own These only probably because of the gifts and fiestas then made upon the whole rancho Perhaps I didn't little sister but neither did you or you'd never have said geeses nor teached Both of us was wrong weren't we returned the girl with as fine a disregard of grammar as of ill temper We'll be more tentative when our father comes home won't we When will that be Carlos It was a perplexing question and the boy put it aside as he put all difficulties until a more convenient season Crossing his arms above his head he gazed unblinkingly upward into the brilliant sky proposing Let's find things in the clouds Carlota I see a ship I do truly It's just like the pictures in the books All its sails are set and flying Oh can't you see Right there There it's moving northward fast fast It might be the ship in which our father will come home He meant to comfort her but Carlota would not look up She could not The sunbeams made prisms of the teardrops on her lashes and blinded her She buried her face in the grass to escape these tiny rainbows and all at once fell to sobbing bitterly Carlos hated that He hated anything dark or unhappy He sat up and patted his sister's shoulder soothingly entreating There don't Don't girlie Our father wouldn't like it if he should come home now this minute and find you crying The words were magic Carlota sprang to her feet and earnestly peered into the distance crying Is he Do you see him brother Do you Carlos also leaped up and threw his arm about her waist I didn't say that did I I only said if I don't like ifs sobbed Carlota Oh Carlota don't cry You shall not If you do I will go away myself to the northwest to find my father Oh let's I said I Not you Girls never go anywhere because they always cry If it hadn't been for that my father might have taken me with him You see he couldn't take you on account of it and he couldn't leave you at home with only Marta and the men for then that would make more tears So I had to stay to take care of you and I do think if I were a girl the very first thing I would do I wouldn't cry Criers never have real good times I guess This was logic and from Carlos whom Carlota idolized only less than their absent father most convincing She winked very fast and drew her sleeve across her eyes to dry the drops which would not be shaken off
