Archæologia Græca John Robinson (rector of Clifton),1827      *A Hermeneutic of Imagination* Knut M. Heim,2025-08-26  
To read the Bible well we need to employ our imagination This volume is the first book length study that takes the Bible s imaginative nature seriously It integrates insights from disciplines like neuroscience metaphor theory and cognition translation theory the affective sciences humor studies and the interdisciplinary study of imagination itself into the academic and theological study of the Bible Knut Heim and Jeffrey Oetter show that reading with imagination is a critical hermeneutic of engagement that fosters close deep lusciously savored and pleasurable readings of the biblical texts Bringing current scholarship from a variety of disciplines to bear on biblical interpretation this book explains that Scripture employs often subtle literary techniques including figurative language emotions and humor that require imagination to recognize and interpret Imagination helps us develop genuinely biblical ideas that get us closer to the meaning intended by the Holy Spirit and the original authors resulting in more accurate interpretations when paired with traditional approaches Even textual aspects that have until now remained odd foreign and confusing can become occasions for imaginative engagement that reveal new meaning and significance A Hermeneutic of Imagination makes the case that reading with imagination is crucial for unlocking the Bible s full potential because it transforms academic study of the Bible into aesthetically inspiring intellectually stimulating emotionally rewarding theologically rich and spiritually transformative adventures of the mind that contribute to problem solving and human flourishing today      The Holy Mass Michael Muller,2023-11-19 Reprint of the original first published in 1875      *The Sinner Vanquished and the Saint Victorious. **Levitical Sacrifice and Heavenly Cult in Hebrews** Benjamin J. Ribbens,2016-06-06 This monograph examines Hebrews understanding of the relationship between old covenant sacrifices and Christ s new covenant sacrifice especially as it relates to the question of efficacy Most scholars think the author of Hebrews strips the levitical sacrifices of most if not all efficacy but this work affirms a more positive depiction of the levitical sacrifices A mystical apocalyptic tradition stands behind Hebrews description of the heavenly cult which establishes the framework for relating the levitical sacrifice to Christ s sacrifice The earthly levitical cult was efficacious when it corresponded to or synchronized with the heavenly sacrifice of

Christ Still the author of Hebrews develops the notion of the heavenly cult in unique ways as Christ's sacrifice both validates the earthly practice but also due to his new covenant theology calls for its end Ribbens bold proposal joins a growing number of scholars that place Hebrews in the mystical apocalyptic tradition highlights positive statements in Hebrews related to the efficacy of levitical sacrifices that are often overlooked and relies on the heavenly cult to reconcile the positive and negative descriptions of the levitical cult **Hebrews** Erik M.
