Sea And Poison:

The Sea and Poison Shūsaku Endō, 1992 Dr Suguru a competent physician serves his internship during the war in a hospital where senior staff are more interested in career building than in healing The Sea and Poison Shusaku Endo, 2016-05-22 Set in a Japanese hospital during the last days of World War II the story centers on the medical staff who offer to assist in a series of vivisections experimental operations on live U S prisoners of war The Sea and Poison won the Akutagawa Prize when it was published in Japan in 1958 and established Shusaku Endo in the forefront of modern Japanese literature Today it remains as startling and sadly as relevant as ever *The Sea and Poison* Shūsaku Endō, 1973 The Sea and Poison Shūsaku Endō, 1973 **The Sea and Poison** Shūsaku Endō, 1973 From Book to Screen Keiko I. McDonald, 2016-09-16 Of all the world s cinemas Japan s is perhaps unique in its closeness to the nation s literature past and contemporary The Western world became aware of this when Akira Kurosawa s Rashomon was awarded the Grand Prize at the Venice film festival in 1951 and the Oscar for best foreign film in 1952 More recent examples include Shohei Imamura s Eel which won the Palm d Or Best Picture at Cannes in 1997 From Book to Screen breaks new ground by exploring important connections between Japan s modern literary tradition and its national cinema The first part offers an historical and cultural overview of the working relationship that developed between pure literature and film It deals with three important periods in which filmmakers relied most heavily on literary works for enriching and developing cinematic art The second part provides detailed analyses of a dozen literary works and their screen adoptions **Routledge Handbook of Modern Japanese Literature** Rachael Hutchinson, Leith Douglas Morton, 2016-06-03 The Routledge Handbook of Modern Japanese Literature provides a comprehensive overview of how we study Japanese literature today Rather than taking a purely chronological approach to the content the chapters survey the state of the field through a number of pressing issues and themes examining the ways in which it is possible to read modern Japanese literature and situate it in relation to critical theory The Handbook examines various modes of literary production such as fiction poetry and critical essays as distinct forms of expression that nonetheless are closely interrelated Attention is drawn to the idea of the bunjin as a person of letters and a more realistic assessment is provided of how writers have engaged with ideas not labelled a novelist or poet but a writer who may at one time or another choose to write in various forms The book provides an overview of major authors and genres by situating them within broader themes that have defined the way writers have produced literature in modern Japan as well as how those works have been read and understood by different readers in different time periods The Routledge Handbook of Modern Japanese Literature draws from an international array of established experts in the field as well as promising young researchers It represents a wide variety of critical approaches giving the study a broad range of perspectives This handbook will be of interest to students and scholars of Asian Studies Literature Sociology Critical Theory and History Endō Shūsaku Mark B. Williams, 2012-12-06 End Sh saka is probably the most widely translated of all Japanese authors In this first

THE LAST GENERATION, THE RAPTURE, AND THE WRATH SUNDAY OLUSOLA FALUYI, 2013-11 The generation that witnesses the restoration of Israel in 1948 will not pass away until all things revealed to John in the book of Revelation is fulfilled Jesus Christ predicted a movement for global peace in the first seal and a horse rider that will take away peace from the earth in the second seal He predicted global economic crisis in the third seal and World War III in the fourth seal In the fifth seal he revealed the severe persecution that is coming upon his followers and the great tribulation that is coming upon the Jews Jesus also predicted the resurrection of the saints and a terrible war that will be fought in the Middle East in a place known as Armageddon In the seventh vial of judgment he warned of an earthquake that will be the greatest in the history of humanity While many seers have predicted future events none can be compared with the authority and finality with which Jesus prophesied about the events that are happening and that will continue to happen within the next two decades Wisdom demands that we pay attention to the word of this Man from Galilee
