Prehistoric Humans in Film and Television Michael Klossner,2015-01-09 From the early days of the movies cavemen have been a popular subject for filmmakers not surprisingly since the birth of cinema occurred only a few decades after the earliest scientific studies of prehistoric man Filmmakers however were not constrained by the emerging science instead they most often took a comedic look at prehistory a trend that continued throughout the 20th century Prehistoric humans also populated adventure fantasy films with the original One Million B C 1940 leading the charge Documentaries were also made but it was not until the 1970s that accurate film accounts of prehistoric humans finally emerged This exhaustive work provides detailed accounts of 581 film and television productions that feature depictions of human prehistory Included are

dramas and comedies set in human prehistory documentaries and films and television shows in which prehistoric people somehow exist in historical periods from the advent of civilization up to the present or in extraterrestrial settings Each entry includes full filmographic data including year of release running time production personnel cast information and format A description of each film provides background on the prehistoric elements Contemporary critical commentary is included for many of the works

Federal Archeology Program Archeology and Ethnography Program (U.S.),1998 *America Before* Graham Hancock,2019-04-23 The Instant New York Times Bestseller Was an advanced civilization lost to history in the global cataclysm that ended the last Ice Age Graham Hancock the internationally bestselling author has made it his life s work to find out and in *America Before* he draws on the latest archaeological and DNA evidence to bring his quest to a stunning conclusion We ve been taught that North and South America were empty of humans until around 13 000 years ago amongst the last great landmasses on earth to have been settled by our ancestors But new discoveries have radically reshaped this long established picture and we know now that the Americas were first peopled more than 130 000 years ago many tens of thousands of years before human settlements became established elsewhere Hancock s research takes us on a series of journeys and encounters with the scientists responsible for the recent extraordinary breakthroughs In the process from the Mississippi Valley to the Amazon rainforest he reveals that ancient New World cultures share a legacy of advanced scientific knowledge and sophisticated spiritual beliefs with supposedly unconnected Old World cultures Have archaeologists focused for too long only on the Old World in their search for the origins of civilization while failing to consider the revolutionary possibility that those origins might in fact be found in the New World *America Before* The Key to Earth s Lost Civilization is the culmination of everything that millions of readers have loved in Hancock s body of work over the past decades namely a mind dilating exploration of the mysteries of the past amazing archaeological discoveries and profound implications for how we lead our lives today

Folsom David J. Meltzer,2006-06-05 In the late 1920s an exciting discovery was made at the New Mexico site of Folsom spear points found embedded between the ribs of an Iron Age bison that was to resolve decades of bitter conflict amongst archaeologists
