The Rajneesh Chronicles: The True Story of the Cult that Unleashed the First Act of Bioterrorism on U.S. Soil Win McCormack,2010-09-01 The Bhagwan Shree Rajneesh and his followers were involved in nefarious activities including prostitution drug smuggling sexual abuse of children and murder conspiracy The Rajneesh Chronicles explains this behavior and why the cult that committed the first act of bioterrorism in the U S was trying to cultivate a live AIDS virus Bhagwan Shree Rajneesh widely known as the sex guru fled India in 1981 and came to settle on a ranch in central Oregon where he and his followers established the illegal city of Rajneeshpuram In their effort to preserve the city the Rajneeshees attempted

during the 1984 election to take control of the Wasco County government by poisoning two county commissioners and over 700 potential voters in The Dalles the county seat with salmonella the first act of bio terrorism in U S history Armed to the teeth with semiautomatic weapons they threatened to defend the city to the death against any governmental intrusion and hatched a plot to assassinate a U S attorney When the commune finally imploded and authorities arrived on the scene they discovered that the Rajneesh nurse who had cultivated salmonella bacteria in the commune s biological warfare laboratory was also trying to cultivate a live AIDS virus which deranged group leaders clearly hoped to unleash on the rest on the world The Rajneesh Chronicles is a collection of in depth investigative and analytical articles published in Oregon Magazine covering the entire period from the time of the cult s arrival in Oregon in mid 1981 to its dramatic disintegration at the end of 1985 with an introductory chronology that extends the story up to the present While most press treated the cult s antics as a humorous sideshow typified by the Bhagwan s dozens of Rolls Royces editor in chief Win McCormack and other of the magazine s writers systematically exposed the full range of the Rajneeshees depraved behavior including their involvement in prostitution and international drug smuggling sexual exploitation of children abuse of homeless people they imported into Rajneeshpuram to register as voters and the use of brainwashing techniques bordering on torture The tale of the Rajneesh has become an amorphous legend few inside or outside of Oregon actually understand The Rajneesh Chronicles fully illuminates the shocking reality behind that legend

Beneficial Ownership Matthias Reinhard-DeRoo,2013-10-02 The hunt for beneficial owners is on Like an elephant the beneficial owner hides in the jungle of complex legal structures waiting to be discovered by eager prosecutors But what lies behind this metaphor What is a Beneficial Owner Is beneficial ownership a right What does this right encompass What is the value of this right compared to other rights And if beneficial ownership is not a right is it still a legally relevant relation How do courts namely the U S Supreme Court deal with the concept When do Anglo American judges and European scholars resort to the concept This book approaches these questions from two perspectives legal fundamentals and the field of U S federal Indian law Both legal theories and case law are scrutinized with the aim to find a better understanding of the basic conception and characteristics of beneficial ownership Federal Indian law has been chosen for the study of the concrete implications of the beneficial ownership concept in what Roscoe Pound referred to as the law in action To some this choice of legal field might seem somewhat unusual What answers could federal Indian law possibly offer with regard to pressing questions from the financial industry As always there is a short and a long answer The short answer is that the analysis of an equally sophisticated field of law can open new perspectives on a given field of law For example not only potential criminals and tax evaders but also members of an older civilization are beneficial owners The long answer can be found in this very book
