**The Last Disciple Collection: The Last Disciple / The Last Sacrifice / The Last Temple** Hank Hanegraaff, Sigmund Brouwer, 2017-08-08 This collection bundles together all 3 of the thrilling Roman historical novels by Hank Hanegraaff and Sigmund Brouwer into one e book for a great value 1 The Last Disciple First century Rome is a perilous city as Nero stalks the political circles and huddled groups of believers To be safe Christians must remain invisible Gallus Sergius Vitas is the only man within Nero's trusted circle willing to do what it takes to keep the empire together He struggles to lessen Nero's monstrosities against the people of Rome especially the Christians But as three Greek letters are scrawled as graffiti throughout the city Nero's anger grows As the early church begins to experience the turbulence Christ prophesied as the beginning of the last days an enemy seeks to find John's letter Revelation and destroy it Meanwhile the early Christians must decipher it and cling to the hope it provides as they face the greatest of all persecutions 2 The Last Sacrifice Helius Nero's most trusted adviser anticipates the death of his sworn enemy the legendary warrior Gallus Sergius Vitas scheduled to die a gruesome death in the arena However the badly beaten man who appears in the amphitheater is not who he seems Rescued by a stranger and given a mysterious scroll Vitas is told he must decipher this letter to find the answers he needs a letter that Helius is also determined to decipher and to keep hidden from Nero As Nero's reign of terror grows so does his circle of enemies 3 The Last Temple Set in the turbulent years just before one of the most horrendous events in Jewish history The Last Temple concludes the trilogy of The Last Disciple and The Last Sacrifice Vitas is reunited with his wife and retires to Alexandria determined to live a quiet domestic life But he can't avoid the debts that he owes to the men who saved him and he becomes a key figure in the plot to rid the empire of Nero It sweeps him into the year of four emperors when the Roman Empire is nearly destroyed and takes him back to Jerusalem as Titus lays siege to the great city Only then as the prophecy of Jesus begins to unfold does Vitas discover the true mission set before him and the astounding conspiracy behind it

**Nationalism and the Israeli State** Don Handelmann, 2020-06-11 National festivals Military parades Patriotic memorials Such public events and tributes naturally bring to mind the idea of nationalism But what is the cultural logic behind them How does a country such as Israel facilitate state related public events as enactments of nationalism To answer these questions renowned anthropologist Don Handelmann unpacks the meaning of national ritual and symbol in Israel today He argues that public events mirror social order a mirror that reflects to its participants and audiences the message that the designers of such events wish to communicate Handelmann considers the meaning of Holocaust and military memorialism and he investigates the role of holiday celebrations especially how they affect young children first learning about their country Analyzing state ceremonies such as Holocaust Remembrance Day for the war dead and Independence Day he notes the absence of minorities and examines their significance in the promotion of a national identity He also looks at how Israel exports powerful symbols of statehood Throughout Handelmann develops his theory of bureaucratic logic as the driving force behind expressions of nationalism in the modern state He argues that bureaucratic logic has a much wider cachet than simply functioning as a way of thinking only about bureaucratic institutions The logic is crucial to how these institutions function but more so it is a dominant force in forming modern state social order Bureaucratic logic is used incessantly to invent and to modify all kinds of systems of classification that often have profound consequences for individuals and for groups and that are ritualized powerfully through a host of state related public events
