**Times and Seasons** ,1844     Down to Earth Devotions for the Season Mike Slaughter,Rachel Billups,2016-09-06

Nothing in all the vast created universe could prepare us for God coming down as a helpless infant or for Jesus the son of God intentionally positioning himself as a mere servant identifying with the lowest of lows It s enough to confound the mind to make the heart contrite This Advent God s great surprise changes everything Four weeks of devotions for use during Advent and leading up to Christmas based on the down to earth missional messages of the book and videos Each devotion includes Scripture story and prayer     *Poems* Denis Florence MacCarthy,1884     **As in the Heart, So in the Earth** Pierre Rabhi,2006-06-06 The world s leading expert on reversing soil desertification shows how ecology can flourish only when spiritual elements are present Uses a parable from the African oral tradition to provide a living testimony of what has been lost with the rise of modern technology Provides a vital account of the strong relationship between soil and soul and how this relationship can be restored As in the Heart So in the Earth is a strong indictment of a civilization that while seeking domination over the earth mutilates tortures and desacralizes it For Pierre Rabhi ecology is inseparable from spirituality He shows how the growing desertification of North Africa is a reflection of the desert that is claiming the hearts and souls of the inhabitants of the Western world how dead soil is mirrored in our deadened souls and how reconciliation with Mother Earth must be accompanied by relearning our ancestors reverence for the soil Using a traditional African parable grounded in the very wisdom of the earth Pierre Rabhi seeks to initiate the reader into a time when the people that dwelled on this planet did so harmoniously and could converse easily with the land Village elder Tyemoro recounts the gradual destruction of his village s culture and all that has sustained it as the miracles promised by modern technology brought more harm than good This same drama is recurring throughout the world where indigenous value systems that have endured for millennia are torn apart by contact with modern civilization Yet Rahbi offers hope if those in the modern world will stop to hear the words of their ancestors who worked the land for our destiny is linked irrevocably to that of the earth     The Earth-Friendly Pescatarian Mediterranean Diet Cookbook Lindsey Norma Saide,2024-12-17 Jump into the delicious and nutritious world of pescatarian Mediterranean cooking with The Earth Friendly Pescatarian Mediterranean Diet Cookbook 72 Recipes for Sustainable Seafood Seasonal Produce and Optimal Wellness This comprehensive cookbook is your guide to creating mouthwatering meals that prioritize both your health and the planet s well being Packed with 72 carefully crafted recipes this pescatarian Mediterranean diet cookbook showcases the best of sustainable seafood and seasonal produce From refreshing salads to hearty main courses you ll discover a wide array of dishes that will tantalize your taste buds and nourish your body The recipes in this earth friendly pescatarian cookbook are designed to promote optimal wellness by focusing on whole minimally processed ingredients You ll learn how to select the most sustainable seafood options and how to make the

[September Mornings](#) Joseph Sener, 2025-06-05. September Mornings is the last of six books that the Holy Spirit wanted me to publish to disseminate His messages to humanity. I am His scribe, and I conform to His wishes. Humanity is God's highest creation on earth. God created humans in His own image. We are His ambassadors on earth. It is His requirement that we live up to His expectations to live a righteous life with justice when we are performing His work on earth. It is God's law that the systemic order in life must be

maintained fairly and equitably by His creation There is no partiality with God The eternal fabric of life is God s truth God s will runs the fabric of life in the entire universe He governs all life and its existence in His creation from one end of infinity to the other We are His ornaments in His creation with expectations and hopes Divine guidance and care are God conceived to guide the destiny of humanity Humanity s faith in God was unyielding in all ages and kept the human race on the line drawn by God He pulls His creation to Himself like a magnet to maintain order and harmony in His creation He appears to be hidden but your conscious heart knows that He is always present in your life He makes Himself visible by His actions and manifestations on earth and in the universe Honor Him with full dedication and respect You are three dimensional but God is multidimensional so walk and work on His earth with that knowledge God has many properties but the most important ones are His love for His creation and humanity and His mercy to forgive the sins of humanity Mercy is the product of His grace God expects to have a personal relationship with His humanity He sees you and what you are doing on earth at all times You cannot hide from Him He hears you when you speak and He observes what you are doing You cannot hide anything from Him Pray to Him and be thankful for the second chance that He has provided you to undo your sins Learn the purpose of your life on earth and be prepared for life coming after your death on earth We were born to this Second Earth Age to be saved from our sins by the merciful God Almighty the Creator of you and me We are here at this time to learn obey and do things on earth in His Way as He wants not by our ways God the Creator and His Holy Trinity Father Son and the Holy Spirit in three personalities is ONE in essence that is to say He is a real essential entity in permanent existence in the ultimate nature We are the property of God and live on this earth at His pleasure We live in the world only for Him and His coming kingdom in the Third Earth Age The final days of the end time are steadily approaching one day at a time Soon we all shall answer to the Creator God On that day we will not be on earth to make corrections in our lives We will be up there with Him answering His questions You and I are in this world for a short time and if we have earned God s trust we will come back to be a part of His New Age on New Earth and participate in His new kingdom on earth Finally humanity shall understand that God and His Divine Trinity in the universe of God the Creator is an absolute truth It is a transcendent fundamental spiritual reality The plan for the future has been prepared by Almighty God and His Holy Trinity All shall unfold part by part at every step of the way depending on our level of preparedness and readiness together with our level of maturity Under His will His plan is all good if we can keep it that way May the blessings of God Almighty and His Holy Trinity be upon His humanity and all His creation now and forever
