Indian Ocean Region Manoj Gupta,2010-08-09 It is a privilege to introduce the reader to this book as I believe that it will make a significant contribution to given the difficulties in the knowledge of the Indian Ocean developing cooperation in the Indian Ocean region There have been numerous failed efforts at regional cooperation in different fora in the Indian Ocean As a result of the land based orientation of the people in the region the importance for countries to develop the power to govern the sea has largely been ignored The maritime approach taken by Manoj Gupta to the Indian Ocean as a region in international relations offers a timely and critical assessment of the potential for regional cooperation and ocean governance
