*Hope Upon Impact* Julie Overlease,2020-04-20 An unbelievable true story On the lovely spring afternoon of April 20 2018 a backyard tree cracked and a heavy limb fell 12 year

old Evelyn suffered a devastating blow to her head as she shielded her puppy. A significant compressed skull fracture required emergency neurosurgery. This freak life-threatening event shook the Overlease family to the core and an unbelievable experience was instantly set in motion that may take a lifetime to fully understand. The astounding details surrounding Evelyn's accident, medical care, and recovery are crazier than fiction. First-time author Julie Overlease tells the story in close detail with frankness and honesty. This is a book of hope and miracles in which Evelyn's mother tells a story of faith in action during a time of crisis, of prayer through pain and darkness, of devoted friendship and the great goodness and love of God. *Imaginative Prayer* Jared Patrick Boyd, 2017-07-11. **Moments of Grace and Spiritual Warfare in the Lord of the Rings** Anne Marie Gazzolo, 2012-10. In J. R. R. Tolkien's desire to create a mythology for his homeland, he actually made one for every person, every land, and every age. *The Lord of the Rings* is a catechism of spiritual warfare cleverly disguised as a fantasy. The struggle against evil that takes place inside its pages is the same one that occurs even now within the soul of each person. As we cannot leave the field of battle until death takes us from it, we should learn as much as we can about how to fight from those who have labored before us. Certainly the *Red Book of Westmarch* is one source to use. We may not have to sacrifice ourselves as does Gandalf, but we can learn from him and his wise counsels, and from the others who he taught. Frodo guides us as well as he makes his torturous journey to Mount Doom and endures the Ring's unceasing temptations. With him, we see that sometimes we overcome our temptations and at other times they overwhelm us. We also learn as he and Boromir do to get back up and start the struggle anew. Sam shows us the height of hope and the depth of devotion. In fact, everyone in the tale, good as well as evil, has something to teach us. Anne Marie Gazzolo hopes that you will find inspiration within to apply to your life. *The Strength Needed to Enter the Kingdom of God* Giuseppe G. Scollo, 2019-04-15. In this work, Giuseppe G. Scollo offers a complex understanding of the

phenomenon of violence through an in depth study of Luke 16 16 allowing for the possibility of a positive link between violence and love

**Faith and Reason** Brian Besong, Jonathan Fuqua, 2019-05-01 Too smart to believe in God The twelve philosophers in this book are too smart not to and their finely honed reasoning skills and advanced educations are on display as they explain their reasons for believing in Christianity and entering the Roman Catholic Church Among the twelve converts are well known professors and writers including Peter Kreeft Edward Feser J Budziszewski Candace Vogler and Robert Koons Each story is unique yet each one details the various perceptible ways God drew these lovers of wisdom to himself and to the Church In every case reason played a primary role It had to because being a Catholic philosopher is no easy task when the majority of one s colleagues thinks that religious faith is irrational Although the reasonableness of the Catholic faith captured the attention of these philosophers and cleared a space into which the seed of supernatural faith could be planted in each of these essays the attentive reader will find a fully human story The contributions are not merely collections of arguments they are stories of grace
