Shakespeare in Shorthand Adele Davidson, 2009 The year 2008 marks the four hundredth anniversary of the first publication of *King Lear* and for four centuries the play has remained a consummate bibliographical mystery Winner of the 2007 Jay L Halio prize for best manuscript in Shakespeare studies *Shakespeare in Shorthand* demonstrates that many textual anomalies derive from the play's transcription in Elizabethan shorthand The shorthand system of John Willis Stenographie 1602 shows a high correlation with the unusual textual features found in the first quarto of *Lear* 1608 The patterns of variants in the quarto conform to Willis rules regarding the reduction of diphthongs and digraphs and the omission of aspirated doubled or unsounded letters In the past two decades the textual interrelation of quarto and folio 1623 *Lear* has proven one of the most contested issues in Shakespearean studies and an examination of Stenographie reveals that some of these textual differences result not from authorial revision but from transmission in abbreviated writing Bibliographical evidence also indicates that some textual omissions from the folio version are neither authorial nor theatrical but derive from the printing house

The Poet and the Fly Robert Hudson, 2020-07-28 Flies are the most ubiquitous of insects buzzing minuscule and seemingly insignificant they've been both plagues and minor annoyances for millennia Rather than ignore these incredibly mundane and seemingly insignificant creatures poets spanning centuries from the seventeenth to the twentieth and continents from North America to Asia have found that these ordinary bugs in fact illuminate deep spiritual mysteries In this revelatory book Robert Hudson considers seven poets each of whom wrote a provocative poem about a fly These poets all mystics in their own way ponder the simple fly and come to astounding conclusions Considering Emily Dickinson William Blake and several other poets *The Poet and the Fly* brings together the poetry the flies and the poets own lives to explore the imaginative and often prophetic insights that come from the startling combination of poetry and flies Ultimately the message each poet offers to us through the fly is as relevant today as it was in their own time the miracle of existence the gift of mortality the power of the imagination the need for compassion the existence of the soul the mystery of everything around us and the sacramental grace giving power of story Shakespeare's Other Son?
