region by the earliest inhabitants and adventurers including Indian peoples trappers and fur traders missionaries and government commissioned explorers Later California gold rushers Latter day Saints and families seeking new lives went through this singular gap in the Rockies Without South Pass overland wagons beginning their journey far to the east along the Missouri River could not have reached their destinations in a single season and western settlement might have been delayed for decades The story of South Pass offers a rich history The Overland Stage Pony Express and first transcontinental telegraph all came through the region Nearly a century later President Dwight D Eisenhower designated South Pass as one of America s first National Historic Landmarks An American place so rich in historical significance Bagley argues deserves the best of historical preservation efforts
