Graham Jr.,2013-03-19 Navigating Your Seasons of Change takes us on a journey of self awareness that will help us better understand the season we are in and how to effectively navigate our way through it Donald Graham shares with the reader the benefits of patiently enduring their season and how impatience can frustrate the grace of God in their lives He provides insight into the many challenges that the Christian believer will face during their faith walk and uses his compelling testimony as a point of reference Donald stresses the importance of discerning the season you are in listening attentively for the message that God desires to convey to you and obeying the specific instructions for what lies ahead once the season is over *Humorous Stories for Life's Seasons* Irene Bryan,2021-08-04 Life is a journey which the soul embarks on It is like an unfinished book waiting to add new chapters from stories not yet written One never knows what the journey will carry one through or even the seasons the journey will bring forth Only God knows Yesterday one could have been in a Desert season Today one could be in a Valley season looking up at the Mountains The same God who was with one in their Desert season is the same God with one today in their Valley season with the view of the Mountains that surround one The comfort and peace to the believer s soul is knowing that God can be trusted in every season As you read and reflect on these little humorous stories of life s seasons I pray and hope that you will enjoy one or two little chuckles I also pray that you may be able to relate and identify with the characters Mountain Valley Foothill Hillside Flatland Rangeland Desert and Lowland as each goes through the difficulties disappointments and ups and downs Most often these are part of what some of life s seasons cause the heart and soul to feel and experience Enjoy the laughter love and lessons from *Humorous Stories for Life s Seasons* Remember that laughter is good for the soul
