Season Of Fire The Confederate Strike On Washington

Jack H. Lepa

Season Of Fire The Confederate Strike On Washington:

Season of Fire Joseph Judge, 1994 A recount of the 1864 campaign in the Shenandoah Valley and raid into Maryland by Jubal Early and a Confederate army including the Battle of Monacacy and the Battle of Fort Stevens **The Day Lincoln Was Almost Shot** Benjamin Franklin Cooling III, 2013-05-02 The Day Lincoln Was Almost Shot The Fort Stevens Story recounts the story of President Abraham Lincoln s role in the Battle of Fort Stevens in July 1864 This engagement stands apart in American history as the only time a sitting American president came under enemy fire while in office In this new study of this overlooked moment in American history Cooling poses a troubling question What if Lincoln had been shot and killed during this short battle nine months prior to his death by John Wilkes Booth s hand in Ford s Theater A potential pivotal moment in the Civil War the Battle of Fort Stevens could have changed with Lincoln s demise the course of American history The Day Lincoln Was Almost Shot however is more than a meditation on an alternate history of the United States It is also a close study of the attempt by Confederate general Jubal Early to capture Washington DC to remove Lincoln and the Union government from power and to turn the tide of the Civil War in the South s favor The dramatic events of this attempt to capture Washington and the president with it unfold in stunning detail as Cooling taps fresh documentary sources and offers a new interpretation of this story of the defense of the nation s capital Commemorating this largely forgotten and under appreciated chapter in the study of Lincoln and the Civil War The Day Lincoln Was Almost Shot is a fascinating look at this potential turning point in American history **A Journal of the American Civil War: V4-2** Theodore P. Savas, David A. Woodbury, Gary D. Joiner, 2021-12-31 Balanced and in depth military coverage all theaters North and South in a non partisan format with detailed notes offering meaty in depth articles original maps photos columns book reviews and indexes Gray s Louisiana Brigade Union Naval Expedition Beard and the Consolidated Crescent Regiment Campaign Letters Touring the Red River Campaign **Silver Spring and the Civil War** Robert E. Oshel PhD, 2014-04-22 On July 11 1864 some residents cheered and others watched in horror as Confederate troops spread across the fields and orchards of Silver Spring Maryland Many fled to the capital while General Jubal Early s troops ransacked their property The estate of Lincoln s postmaster general Montgomery Blair was burned and his father s home was used by Early as headquarters from which to launch an attack on Washington s defenses Yet the first Civil War casualty in Silver Spring came well before Early s raid when Union soldiers killed a prominent local farmer in 1862 This was life in the shadow of the Federal City Drawing on contemporary accounts and memoirs Dr Robert E Oshel tells the story of Silver Spring over the tumultuous course of the Civil War A Journal of the American Civil War: V4-3 Theodore P. Savas, David A. Woodbury, 2021-12-31 Balanced and in depth military coverage all theaters North and South in a non partisan format with detailed notes offering meaty in depth articles original maps photos columns book reviews and indexes Notable titles of 1994 Buckner s unpublished report of the Kentucky Campaign author Mark Bradley talks about the Battle of Bentonville **Lincoln and Grant** Edward H.

Bonekemper,2015-03-23 Lincoln and Grant is an intimate dual portrait of President Abraham Lincoln and General Ulysses S Grant their ordinary Western backgrounds their early struggles to succeed and their history making relationship during the Civil War Though generally remembered by history as two very different personalities the soft spoken Lincoln and often crude Grant in fact shared a similar drive and determination as this in depth character study illustrates **The Union Sixth Corps in the Shenandoah Valley, June-October 1864** Jack H. Lepa,2016-11-19 During the summer and fall of 1864 Virginia s Shenandoah Valley was one of the most contested regions of the South Federal armies invaded the Valley three times twice they were repulsed This book describes the third campaign the supreme achievement of the Army of the Potomac s Sixth Corps One of the most respected units in the Federal Army the Sixth Corps formed the nucleus of the Federal force that spent several months competing for control of the Valley with a desperate Confederate army resulting in some of the toughest fighting of the war Following victories at Winchester and Fisher s Hill the Sixth Corps campaign culminated with a remarkable stand that stopped the attacking enemy and turned what began as a disastrous defeat into a spectacular victory at Cedar Creek American Military Leaders John C. Fredriksen,1999-06-18 A comprehensive collection of biographies of the most prominent military leaders in American history American Military Leaders contains over 400 A Z biographies of individuals such as Admiral Elmo Zumwalt who ended hundreds of years of tradition by allowing women to serve on Navy ships and Francis Marion the Swamp Fox whose rules of clandestine warfare are still followed by the U S Special Forces Coverage centers on the outstanding generals sergeants fighter aces militiamen theorists doctors and nurses who make up America s military history This volume presents their backgrounds contributions and significance to America s fortunes in war This title also cites works for further research includes a list of leaders organized by their military titles and a comprehensive index **Lincoln's Bold Lion** James T. Huffstodt,2015-10-19 Does an excellent job portraying General Hardin s life in the context of a changing America a definitive biography of a forgotten hero Civil War News Nominated for the Gilder Lehrman Prize this is the first biography devoted to the life of a remarkable young man who in the words of Civil War historian Ezra Warner embarked upon a combat career which has few parallels in the annals of the army for gallantry wounds sustained and the obscurity into which he had lapsed a generation before his death From Hardin s childhood in Illinois where a slave girl implanted in him a fear of ghosts to his attendance at West Point along with other future luminaries to his service on the frontier where he took particular note of the bearing of the Cheyenne Hardin s life reveals the progress of a century Made Brigadier General at age twenty seven Hardin fought with distinction at Malvern Hill Second Manassas Gettysburg Grant s Overland Campaign and the July 1864 Rebel raid on Washington He was wounded four times nearly died on two occasions and lost an arm during the war On one occasion he was ambushed on a road by Mosby s Men one of whom may have been Lincoln conspirator Lewis Paine Hardin himself took part in the hunt for John Wilkes Booth after Lincoln s assassination Though General Hardin s mother skillfully played upon her friendship with the President and the First Lady to

advance her son's career his gallantry and leadership in combat sufficed to earn him renown Lincoln's Bold Lion restores the man's rightful position as an American hero Chicago Daily Herald

The Shenandoah Valley Campaign of 1864 Jack H. Lepa, 2003-01-01 A significant part of the Civil War was fought in the Shenandoah Valley of Virginia especially in 1864 Books and articles have been written about the fighting that took place there but they generally cover only a small period of time and focus on a particular battle or campaign This work covers the entire year of 1864 so that readers can clearly see how one event led to another in the Shenandoah Valley and turned once peaceful garden spots into gory battlefields It tells the stories of the great leaders ordinary men innocent civilians and armies large and small taking part in battles at New Market Chambersburg Winchester Fisher's Hill and Cedar Creek but it primarily tells the stories of the soldiers Union and Confederate who were willing to risk their lives for their beliefs The author has made extensive use of memoirs letters and reports written by the soldiers of both sides who fought in the Shenandoah Valley in 1864

Battle of West Frederick, July 7, 1864 Joseph V. Collins, 2011-06-20 This is a Civil War book about a little known engagement that took place two days before the important Battle of Monocacy which is referred to as the battle that saved Washington D C from capture by the Confederates The book follows the ragtag Confederate Army of the Valley commanded by the cantankerous General Jubal Early on its ill fated 1864 invasion of Maryland It introduces the reader to the various players and the general background that would become part of this critical thirty day period in the Civil War Special emphasis is placed on the Third Potomac Home Brigade and the role this unit of Marylanders would play in the events The book follows Jubal Early's army through the Shenandoah Valley its eventual crossing of the Potomac River into Maryland and the reaction to this impending problem by two particular individuals John Garrett of the Baltimore Railroad and Union General Lew Wallace It details the various engagements fought between the invading Confederates and the hastily assembled Union defenders leading up to the fighting that occurred first on the morning of July 7th at Middletown Maryland then culminating in spirited fighting during the afternoon and evening hours in the farm fields just west of Frederick The book continues with the military activities on July 8th and concentrates on the part that the Third Potomac Home Brigade plays in the Battle of Monocacy that transpires on July 9th While concentrating on the military activities during this time period the book takes time to discuss the ransoms of three Maryland communities by the invading Confederates namely Frederick Hagerstown and Middletown To better inform the reader information is provided through maps pictures and lists on units involved their commanders troop movement period currency and transportation When finished it's hoped the reader will have a better understanding of the importance of the July 7th fighting those that participated and the overall impact it had on the preparations for and the outcome of the Battle of Monocacy

Ulysses S. Grant: A Victor, Not a Butcher Edward H. Bonekemper, 2010-09-21 Ulysses S Grant is often accused of being a cold hearted butcher of his troops In *Ulysses S Grant A Victor Not a Butcher* historian Edward H Bonekemper III proves that Grant's casualty rates actually compared favorably with those of other Civil War generals His

perseverance decisiveness moral courage and political acumen place him among the greatest generals of the Civil War indeed of all military history Bonekemper proves that it was no historical accident that Grant accepted the surrender of three entire Confederate armies and won the Civil War Bonekemper ably silences Grant's critics and restores Grant to the heroic reputation he so richly deserves **Between Reb and Yank** Taylor M. Chamberlin, John M. Souders, 2011-09-29 The northern part of Loudoun County was a Unionist enclave in Confederate Virginia that remained a contested battleground for armies and factions of all stripes throughout the Civil War Lying between the Blue Ridge Mountains Harpers Ferry and Washington D C the Loudoun Valley provided a natural corridor for commanders on both sides while its mountainous fringes were home to partisans guerillas deserters and smugglers This detailed history examines the conflicting loyalties in the farming communities the peaceful Quakers caught in the middle and the political underpinnings of Unionist Virginia

Historical Dictionary of Washington, D.C. Robert Benedetto, Jane Donovan, Kathleen Du Vall, 2003 The introduction in narrative style summarizes the history of government and economy cultural life education parks construction of the national capital the war of 1812 and the growth of the city the Great Depression the war years the civil rights movement and urban problems A chronology and substantial bibliography round out this work Jacket *Ending the Civil War* Benton Rain Patterson, 2014-01-10 Dramatically and authentically using eyewitness accounts where possible this book recounts the final 13 months of the Civil War a year in which a new U S Army general in chief was appointed a new course for the war was charted a massive new campaign was begun the abolition of slavery was confirmed by the re election of Abraham Lincoln and the course of history was altered by the assassination of America's most revered president It was the year that the United States won the final battle and the year that the sundered nation was reunited The book describes those events and the key figures in them **Grant and Lee** Edward H. Bonekemper, III, 2012-12-10 Grant and Lee Victorious American and Vanquished Virginian is a comprehensive multi theater war long comparison of the command skills of Ulysses S Grant and Robert E Lee Written by Edward H Bonekemper III Grant and Lee clarifies the impact both generals had on the outcome of the Civil War namely the assistance that Lee provided to Grant by Lee's excessive casualties in Virginia the consequent drain of Confederate resources from Grant's battlefronts and Lee's refusal and delay of reinforcements to the combat areas where Grant was operating The reader will be left astounded by the level of aggression both generals employed to secure victory for their respective causes as Bonekemper demonstrates that Grant was a national general whose tactics were consistent with achieving Union victory whereas Lee's own priorities constantly undermined the Confederacy's chances of winning the war Building on detailed accounts of both generals major campaigns and battles this book provides a detailed comparison of the primary military and personal traits of the two men That analysis supports the preface discussion and the chapter by chapter conclusions that Grant did what the North needed to do to win the war be aggressive eliminate enemy armies and do so with minimal casualties 154 000 while Lee was too offensive for the undermanned Confederacy suffered intolerable casualties 209

000 and allowed his obsession with the Commonwealth of Virginia to obscure the broader interests of the Confederacy In addition readers will find interest in the 18 highly detailed and revealing battle maps as well as in a comprehensive set of appendices that describes the casualties incurred by each army battle by battle *Jubal Early* Benjamin Franklin Cooling III,2014-08-26 In *Jubal Early Robert E Lee s Bad Old Man* a new critical biography of Confederate Lieutenant General Jubal Anderson Early Civil War historian B F Cooling III takes a fresh look at one of the most fascinating idiosyncratic characters in the pantheon of Confederate heroes and villains Dubbed by Robert E Lee as his bad old man because of his demeanor Early was also Lee s chosen instrument to attack and capture Washington as well as defend the Shenandoah Valley granary in the summer and fall of 1864 Neither cornered nor snared by Union opponents Early came closest of any Confederate general to capturing Washington ending Lincoln s presidency and forever changing the fate of the Civil War and American history His failure to grapple with this moment of historical immortality and emerge victorious bespeaks as much his own foibles as the counter efforts of the enemy the effects of weather and the shortcomings of his army From the pinnacle of success Jubal Early descended to the trough of defeat within three months when opponent General Philip Sheridan resoundingly defeated him in the Valley campaign of 1864 Jubal Early famously exhibited a harder less gallant personal as a leading Confederate practitioner of hard or destructive war a tactic usually ascribed to Union generals Hunter Sheridan and Sherman An extortionist of Yankee capital in northern towns in Pennsylvania and Maryland typically in the form of tribute Early also became forever associated with the wanton destruction of Chambersburg Pennsylvania as well as Congressman Thaddeus Stevens private commerical ironworks and the private dwellings of Maryland governor Augustus Bradford and then Postmaster General Montgomery Blair How war hardened a crabbed arthritically hobbled but brilliantly pragmatic soldier and lawyer offers one of the most fascinating puzzles of personality in Civil War history One of the most alluring yet repellent figures of Southern Confederate history Jubal Early would devolve from the ideal prewar constitutional unionist to the postwar personification of the unreconstructed rebel and progenitor of the lost cause explanation for the demise of the Confederacy s experiment in rebellion or independence This critical study explains how one of Virginia s loyal sons came through war and peace to garner a unique position in the Confederacy s pantheon of heroes and the Union s cabal of military villains Jubal Early Robert E Lee s Bad Old Man will appeal to anyone interested in Civil War history and Confederate history

A Civil War Soldier of Christ and Country John Rodgers Meigs,2006 This collection of letters and documents offers a rare glimpse into a young officer s interesting but short life Mary A Giunta s *A Civil War Soldier of Christ and Country* tells the story of the relationships between the headstrong John Rodgers Meigs and his family and friends his heartwarming eagerness to please his demanding parents his West Point experiences that include a meeting with Abraham Lincoln and his life as a combatant in the Civil War John Rodgers Meigs was the son of Union Quartermaster General Montgomery C Meigs and his official correspondence reveals much about his duties as a military engineer and aide de camp to Union generals The

private correspondence between him and his father and mother is especially compelling Approximately forty of the letters were written in an early version of Pitman shorthand and are here transcribed for the first time Collectively they provide an intimate picture of the young Meigs uncover the concerns of a family with high expectations and offer a unique look at a devastating war *American Military Leaders [2 Volumes]* John C. Fredriksen, 1999-06-18 American Military Leaders contains over 400 A Z biographies of individuals such as Admiral Elmo Zumwalt who ended hundreds of years of tradition by allowing women to serve on Navy ships and Francis Marion the Swamp Fox whose rules of clandestine warfare are still followed by the U S Special Forces Coverage centers on the outstanding generals sergeants fighter aces militiamen theorists doctors and nurses who make up America s military history This volume presents their backgrounds contributions and significance to America s fortunes in war This title also cites works for further research includes a list of leaders organized by their military titles and a comprehensive index *Shock Troops of the Confederacy* Slim Ray, 2006

This Enthralling World of E-book Books: A Thorough Guide Revealing the Pros of E-book Books: A World of Ease and Versatility E-book books, with their inherent portability and simplicity of access, have freed readers from the limitations of physical books. Gone are the days of lugging bulky novels or carefully searching for specific titles in shops. Kindle devices, stylish and lightweight, seamlessly store an extensive library of books, allowing readers to immerse in their preferred reads whenever, anywhere. Whether commuting on a bustling train, lounging on a sun-kissed beach, or just cozying up in bed, Kindle books provide an exceptional level of ease. A Reading World Unfolded: Exploring the Vast Array of E-book Season Of Fire The Confederate Strike On Washington Season Of Fire The Confederate Strike On Washington The E-book Store, a digital treasure trove of literary gems, boasts an extensive collection of books spanning varied genres, catering to every readers preference and choice. From gripping fiction and mind-stimulating non-fiction to classic classics and modern bestsellers, the Kindle Store offers an exceptional variety of titles to explore. Whether seeking escape through immersive tales of imagination and exploration, delving into the depths of past narratives, or broadening ones knowledge with insightful works of scientific and philosophy, the Kindle Shop provides a doorway to a bookish world brimming with limitless possibilities. A Revolutionary Force in the Literary Landscape: The Lasting Influence of E-book Books Season Of Fire The Confederate Strike On Washington The advent of E-book books has certainly reshaped the literary scene, introducing a model shift in the way books are released, distributed, and consumed. Traditional publishing houses have embraced the online revolution, adapting their strategies to accommodate the growing need for e-books. This has led to a rise in the availability of Kindle titles, ensuring that readers have access to a wide array of bookish works at their fingers. Moreover, E-book books have democratized access to literature, breaking down geographical barriers and offering readers worldwide with similar opportunities to engage with the written word. Regardless of their location or socioeconomic background, individuals can now immerse themselves in the captivating world of books, fostering a global community of readers. Conclusion: Embracing the E-book Experience Season Of Fire The Confederate Strike On Washington Kindle books Season Of Fire The Confederate Strike On Washington, with their inherent convenience, versatility, and vast array of titles, have unquestionably transformed the way we encounter literature. They offer readers the freedom to explore the boundless realm of written expression, whenever, anywhere. As we continue to travel the ever-evolving digital landscape, E-book books stand as testament to the persistent power of storytelling, ensuring that the joy of reading remains reachable to all.
