 Ziebarth,2019-08-31 A multi authored book with editors and authors who are leaders in Faith Community Nursing FCN that
 aims to address contemporary issues in faith based whole person community based health offering cost effective accessible
 patient centered care along the patient continuum while challenging contemporary health policy to include more health
 promotion services Twenty five chapters take the reader from a foundational understanding of this historic grass roots
 movement to the present day international specialty nursing practice The book is structured into five sections that describe
 both the historical advancement of the Faith Community Nursing its current implications and future challenges taking into
 account the perspectives of the pastor congregation nurse health care system and public health national and international
 organizations The benefits of this book are that it is intended for a mixed audience including lay academic medical
 professionals or health care executives By changing the mindset of the reader to see the nurse as more than providing illness
 care the faith community as more than a place one goes to on Sunday and health as more than physical creative alternatives
