*Fabulous Jelly: Use Your Brain to Lose Weight* Susannah Healy, 2013-09-06 We all know what we should be eating and diet gurus abound yet over 40% of the population is still overweight. Why? Because most of us find it so damn difficult to get in the zone long enough to stick to a new eating plan that we really couldn't be bothered. In *Fabulous Jelly*, author and psychologist Susannah Healy describes the triumphs and failures of her own weight loss, including an absolute fortune spent on rejoining weight loss clubs before she learned to use her own professional experience to design a plan that worked for her. Now two stone lighter, Susannah shares her secrets about how to get your brain to work with and not against you in weight loss, using research from neuroscience and cognitive and behavioural psychology. Susannah shares her eating plan that will get you motivated and provide results. This book is not a life-long eating plan, but it will kick start your weight loss, give you the motivation to keep going, and stop all the rubbish clichés about completely new you that are sabotaging your weight loss goals. It's a fact: frozen veg are the new avocado.

**Lose It Fast, Lose It Forever** Pete Thomas, 2012-09-13 Foreword by Jillian Michaels One of the most successful contestants on NBC's *The Biggest Loser* shares his time-tested fitness program, which has helped hundreds of his students lose weight and keep it off. Pete Thomas weighed more than 400 pounds when he landed on the NBC hit reality show *The Biggest Loser*. Nine months later, he won the 100,000 prize after losing a whopping 185 pounds. Determined to help others, he now teaches a weight loss program that has led to lasting results in hundreds of students from all walks of life. In *Lose It Fast, Lose It Forever*, he makes his phenomenal four-step process available to everyone. Raised in and out of foster care because of his mother's mental illness, Thomas knew the pain of physical and emotional hunger throughout his childhood. This has given him special insight as a weight loss coach, and his turnaround is a remarkable testament to his program. These fundamentals provide lasting results: start with a commitment to lose just one pound at a time, create transformational life changes in your mind, mouth, and muscles, get rid of even those last few pesky extra pounds, and learn how to maintain a lifetime of fitness and health. Easy-to-implement action steps will keep readers motivated. With recent achievements that include completing two triathlons and delivering the keynote address at the National Congress on Obesity, Thomas's inspiring story will help all readers discover the winner within.

*How To Lose Weight In 17 Weeks - Healthy Living* Gurnam Sangha, 2024-05-17 If you want to lose weight naturally without paying thousands of dollars, then this is the book for you. It's a way to live a healthy lifestyle by losing weight and have your dream body naturally. Before we dive into the book to explore habits to lose weight, I just wanted to make sure that you know that if this book is the right book for you or not. First of all, I want to say this book is for weight loss, as you know by the title of this book, but it is only for those people who are really serious about losing weight and not just want to lose weight but also like to maintain their health and weight for a longer period of time and not for the short term. If you are looking for a short-term weight loss program, then you

can also use this book as a helping guide but This book is for those people who are determined to lose their weight not magically overnight but by adopting a lifestyle that will remain with them throughout life If you are willing to adopt a healthy lifestyle and willing to open for new knowledge and apply in your daily life then you should definately buy and read this book
