The Jersey Effect Ken Turner, Stephen Copeland, Darrin Gray, Hunter Smith, 2012-06-01 The Jersey Effect takes a look into the hearts and minds of athletes who achieved Super Bowl success and examines the battles they faced It presents the stories of champions who desired to reflect glory back to God by using their jersey and the platform God had given them to make a positive difference in the world Even so sometimes their great intentions were hijacked by pride materialism distractions and deficiencies within their own character that were never truly understood until the ultimate success had come their way Intended for players

coaches and parents that want to learn and in turn teach important lessons about how to properly align their love of sports with God's heart. The Jersey Effect advocates for a full 360 degrees of influence: coach on player, player on coach, player on parents, parents on player, and team on community. The Jersey Effect demonstrates how to pursue the ultimate prize: a goal that has little to do with winning a championship ring and everything to do with how we can have a positive effect on those around us through the sports we love.

Who Controls the Hunt? David Calverley, 2018-03-01. As the nineteenth century ended, Ontario wildlife became increasingly valuable. Tourists and sport hunters spent growing amounts of money in search of game, and the government began to extend its regulatory powers in this arena. Restrictions were imposed on hunting and trapping, completely ignoring Anishinaabeg hunting rights set out in the Robinson Treaties of 1850. *Who Controls the Hunt* examines how Ontario's emerging wildlife conservation laws failed to reconcile First Nations treaty rights and the power of the state. David Calverley traces the political and legal arguments prompted by the interplay of treaty rights, provincial and dominion government interests, and the corporate concerns of the Hudson's Bay Company. A nuanced examination of Indigenous resource issues, the themes of this book remain germane to questions about who controls the hunt in Canada today.

Field & Stream, 2000-09. FIELD STREAM, America's largest outdoor sports magazine, celebrates the outdoor experience with great stories, compelling photography, and sound advice while honoring the traditions hunters and fishermen have passed down for generations.

Stephen J. Cannell Television Productions Jon Abbott, 2009-09-12. The face of 1980s television was shaped by a man who stayed behind the scenes. Stephen Cannell's reluctant white knights put upon private eyes, James Rockford, World War II fly boys, the Black Sheep Squadron, hapless superhero Ralph Hinckley, fugitive mercenaries, the A-Team, and maverick cop Hunter, traversed the television landscape from the 1970s to the 1990s. Cannell changed the face of the action-adventure genre, updating the crime show format with a hybrid of rebellious morality, juvenile wit, intelligent sarcasm, and radical conservatism. This book discusses in detail the programs of the writer-producer and lists every episode of his award-winning productions from the early 1970s to the early 90s. The book features publicity photos and descriptions of unsold pilots.
