critical scrutiny His oeuvre probably will never be fully determined because of collaboration numerous rewrites and the many unpublished and unproduced plays and scripts Author Robert F Gross here provides an immensely detailed record of the primary materials published and unpublished including plays filmscripts fiction and essays and of the critical response both reviews and analytical studies Focusing on Behrman as a dramatist Gross has written extensive plot summaries and critical overviews for each of fifty one plays Where applicable full production credits are given for premieres and revivals and references are made to reviews and commentary about specific productions as well as to the plays in general The annotated secondary bibliography is divided into chronologically organized sections for reviews and for books parts of books and articles Fully cross referenced the material is also accessible through an author index to the secondary bibliography and a general subject index In an opening appraisal Gross expresses his appreciation for Behrman whose high comedies he finds to be informed by a probing ethical conscience and whose goal of scrupulosity he emulates in his own work This scrupulous playwright is here given his due in a comprehensive sourcebook of value for theatre historians and theatre professionals
