America Boris Vormann, 2014-11-27 As the material anchors of globalization North America's global port cities channel flows of commodities capital and tourists This book explores how economic globalization processes have shaped these cities political institutions social structures and urban identities since the mid 1970s Although the impacts of financialization on global cities have been widely discussed it is curious that how the global integration of commodity chains actually happens spatially creating a quantitatively new global organization of production distribution and consumption processes remains understudied The book uses New York City Los Angeles Vancouver and Montreal as case studies of how once redundant spaces have been reorganized and crucially reinterpreted so as to accommodate new flows of goods and people and how in

these processes social environmental and security costs of global production networks have been shifted to the public

America's Black Sea Fleet Estate of Robert E Shenk,2012-11-15 Drawing on previously untapped sources Robert Shenk offers a revealing portrait of America s small Black Sea fleet in the years following World War I In a high tempo series of operations throughout the Black and Aegean Seas and the eastern Mediterranean this small force of destroyers and other naval vessels responded ably to several major international crises Home ported in Constantinople U S Navy ships helped evacuate some 150 000 White Russians during the last days of the Russian Revolution coordinated the visits of the Hoover grain ships to ports in southern Russia where millions were suffering a horrendous famine reported on the terrible death marches endured by the Greeks of the Pontus region of Turkey and conducted the evacuation of hundreds of thousands of Greek and Armenian refugees from burning Smyrna the cataclysmic conclusion of the Turkish Nationalist Revolution After Smyrna the destroyers escorted Greek steamers in their rescue of ethnic Christian civilians being expelled from all the ports of Anatolian Turkey Shenk s incisive depiction of Adm Mark Bristol as both head of U S naval forces and America s chief diplomat in the region helps to make this book the first ever comprehensive account of a vital but little known naval undertaking Seaports of the Americas American Association of Port Authoritys,Compass North America, Incorporated,1997-03-01 **Colonial America To 1763** Thomas L.
