**Canary Fever** John Clute,2016-11-24 Canary Fever is a collection of reviews about the most significant literatures of the twenty first century science fiction fantasy and horror the literatures Clute argues should be recognized as the central modes of fantastika in our times The title refers to the canary in the coal mine who whiffs gas and dies to save miners reviewers of fantastika can find themselves in a similar position though words can only hurt us

Hope and the Nearness of God Teresa White,2021-12-09 A reflection on the meaning and quality of Hope for the period of Lent and beyond In these days of pandemic war and political turbulence hope can seem to be in short supply But hope is one of the theological virtues and it is far more profound than mere optimism Today pessimism and despair seem all too prevalent What can we do about the poor and starving about those who seem to be locked in interminable conflict and families weighed down by the consequences of breakdown Sister Teresa White s book is an antidote to all this and it is written with beautiful simplicity and directness There is no hiding behind complicated or technical language In one of the most forceful chapters in the book the author shows how hope breeds courage and courage breeds hope But hope is not a matter of wishful thinking Drawing on St Augustine the author shows moreover that hope has two essential components Not just courage but anger as well The expression of our anger can lead to greater clarity with our discernment and spiritual perception Hope too can lead us to understand God s solidarity with us in times of sorrow and struggle Teresa White in this Lent Book draws on inspiration from writers as diverse as Julian of Norwich and Karl Rahner Elizabeth Barrett Browning and Henri Nouwen but throughout the book there is strong scriptural underpinning which the author uses to great effect

The Sea and the City John Roman Baker,2014-08-24 The city is a place of polarization Masculine is set against feminine strength against weakness existence against non existence A young man enters this world and begins a quest It is a quest that takes him through streets and squares that morph and change locations He encounters beings whose forms and natures also change and he is initiated in rituals of extreme sado masochistic sexuality and violence Rich in symbolic imagery THE SEA AND THE CITY cannot be defined or explained in simple terms Depending on the reader it may be set in this world or a parallel world

**A Visit to the Sea Side** ,1823 **The Old Man and the Sea** Anthony Smith,2015-02-26 Octogenarian Anthony Smith s journey was originally inspired by both the Kontiki Expedition of Thor Heyerdahl who he knew and the incredible story of the survivors of a 1940 boat disaster who spent 70 days adrift in the Atlantic eventually reaching land emaciated and close to death While this might sound like a voyage no one would wish to emulate to octogenarian Anthony Smith it sounded like an adventure and he placed a typically straightforward advertisement in the Telegraph that read Fancy rafting across the Atlantic Famous traveller requires 3 crew Must be OAP Serious adventurers only In his inimitable style Smith details their voyage and the hardships they endured with a matter of fact air that makes his story seem all the more impressive His advanced age allows him a wider perspective not only on the journey but on life itself and his never say die attitude to the difficulty of the journey is inspirational Old men ought to be explorers said T S Eliot and this book certainly gives a compelling argument in his favour It is both a great story a huge storm on the final night of the voyage almost wrecked them on a reef and a call to action for the older generation do not go quietly says Anthony Smith but seek out adventure as long as you are able

**A Residence Among the Chinese: Inland, on the Coast, and at Sea** Robert Fortune,2012-03-08 China was still largely alien territory for westerners in the mid nineteenth century In this book first published in 1857 Robert Fortune 1813 80 describes his third visit there but despite his relative familiarity with the country his account is full of

strange and bizarre sights and happenings Beginning in Shanghai where he was sent to collect tea samples for the East India Company he describes an earthquake and the myths of its aftermath along with his fears of becoming embroiled in the Taiping Rebellion A keen botanist and entomologist in his own right he also collected insects a pastime that led him to become a figure of great hilarity among the locals and explored the flora of the north His account of his three year expedition offers a glimpse of the Chinese language and culture through the lens of Victorian expectations and is a fascinating resource for students and the general reader [A Residence Among the Chinese: Inland, on the Coast, and at Sea](#) Robert Fortune,1857 [Marine Mammal Protection Act Reauthorization](#) United States. Congress. House. Committee on Merchant Marine and Fisheries. Jane's life are bound to small breakthroughs and quiet illuminations. The author becomes a perfect companion to the reader as her life writing and meditation coalesce in profound ways. But as the perfect ending to her own writing journey and understanding threatens to elude her, Jane journeys to where Janet Frame grew up to find the courage and wisdom to complete her own story. Lyrical and literary, *Talk of Treasure* is a compelling memoir about how to be a writer and more simply just how to be. Carswell's understated writing has a rare clarity and honesty. *The Dominion Post*. Her powers of description are so acute and tender. An enjoyable and fascinating account of the ways in which our passions enable us to become fully human. Ruth Fowler, Community Meditation teacher. Jane Carswell treads not only carefully but thoughtfully and originally. *The Age*. **Seasons of the Day** Sister Stanislaus Kennedy, 2009-01-01. Based on the traditional Book of Hours psalms said daily at set times by religious communities throughout the world, *Seasons of the Day* reveals the enduring relevance of this ancient practice to contemporary living. In *Seasons of the Day*, Sister Stan, knowing that our modern day understanding of time pushes us to our stressed-out limits, passes on the monastic ritual to the layperson. Here, as she slows us down, she reveals the psalms through her own words, her own prayers. Using them, she also guides us tenderly through a four-week period from the silence and mystery of pre-dawn matins through to the reflective conclusion of the day's compline. In a world that can often seem hostile and unfriendly, her gentle reflections help the reader find inner peace and confidence. A prayer book for today. [City of Gold](#) Jim Krane, 2009-09-15. This history of Dubai presents a fascinating study of a small nation that has taken the ideas of modernism and capitalism to their outer limits. Publishers Weekly starred review: The city of Dubai, one of the seven United Arab Emirates, is everything the Arab world isn't: a freewheeling capitalist oasis where the market rules and history is swept aside. With a roaring economy and booming tourist industry, it's one of the world's safest places a stone's throw from its most dangerous. And yet this dream city, which was a poor village just decades ago, literally came out of nowhere. In *City of Gold*, Jim Krane, who reported for the AP from Dubai, brings us a boots-on-the-ground look at this fascinating place and the people who make it what it is: from business titans to prostitutes to the hard-bitten men who built its fanciful skyline. He delves into the city's history, paints an intimate portrait of the ruling Maktoum family, and ponders where the city is headed. While many think Dubai's glory days have passed, insiders like Krane know there's much more to come in the City of Gold.
