John Alfred Victor Hannaford, 2004 **Singing the Lord's Song in a Strange Land** John Vernon McGee, 1972 How Can We Sing the Lord's Song in a Strange Land? A Missionary Sermon ... John Murray Wilkins (A.M.), 1853 Motivational Speaker 3 Tilawan, 2012-10-26 There are some things when we miss them in life it won't matter what else we gained There are some things when we gain them it won't matter what else we missed and no greater wisdom can we discover than this and the greatest wisdom is to discover our purpose in life The day you discover God's

purpose for your life you will cease to be using your your efforts but His You will no longer use your strength but His You will no longer be using your wisdom in what you are doing but His You will no longer use your approach to issues of your life but His for you have discovered His assignment for your life Your assignment in life is never far from you but it could be far from your focus Always change your focus to discover what is God s purpose for your life Wealth is not your purpose it is a slice of it Fame is not your purpose it is a slice of it Power is not your purpose it is a slice of it and until you discover your purpose the slices will keep distracting you from God s plan for your life Let no attraction either the attractions of money fame or power distract you from pursuing your purpose in life The attractions that cannot distract you at the early stage of your struggles in discovering your purpose in life will serve you at its later stage Trying to do like everybody else might not be your purpose Trying to do what people like may not be your purpose Trying to do as you are told may not be your purpose Trying to to impress the people around you may not be your purpose Discovering your purpose in life will give you a picture of where your tomorrow will be It will give you the right mentality to achieving a breakthrough in life Because whenever the journey of your struggles starts to bog down you cannot breakthrough with the wrong mentality that sees you from a picture of where you found yourself You can only go forward with a right mentality of the picture of where your tomorrow will be And when tomorrow comes and you see yourself in great victory you will then realise that what is needed is not to thank God for answered prayers but to apologise to Him for the times we go about in behaviours that shows He was not faithful to us A feeling in actions and activities that shows He might not really have cared about our situation I came to the point that I planned to stop the show for the day My dear listeners always have a positive attitude to whatever you are going through in life and keep to the path and action that will carry you to your victory in life You can t get an answer by following a formula half way You can t get an answer by following a formula the wrong way The formula ensures that we do away with anything that is stopping us from achieving our victory in life Most times it is the presence of some little things that is denying the coming of some wonderful things in our lives HE CHANGES PEOPLE S LIVES THROUGH HIS MOTIVATIONAL Psalm Culture and Early Modern English Literature Hannibal Hamlin,2004-02-05 Psalm Culture and Early Modern English Literature examines the powerful influence of the biblical Psalms on sixteenth and seventeenth century English literature It explores the imaginative beautiful ingenious and sometimes ludicrous and improbable ways in which the Psalms were translated from ancient Israel to Renaissance and Reformation England No biblical book was more often or more diversely translated than the Psalms during the period In church psalters sophisticated metrical paraphrases poetic adaptations meditations sermons commentaries and through biblical allusions in secular poems plays and prose fiction English men and women interpreted the Psalms refashioning them according to their own personal religious political or aesthetic agendas The book focuses on literature from major writers like Shakespeare and Milton to less prominent ones like George Gascoigne Mary Sidney Herbert and George Wither but it also explores the adaptations of the Psalms in musical settings emblems
