mellow fruits of harvest festival How much will we lose if we can no longer find either refuge or reassurance in the greater natural and meteorological scheme of things Nick Groom's splendidly rich and encyclopedic book is an unabashed celebration of the English seasons and the trove of strange folklore and often stranger facts they have accumulated over the centuries Each season and its particular history are given their full due and these chapters are interwoven with others on the calendar and how the year and months have come to be measured on important dates and festivals such as Easter May Day and of course Christmas on that defining first cuckoo call on national attitudes to weather our seasonal relationship with the land and horticulture and much more The author expresses the hope that his book will not prove an elegy only time will tell

The Sandman: Season of mists Neil Gaiman, 1991 *Modernity's Mist* Emily Rohrbach, 2015-12-01 *Modernity's Mist* explores an understudied aspect of Romanticism its future oriented poetics Whereas Romanticism is well known for its relation to the past Emily Rohrbach situates Romantic epistemological uncertainties in relation to historiographical debates that opened up a radically unpredictable and fast approaching future As the rise of periodization made the project of defining the spirit of the age increasingly urgent the changing sense of futurity rendered the historical dimensions of the present deeply elusive While historicist critics often are interested in what Romantic writers and their readers would have known Rohrbach draws attention to moments when these writers felt they could not know the historical dimensions of their own age Illuminating the poetic strategies Keats Austen Byron and Hazlitt used to convey that sense of mystery Rohrbach describes a poetic grammar of future anteriority of uncertainty concerning what will have been Romantic writers she shows do not simply reflect the history of their time their works make imaginable a new way of thinking the historical present when faced with the temporalities of modernity
