

Graham Greene

Lord Rochester's Monkey

Lord Rochesters Monkey

Hywel Dix

Lord Rochesters Monkey:

Lord Rochester's Monkey Graham Greene, 1974 John Wilmot Second Earl of Rochester 1647 1680 was the most notorious of the Restoration rakes He was also a fine lyrical and satirical poet whose work in Graham Greene's opinion has been underestimated because it was overshadowed by his life of lechery and drunkenness wild pranks and practical jokes and death bed repentance At Court King Charles II suffered but respected Rochester's biting satires joined in some of his erotic escapades forgave his embarrassing japes and rewarded him with distinctions The heiress Elizabeth Mallet succumbed to his charm eloped with him and remained constant though not always happy throughout thirteen years of marriage Elizabeth Barry his favorite mistress owed to him her success on the stage and gained his sincere devotion Yet the last thirteen years of Rochester's short life were clouded by the fumes of drink and were marked by outrageous buffoonery an abortive duel and literary quarrels that threatened to wreck his undoubted gifts of friendship These notorious episodes no less than the religious scruples that culminated in his deathbed call to Dr Burnet in 1680 characterize the mental and psychological conflict which was the source of Rochester's finest poetry His friend Etherege depicted him in the stage character of Dorimant I know he is a Devil but he has something of the Angel yet undefaced in him Dust jacket **Lord**

Rochester's Monkey Graham Greene, 1976 **LORD ROCHESTER'S MONKEY** G. Greene, **Lord Rochester's Monkey** Graham Greene, 1976 **LORD ROCHESTER'S MONKEY; BEING THE LIFE OF JOHN WILMOT.** Graham Greene, 1974 **Graham Greene in the 1930s** Andrew Purssell, 2025-08-12 Graham Greene in the 1930s presents a major new reading of Greene's literary works and critical writings from the 1930s a period of increasing academic interest and importance Greene's works from this period encompass a wide range of forms genres and media capturing the richness and variety of British literary culture between the wars they also reveal its urgent preoccupations and challenges such as the era defining concern with the relationship between politics and art and a corresponding fascination with modernity and mass culture as well as the shifting status of literature itself during the first true media age Graham Greene in the 1930s investigates this major twentieth century author's less considered early works in their original literary historical contexts and in the context of new critical approaches to the decade's literature and culture from the reconsideration within modernist studies of the kinds of interwar writing with its characteristic movement between genres and experimentation typified by early Greene to the current focus on the long 1930s which has seen the decade repositioned at the heart of twentieth century British literary history This book establishes the compelling intersections between early Greene and the literature of the 1930s It puts Greene at the centre of an era of profound and continuous transition and of a remarkable period in twentieth century literary history **Graham Greene** A. F. Cassis, 1981 Covers fifty years of criticism of Graham Greene a leading man of letters on the English literary scene **That Second Bottle** Nicholas Fisher, 2000-12-15 This book focuses on the historical and current place of religion in the Irish education system from the perspective of children's rights and citizenship

It offers a critical analysis of the political cultural and social forces that have shaped the system looking at how the denominational model has been adapted to increased religious and cultural diversity in Irish society and showing that recent changes have failed to address persistent discrimination and the absence of respect for freedom of conscience It relates current debates on the denominational system and the role of the State in education to competing narratives of national identity that reflect nationalist communitarian or republican political outlooks This book will be essential reading for students and researchers in the fields of education policy and Church State relations in Ireland and will also engage non academic audiences with an interest or involvement in Irish education Graham Greene Robert H. Miller,2014-07-11 English

novelist short story writer playwright and journalist Graham Greene was one of the most widely read novelist of the 20th century a superb storyteller Adventure and suspense are constant elements in his novels and many of his books have been made into successful films Although Greene was nominated several times as a candidate for the Nobel Prize for Literature he never received the award Graham Greene is a descriptive catalog of first editions of works by Greene which are currently held in the collection of the University of Louisville Arranged chronologically by title Robert H Miller also includes letters radio scripts pamphlets and subsequent editions of importance and scarcity *Blazing Star* Alexander Larman,2014-07-03

He was THE WICKEDEST MAN ALIVE He went to Oxford University at the age of 12 He slept with his first prostitute at 13 He was an alcoholic by 14 He was imprisoned in the Tower at 18 He was acclaimed a war hero at 19 He died of syphilis at the age of 33 He was English history s first celebrity He was John Wilmot 2nd Earl of Rochester Poet dandy and libertine BLAZING STAR is a compelling portrait of a remarkable and complex man and of a cultural golden age that often spilled over into depravity *The Battle of All The Ages* J. D. Davies,2018-05-07 Who do you turn to when there s no one left to trust

Epic sea battles and treasonous betrayals In the heat of a gigantic battle against the Dutch the English fleet is mysteriously divided A large portion of their resources is sent to meet a French threat which never materialises Thousands are slaughtered Could there be a traitor in the Royal Navy As popular fury erupts Captain Matthew Quinton is given the unenviable task of uncovering the enemy within Heads must roll Sent to find source of this false intelligence in pirate infested Plymouth Quinton is dismayed when all evidence seems to point to an old friend Fans of Patrick O Brian s Master and Commander will love the fifth instalment of the Matthew Quinton Journals Great naval fiction Hornblower Aubrey and Quinton a pantheon of the best adventures at sea Conn IgguldenThe Matthew Quinton Journals 1 Gentleman Captain 2 The Mountain of Gold 3 The Blast that Tears the Skies 4 The Lion of Midnight 5 The Battle of the Ages 6 The Rage of Fortune 7 Death s Bright Angel 8 The Devil Upon the Wave **Rochester and the pursuit of pleasure** Larry D Carver,2024-06-18

Rochester and the pursuit of pleasure provides a reading of Rochester s poems dramatic works and letters in a biographical context In doing so it sheds light on a central vexed issue in Rochester criticism the relationship of the poet to his speaker It also reveals that Rochester s work clusters about a central theme the pursuit of pleasure a pursuit motivated by a courtship

of purity that grew out of Rochester's Christian and God-fearing upbringing. This rhetoric of courtship in turn reveals the unity of Rochester's work as the courtier and his various personae try to persuade his audiences secular and divine of his worth.

The Unquiet Englishman Richard Greene, 2021-01-12 A Finalist for the 2022 Edgar Award A Washington Post Best Nonfiction Book of the Year A vivid, deeply researched account of the tumultuous life of one of the twentieth century's greatest novelists, the author of *The End of the Affair*. One of the most celebrated British writers of his generation, Graham Greene's own story was as strange and compelling as those he told of Pinkie, the Mobster Harry Lime, or the Whisky Priest. A journalist and MI6 officer, Greene sought out the inner narratives of war and politics across the world he witnessed: the Second World War, the Vietnam War, the Mau Mau Rebellion, the rise of Fidel Castro, and the guerrilla wars of Central America. His classic novels, including *The Heart of the Matter* and *The Quiet American*, are only pieces of a career that reads like a primer on the twentieth century itself. *The Unquiet Englishman* braids the narratives of Greene's extraordinary life. It portrays a man who was traumatized as an adolescent and later suffered a mental illness that brought him to the point of suicide on several occasions; it tells the story of a restless traveler and unfailing advocate for human rights exploring troubled places around the world; a man who struggled to believe in God and yet found himself described as a great Catholic writer; it reveals a private life in which love almost always ended in ruin alongside a larger story of politicians, battlefields, and spies. Above all, *The Unquiet Englishman* shows us a brilliant novelist mastering his craft. A work of wit, insight, and compassion, this new biography of Graham Greene, the first undertaken in a generation, responds to the many thousands of pages of letters that have recently come to light and to new memoirs by those who knew him best. It deals sensitively with questions of private life, sex, and mental illness, and sheds new light on one of the foremost modern writers.

Graham Greene and the Politics of Popular Fiction and Film B. Thomson, 2009-08-26 One of the most popular, respected, and controversial writers of the twentieth century, Greene's work has still attracted relatively little scholarly comment. Thomson charts the intricate dance between his novels and screenplays, his many audiences, and an intellectual establishment reluctant to identify the work of a popular writer as literature.

Postmodern Fiction and the Break-Up of Britain Hywel Dix, 2011-11-03 A monograph analysing the symbolic role played by contemporary fiction in the break-up of political and cultural consensus in British public life.

Dangerous Edges of Graham Greene Dermot Gilvary, Darren J. N. Middleton, 2011-11-17 Informative, broad-ranging, this title sheds new light on the life and literary art of one of the last century's most celebrated authors. The first volume to be authorized by the Graham Greene Birthplace Trust, *Dangerous Edges of Graham Greene* brings together writers, journalists, and scholars to investigate, as well as to assess, Greene's prolific oeuvre and intense personal interests. Here the reader may explore everything from Greene's Vienna at the time of the filming of *The Third Man* to his sometimes fraught relationship with Evelyn Waugh, from Greene's unconventional fictional treatment of women to his believing skepticism. While Greene often informed friends that a ruling passion gives to a shelf of novels the unity of a system, critics of

his literary art have found it extraordinarily difficult to define the content of this ruling passion Perhaps this is because Greene's own character seems so paradoxical ironic even Moreover in believing that sin contains within itself the seeds of saintliness he consistently loiters on what Robert Browning calls the dangerous edge of things In exploring this dangerous edge this book covers the full breadth of Greene's life and literary career John Wilmot, Earl of Rochester Germaine Greer, 2000 Written by a renowned scholar and broadcaster this account of Wilmot's work strives to place it in its socio-political context and describe the way the poet and his work were co-opted after his premature death to serve contrasting political agendas Literary Milieux David Womersley, Richard Anthony McCabe, 2008 The essays range from Shakespeare and early modern literature to Wordsworth They evince scrupulous care over the handling of evidence an interdisciplinary impulse yoked always to a prizing of the literary particularly the poetic a willingness to embrace an ambitious argument where it can be supported a humaneness of temper particularly in polemic Latent within them all is a wrestling with the central problem of text and context BOOK JACKET Naughty Boys: Ten Rogues of Oxford Rob Walters, 2009-12-08 This book will take you on a journey a journey through Oxford and a journey through the lives of ten roguish males All of the men have at least two things in common a strong association with Oxford and some claim to be a rogue They are all famous in some way or another some tending towards infamy All but one has spent time at one of Oxford's famous colleges though only a few obtained an academic award during their stay in the city The stories in this book are rich in human interest from the sexual romps and salacious poetry of Lord Rochester to the elopements and romantic poetry of Percy Shelley From the marriages and drinking of actor Richard Burton to the expulsion and explorations of his Victorian namesake Sir Richard Burton From the trail of whoring and infidelity of author Graham Greene to the double talk and double dealings of ex-president Bill Clinton From the drug dealing and identity fraud of Howard Marks to the claims of William Davenant to be the son of Shakespeare From the greed and arrogance of Robert Maxwell to the addictive gambling of the author of *The English Rogue* Richard Head The devil would have to cast his net very widely to entrap this lot though they could all be found within the intriguing streets and eminent buildings of Oxford at some time in their lives Those lives are linked by the locations that most characterised their stay in Oxford thus creating a unique trail through the city of dreaming spires and an opportunity to stop and wonder at the buildings that grace its golden heart The men of this book are as complex as the city their characters forming a patchwork upon which to establish a trail that is quite unique Their lives are differently characterised by aesthetics creativity humour intoxication romance licentiousness avarice desire ambition daring and lawlessness And through them all runs this roguish streak a trait that charms forgiveness from those who are damaged by them though not always Like the streets of Oxford rogues can turn A charming alleyway can become the scene of a rape a poet can suddenly take out a loaded pistol A friendly pub can suddenly become the scene of a riot a night of love can be the seed of a wasting disease A leafy tree can fall and crush a beautiful young woman a happy drunk can become a pugilist It is this edge that makes a rogue

dangerous to live with yet interesting to read about *Libertines and Harlots* Norman Milne, 2014-08-25 One of the clubs explored in this book is The Calf's Head Club who celebrated the death of Charles I every year on the 30th January A book of this nature would also be incomplete without the Earl of Rochester the Duke of Wharton Sir Francis Dashwood and Charles II who loved nothing more than a leg of mutton and a whore In the 18th century the notorious members of the Hell Fire Clubs the Knights of St Francis and the Demoniac Club all fornicated around Scotland England and Ireland However out of all the clubs in the 18th century that were in and out of vogue the Beggar's Benison in the kingdom of Fife had to be the strangest Their initiation ritual was rather bizarre and for most people unthinkable to say the least Norman was born in Edinburgh on the 21st July 1961 At sixteen Norman went into the sheet metal working industry He has also worked as a registered silversmith with Edinburgh Assay Office been a bouncer a tour guide and has lectured on Scottish history In 2001 he decided to accomplish something more arduous He studied part time at the Open University for two years then at Edinburgh Napier University full time for four years Norman's academic achievements are a certificate in social science an LLB Bachelor of Laws and an MSc in Business Management Both degrees inspired Norman to write his first book *Scottish Culture and Traditions* which was published in 2010 ISBN 978 1 899820 79 5 His other interests are the restoration of classic motorbikes cooking history and trying to play the violin He is currently a 5th Dan in Shotokan Karate and has taught adults and children for nearly thirty years
