Copyright Office, 1979 **Eloquence Divine** Phillip Arrington, 2017-06-12 While serious studies of the Bible's rhetoric have been written for academic readers few have attempted to examine the persuasiveness of speeches directly assigned to the biblical God that so many believe in and worship Further no critic has yet tried to analyze how this God tries to invent and develop His arguments in the Bible as it has come down to us or how this God arranges those arguments or the styles He adopts to make them and the roles memory and delivery play in His arguments Eloquence Divine is one agnostic's attempt at such a study Those in the humanities educators and their students graduates and undergraduates interested in rhetoric persuasive language religion and the Bible are the ones most likely to be interested in this book's explorations in the hope that these readers whatever their beliefs or theoretical preferences can gain greater understanding of how one a fairly popular version of God strives through His eloquence to affect the human audiences in the Bible From the Introduction

The Minor Prophets: Micah, Nahum, Habakkuk, Zephaniah, Haggai, Zechariah and Malachi, 1885 **A Literal Translation of the Prophets, from Isaiah to Malachi**, 1836 *Unveiling the Mysteries of the Last Days* David A. Hamblin, 2010-06 Since being written the end time prophecies of the Bible have been shrouded in mystery Our world is now inundated with book after book on the subject of end time interpretation Often the most important aspects of the Bible's prophecies are twisted or changed to fit the needs of a Hollywood movie Expertly sifting through the modern fog covering these important prophecies David Hamblin takes an exhaustive yet thoroughly readable approach to the study of the end times Using the proven techniques of the scientific method David put together a system of prophecy analysis that would allow for extremely complex theories to be tested against the many and varying passages of end times prophecy Beginning with a solid faith in the Bible as the infallible Word of God he now presents his findings in God's Prophetic Timeline Never before has there been such a clear and concise presentation of God's timeline for the future along with many passages that David admits we cannot yet understand Written for the minister and layperson alike it begins by explaining the church age and progresses through each of Revelation's seven phases ending with new heaven and new earth His approach details even subtle prophetic material including Israel's future wealth the world war it triggers and Jesus coronation Don't be puzzled any longer by confusion on the subject of prophecy Leave behind the many contradictory theories propagated by the misinformed Follow along as God's Prophetic Timeline shows you in detail the tested validated and unified understanding of the Bible's prophecies *Old Testament Study Guide, Pt. 3* Randal S. Chase, 2010-12-01 The final edition on the Old Testament in a

three volume series includes nearly all of the Old Testament prophets their teachings and warnings to their people and their prophecies of the coming of the Messiah and the latter days The first volume in the series begins with a discussion of the importance of studying the Old Testament and the role of Jesus Christ in the Plan of Salvation and his selection as savior in the premortal council in heaven **Dictionary of the Old Testament: Prophets** G MCCONVILLE, MARK J

BODA,2020-05-21 The writings of the prophets make up over a quarter of the Old Testament But perhaps no other portion of the Old Testament is more misunderstood by readers today For some prophecy conjures up knotted enigmas opaque oracles and terrifying visions of the future For others it raises expectations of a plotted out future to be reconstructed from disparate texts And yet the prophets have imprinted the language of faith and imagination with some of its most sublime visions of the future nations streaming to Zion a lion lying with a lamb and endlessly fruiting trees on the banks of a flowing river We might view the prophets as stage directors for Israel s unfolding drama of redemption Drawing inspiration from past acts in that drama and invoking fresh words from its divine author these prophets speak a language of sinewed poetry their words and images arresting the ear and detonating in the mind For when Yahweh roars from Zion and thunders from Jerusalem the pastures of the shepherds dry up the crest of Carmel withers and the prophetic word buffets those selling the needy for a pair of sandals The Dictionary of the Old Testament Prophets is the only reference book of its kind Not only does it focus exclusively on the prophetic books it also plumbs their imagery of mountains and wilderness flora and fauna temple and Zion It maps and guides us through topics such as covenant and law exile and deliverance forgiveness and repentance and the Day of the Lord Here the nature of prophecy is searched out in its social historical literary and psychological dimensions as well as its synchronic spread of textual links and associations And the formation of the prophetic books into their canonical collection including the Book of the Twelve is explored and weighed for its significance Then too contemporary approaches such as canonical criticism conversation analysis editorial redaction criticism feminist interpretation literary approaches and rhetorical criticism are summed up and assayed Even the afterlife of these great texts is explored in articles on the history of interpretation as well as on their impact in the New Testament This Book Will Change Your Life Ben Carey,2003-10-28
