Sg Sociology The Us In A Global Community:

Transnationalism and Genealogy Philip Q. Yang,2020-05-29 Transnationalism and genealogy is an emerging subfield of genealogy which intersects with other fields The last two to three decades have witnessed a significant growth in this subfield especially in the areas of transnationalism and family arrangements transnational marriage transnational adoption transnational parenting and transnational care for elderly parents However large gaps remain especially with regard to the impact of transnationalism on lineage In filling some lacunas in the current literature Transnationalism and Genealogy represents an initial attempt to frame the relationship between transnationalism and genealogy The articles included in this book cover various aspects of transnationalism and genealogy from historical periods until the present with perspectives from anthropology sociology history and African studies The topics stretch from transnationalism and the emancipation of black kinship to the transformation of a Chinese immigrant family from traditional to transnational as well as the impact of this transformation on its family relations and lineage a family history of transnational migration across four nation city states in four generations the role of social media platforms Facebook in particular in facilitating transnational care chains in the Trinidadian diasporic community and a comparison between Chinese immigrants in the United States and Singapore in transnational parenting The introductory essay offers a laconic assessment of the subfield of transnationalism and genealogy

Singapore Garry Rodan, 2017-07-12 This title was first published in 2001 A collection of valuable previously published essays analyzing the major social dynamics shaping the increasingly complex society economy and polity of contemporary Singapore Topics range from ideology and culture to the character of the state and its institutions and the possibilities for political reform Contemporary Chinese Diasporas Min Zhou, 2017-09-15 This book focuses on International migration among the Chinese long before European colonists set foot on the Asian continent Long before European colonists set foot on the Asian continent the Chinese moved across sea and land seasonally or permanently to other parts of Asia and the rest of the world to pursue economic opportunities and alternative means of livelihood This volume addresses the new Chinese diasporas around the world offering a snapshot of the cosmopolitan and shifting nature of Chinese population dynamics from the perspectives of anthropologists sociologists and scholars of international studies International Handbook of Rural Demography László J. Kulcsár, Katherine J. Curtis, 2011-12-15 This is the third in an essential series of Springer handbooks that explore key aspects of the nexus between demography and social science With an inclusive international perspective and founded on the principles of social demography this handbook shows how the rural population which recently dropped below 50 per cent of the world total remains a vital segment of society living in proximity to much needed developmental and amenity resources The rich diversity of rural areas shapes the capacity of resident communities to address far reaching social environmental and economic challenges Some will survive become sustainable and even thrive while others will suffer rapid depopulation This handbook demonstrates how these future development trajectories will vary according to local

characteristics including but not limited to population composition. The growing complexity of rural society is in part a product of significant international variations in population trends making this comparative and comprehensive study of rural demography all the more relevant Collating the latest research on international rural demography the handbook will be an invaluable aid to policy makers as they try to understand how demographic dynamics depend on the economic social and environmental characteristics of rural areas It will also aid researchers assessing the unique factors at play in the rural context and endeavoring to produce meaningful results that will advance policy and scholarship Finally the handbook is an ideal text for graduate students in a spread of disciplines from sociology to international development **Chinese Community In Singapore** Cheng Lian Pang, 2015-10-23 Singapore s success story is essentially a people story Singaporeans have good reason to celebrate the nation s golden jubilee with pride In the short space of five decades the country has moved from Third World to First and its real GDP has grown by 40 times For this phenomenal progress credit must go to its people the Republic's primary resource Against all odds and amidst dire predictions Singaporeans proved that a united and resourceful community could build a nation from scratch This book is dedicated to one segment of these Singaporeans the Chinese community In particular this collection of essays focuses on the Chinese speaking members of the community whose many contributions are less familiar to those brought up on a strict diet of the English language This celebratory book is divided into four broad categories The first section examines the major Chinese organisations and their contributions in the past five decades These include the Singapore Chinese Chamber of Commerce Industry the Singapore Federation of Chinese Clan Associations the Chinese Development Assistance Council and the Chinese Heritage Centre In addition it looks at the history and work of some of the social clubs and charitable organisations in the Chinese community The second section examines some community issues that have engaged the Chinese community in Singapore s first 50 years Two senior journalists and two academics review the evolution of the Chinese language the integration of new immigrants from China and the influence of Chinese religions The five essays in the third section trace the development of Chinese visual and performing art in the Republic The last section looks at the interactions between Singapore's Chinese community and China on the one hand and with the regional Chinese communities on the other The contributors of this salute to the Chinese community are have been directly involved or are passionate about the subjects of their essays Chinese Organisations Singapore Chinese Chamber of Commerce Industry Inextricably Linked to Singapore's Economic Miracle Fiona HU Ai Lan Singapore Federation of Chinese Clan Associations Revitalising Clan Associations PANG Cheng Lian The Chinese Development Assistance Council An Enriching Journey with a Self Help Group Gerald SINGHAM The Chinese Heritage Centre Putting Singapore on the Diaspora Map LEE Tang Ling Chinese Philanthropy Past and Present CHEW Kheng Chuan Chinese Social Clubs AU Yue Pak Community Issues The Evolution of the Chinese Language LEONG Weng Kam New Immigrants from China Boosting Bilateral Relations ZHOU Zhaocheng Chinese Religious Traditions in Singapore Buddhism
