P. Hanson,2005-01-01 First published in 1988 The Search for the Christian Doctrine of God is still considered by many scholars to be the finest work on the Arian Controversy Examining scholarly works on the Controversy and many original texts Professor Hanson provides a clear understanding of how the traditional and historic doctrine of God as the Holy Trinity reached its most mature and enduring form The author is not primarily concerned to defend the orthodox position itself but rather to discover and examine the formation of that orthodoxy The history of the events the Councils the interventions of the Emperor the rivalries of sees the behaviour of bishops the varying fortunes of the different schools of thought and their leaders is interwoven with the progression of thought and doctrine during the sixty years of the Controversy Professor Hanson sees the problem of the reconciliation of two concepts which were both part of the very fabric of Christianity monotheism and the worship of Jesus Christ as divine      **Jeremiah'S Search for the Truth** Jeremy Vincent,2010-05-18 I dedicate this book to those people that question the world around them Even as a young child I wondered about things that most people simply dismissed as what is I dedicate this book to the questions that have never been answered because they have never been asked I would also like to dedicate this book to the two greatest girls a father could ask for Hannah and Madelyn My wife and I have dedicated our lives to ensuring our girls are better than their parents They are well on their way      The Search for the Self in Statius' >Thebaid< Jean-Michel Hulls,2021-07-19 The aim of this project is to provide a sustained analysis of the concept of self in

Stattius Thesaid It is this project's contention that the poem is profoundly interested in ideas of identity and selfhood The poem stages itself as a metapoetic exploration of the difficulties for a belated epicist in finding a place in the literary canon it shows the impossibility of squaring large scale epic poetics with small scale finely wrought Callimacheanism it reflects the violent disjunction between Stattius' authorial pose as a poet without power and the extreme violence of his poetics it opens up the intricacies of constructing original coherent characters out of intertextual exemplary models The central tenet of the project is that Stattius in the Thesaid stages his own death but does so that his poem may live This book is intended for an academic audience including undergraduate and graduate students as well as specialists in the field Although the project will be of primary importance to readers of Flavian literature it will also be of interest to those who study intertextuality and characterisation in Roman literature more generally selfhood and identity in Roman literature and culture and the reception of Roman literature
