Lords Of The Khyber The Story Of The North West Frontier:

Lords of the Khyber André Singer, 1984-01-01 Recounts the British attempts to conquer the Pushtuns of Afghanistan and offers profiles of the tribal leaders and their British foes *Empire and Tribe in the Afghan Frontier Region* Hugh Beattie, 2019-09-19 Waziristan a region on the border between Afghanistan and Pakistan has in recent years become a flash point in the so called War on Terror Hugh Beattie looks at the history of this region examining British attempts to manage the tribes from 1849 until Pakistan's declaration of independence in 1947 He explores British attempts to divide the frontier region into separate British and Afghan spheres of influence In the minds of British policymakers this demarcation would secure the position of the Empire and so Beattie highlights the various policy initiatives towards the frontier region over the period in question Crucially he analyses how the British perceived the local tribes what constituted authority within tribal frameworks and the military and political ramifications of these perceptions As he also explores the contemporary relevance of this region taking into account the resurgence of the Taliban in Waziristan Beattie's analysis is vital for those interested in the history and security implications of the Afghan frontier with Pakistan The Army in India and the Development of Frontier Warfare, 1849-1947 T. Moreman, 1998-08-10 This comprehensive study is the first scholarly account explaining how the British and Indian armies adapted to the peculiar demands of fighting an irregular tribal opponent in the mountainous no man's land between India and Afghanistan It does so by discussing how a tactical doctrine of frontier fighting was developed and passed on to succeeding generations of soldiers As this book conclusively demonstrates this form of colonial warfare always exerted a powerful influence on the organisation equipment training and ethos of the Army in India *The Khyber Rifles* Jules Stewart, 2006-06-22 Recruited from the Pathan tribes that live in the no mans land between Pakistan and Afghanistan the Khyber Rifles fought for the British Raj against their own kith and kin Jules Stewart tells the story of Colonel Sir Robert Warburton the man who raised the Khyber Rifles in 1878 and describes the Khyber Rifles in action **The Return of a King** William Dalrymple, 2013-01-01 In 1839 18 000 British troops marched into Afghanistan Three years later only one man emerged to tell the tale A towering history of the first Afghan war by bestselling historian William Dalrymple *Hero of the Empire* Candice Millard, 2017-05-30 From the bestselling author of *Destiny of the Republic* this thrilling biographical account of the life and legacy of Winston Churchill is a nail biter and top notch character study rolled into one The New York Times At the age of twenty four Winston Churchill was utterly convinced it was his destiny to become prime minister of England He arrived in South Africa in 1899 valet and crates of vintage wine in tow to cover the brutal colonial war the British were fighting with Boer rebels and jumpstart his political career But just two weeks later Churchill was taken prisoner Remarkably he pulled off a daring escape traversing hundreds of miles of enemy territory alone with nothing but a crumpled wad of cash four slabs of chocolate and his wits to guide him Bestselling author Candice Millard spins an epic story of bravery savagery and chance encounters with a cast of historical characters including Rudyard Kipling Lord Kitchener and

Mohandas Gandhi with whom Churchill would later share the world stage But Hero of the Empire is more than an extraordinary adventure story for the lessons Churchill took from the Boer War would profoundly affect twentieth century history Look for Candice Millard s latest book *River of the Gods* *Armies of the Raj* Byron Farwell,1989 With a profusion of anecdotes conveying the character of India under British rule Farwell offers a panoramic survey of the Indian army during the 90 years between the Sepoy Revolt and the births of independent India and Pakistan

Afghanistan and the Defence of Empire Christopher M. Wyatt,2011-02-20 At the height of the Great Game in Central Asia in the run up to World War I and the aftermath of the second Afghan War the region of Afghanistan became particularly significant for both Great Britain and Russia Afghanistan and the Defence of Empire explores the relationship between British and Afghan rulers during the crucial period of the reign of Amir Habibullah Khan as the British sought to safeguard their Indian Empire from the threat of Imperial Russia With Russia s defeat at the hands of the Japanese in 1905 and the rise of Germany as a superpower the need to end the rivalry took on the utmost importance efforts which culminated in the signing of the Anglo Russian Convention in 1907 As the history of Afghanistan becomes ever more crucial for the understanding of its present military and political situation this book will be of vital interest for students of History Central Asian Studies Military History and International Relations

Cultural Anthropology of the Middle East ,1992 During the last two decades the number of anthropological studies on the Middle East has increased exponentially This partially annotated bibliography offers a comprehensive survey of studies written in English French and German and covers the period from 1965 to 1987

ISLAM'S PEACEFUL WARRIOR: ABDUL GHAFFAR KHAN Jeanne E. Gendreau,2013-12-20 Is violence Islam s true message No said the great Muslim leader Abdul Ghaffar Khan Islam s Peaceful Warrior Abdul Ghaffar Khan tells the true story of Khan s amazing life A close colleague of Mahatma Gandhi Ghaffar Khan founded a popular movement of nonviolent Muslims in South Asia In a profound spiritual victory many of his followers chose to die rather than fight when confronted He taught that being Muslim means never hurting another person that men and women are equal and that God gives victory to those who refuse to fight Today this is a message the world longs to hear

Afghanistan'S Experiences Hamid Hadi M.D,2016-03-31 Afghanistans Experiences is a sweeping analysis of the historic events and interplay between politics religion and terrorism in Afghanistan the southeastern region of the country and beyond The author has vividly explained the origin and the rise of Taliban to power one of the most important sources of turmoil in contemporary time Thus one can perceive how the dynamics of the sinister politics religious extremism and terrorism has culminated in avoidable brutal wars and human tragedies Hamid Hadi has vividly described and put into political debate Afghanistans history the implications of the Russian invasion of Afghanistan the Americans the Pakistanis and Saudis role in the civil war and the creation of the al Qaeda that led to the 9 11 tragedy In a unique research and analysis the author has examined the acts of Islamic terrorists against the American people and institutions during the last 176 years and brilliantly deduced that the Russian invasion of Afghanistan was a watershed

era in the formation of contemporary terrorism and that the failure of both superpowers foreign policy in Afghanistan to a great extent has resulted in growth of the terrorist network Besides a detailed description of the 9 11 tragedy and Iraq war Hamid Hadi has painstakingly brought the world religions and Abrahamic religions in particular into debate and discussed the reform of the Islamic faith Cultural Anthropology of the Middle East, A Bibliography, Volume 1 Cultural Anthropology of the Middle East 1965-1987 Strijp,2021-12-06 During the last two decades the number of anthropologists conducting research in the Middle East has increased considerably Together they have produced an abundance of valuable studies often based on prolonged periods of ethnographic fieldwork This bibliography offers a comprehensive survey of their results published between 1965 and 1987 It refers to studies published in English French and German Geographically the bibliography covers the area from Mauritania in the West to Afghanistan in the East and from Turkey in the North to the Arab Peninsula and Northern Sudan in the South The majority of studies inserted has been written by anthropologists Besides a considerable number of studies related to anthropology but published by non anthropologists has been integrated as well The majority of the monographs and volumes has been annotated **Khyber, British India's North West Frontier** Charles Miller,1977 The Author Takes The Reader With Him From The First Tentative Approach By The British Their Embroilment With Pathans And Afridis Up To The Present When Kabul And Peshwar Seem To Entice The Adventurous Tourists The Butcher of Amritsar Nigel Collett,2006-10-15 On 13 April 1919 General Reginald Dyer marched a squad of Indian soldiers into the Jallianwala Bagh in Amritsar and opened fire without warning on a crowd gathered to hear political speeches This is an account of the massacre set in the context of a biography of a man whose attitudes reflected many of the views common in the Raj **State and Tribe in Nineteenth-Century Afghanistan** Christine Noelle,2012-06-25 With the exception of two short periods of direct British intervention during the Anglo Afghan Wars of 1839 42 and 1878 80 the history of nineteenth century Afghanistan has received little attention from western scholars This study seeks to shift the focus of debate from the geostrategic concern with Afghanistan as the bone of contention between imperial Russian and British interests to a thorough investigation of the sociopolitical circumstances prevailing within the country On the basis of unpublished British documents and works by Afghan historians it lays the groundwork for a better understanding of the political mechanisms at work during the early Muhammadzai era by analysing them both from the viewpoint of the center and the periphery Khyber Mohammad Nawaz Khan,2004 Anderson's Travel Companion Compiled by Sarah Anderson,2016-12-05 A selection of the best in travel writing with both fiction and non fiction presented together this companion is for all those who like travelling like to think about travelling and who take an interest in their destination It covers guidebooks as well as books about food history art and architecture religion outdoor activities illustrated books autobiographies biographies and fiction and lists books both in and out of print Anderson's Travel Companion is arranged first by continent then alphabetically by country and then by subject cross referenced where necessary There is a separate

section for guidebooks and comprehensive indexes Sarah Anderson founded the Travel Bookshop in 1979 and is also a journalist and writer on travel subjects She is known by well known travel writers such as Michael Palin and Colin Thubron Michael Palin chose her bookshop as his favourite shop and Colin Thubron and Geoffrey Moorhouse among others made suggestions for titles to include in the Travel Companion
