient Greek novel during the genre s heyday in the Roman empire He shows how the region is repeatedly portrayed in these fictions as a dual site of ethnographic representation and of resistance to imperial power

**Case-Based Learning** Janet L. Kolodner,2012-12-06 Case based reasoning means reasoning based on remembering previous experiences A reasoner using old experiences cases might use those cases to suggest solutions to problems to point out potential problems with a solution being computed to interpret a new situation and make predictions about what might happen or to create arguments justifying some conclusion A case based reasoner solves new problems by remembering old situations and adapting their solutions It interprets new situations by remembering old similar situations and comparing and contrasting the new one to old ones to see where it fits best Case based reasoning combines reasoning with learning It spans the whole reasoning cycle A situation is experienced Old situations are used to understand it Old situations are used to solve a problem if there is one to be solved Then the new situation is inserted into memory alongside the cases it used for reasoning to be used another time The key to this reasoning method then is remembering Remembering has two parts integrating cases or experiences into memory when they happen and recalling them in appropriate situations later on The case based reasoning community calls this related set of issues the indexing problem In broad terms it means finding in memory the experience closest to a new situation In narrower terms it can be described as a two part problem assigning indexes or labels to experiences when they are put into memory that describe the situations to which they are applicable so that they can be recalled later and at recall time elaborating the new situation in enough detail so that the indexes it would have if it were in the memory are identified Case Based Learning is an edited volume of original research comprising invited contributions by leading workers This work has also been published as a special issues of MACHINE LEARNING Volume 10 No 3

**Heaven's Interpreters** Ashley Reed,2020-09-15 In *Heaven s Interpreters* Ashley Reed reveals how nineteenth century American women writers transformed the public sphere by using the imaginative power of fiction to craft new models of religious identity and agency Women writers of the antebellum period Reed contends embraced theological concepts to gain access to the literary sphere challenging the notion that theological discourse was exclusively oppressive and served to deny women their own voice

Attending to modes of being and believing in works by Augusta Jane Evans Harriet Jacobs Catharine Maria Sedgwick Elizabeth Oakes Smith Elizabeth Stoddard Harriet Beecher Stowe and Susan Warner Reed illuminates how these writers infused the secular space of fiction with religious ideas and debates imagining new possibilities for women's individual agency and collective action Thanks to generous funding from Virginia Tech and its participation in TOME Toward an Open Monograph Ecosystem the ebook editions of this book are available as Open Access volumes from Cornell Open [cornellpress.cornell.edu/cornell-open](http://cornellpress.cornell.edu/cornell-open) and other repositories

**Ecofeminism and the Indian Novel** Sangita Patil, 2019-07-08

*Ecofeminism and the Indian Novel* tests the theories of ecofeminism against the background of India's often different perceptions of environmental problems challenging the hegemony of Western culture in thinking about human problems This book moves beyond a simple application of the concepts of ecofeminism instead explaining the uniqueness of Indian novels as narratives of ecofeminism and how they can contribute to the development of the theory of ecofeminism In examining a selection of novels the author argues that Indian texts conceptualize the ecological crisis more as a human problem than as a gender problem The book proposes that we should think of ecofeminism as ecohumanism instead seeing human beings and nature as a part of a complex web Novels analysed within the text include Kamala Markandaya's *Nectar in a Sieve* 1954 Shivram Karanth's *Return to Earth* 2002 and Na D Souza's *Dweepa* 2013 *Ecofeminism and the Indian Novel* will be of great interest to students and scholars of ecofeminism ecocriticism ecological feminism environmental humanities gender studies ecological humanities feminist studies and Indian literature
