

Dealing with Loss and Change

Helping children deal with change, loss or grief is very challenging. Having activities where the children are given opportunities to express themselves can help with the healing process and give them a strategy to begin to deal with their loss.

Most of these activities are designed to work in small groups or 1-to-1, although the memory tree can work with larger groups.

Memory Tree

This activity is designed for use when a large group, or even a whole class, of children may have suffered a loss. Create a tree with the children, including a trunk and branches. Each child then takes a leaf and writes or draws something on it, which could be a memory, a feeling or anything else the children might want to express.

Memory Book

Children create a 'scrapbook' which contains their memories, thoughts and feelings. They can put a picture or photograph on the front and then add whatever they want inside. Ideas can be suggested to the children but it should be led by them.

They might:

- Draw pictures
- Use photographs
- Write a letter
- Have pages for different things (e.g. interests, places, foods, etc)
- Make a family tree
- Collect memories from other people

This activity could be extremely helpful for children experiencing change or loss. They will probably want to talk about the things they are adding, making this invaluable.

Memory Box or Jar

These work in the same way as the memory book except that objects can also be added. These can be personal artefacts or anything else that the child wishes to put inside. Jars can be filled with shells or pebbles which represent different memories. The children could write or draw on the pebbles and use them to represent their thoughts and memories.

Memory Bracelet

A memory bracelet is created using beads that represent different things for the children. It's a good idea to have a selection of beads in different colours or shapes so the children can select ones to hold separate meanings or memories. When discussing change, the bracelet could be made up of 'things they miss' as well as 'positive' aspects of the change (e.g. if they've moved school, they could make new friends). Children receiving medical intervention are sometimes given bracelets, with beads representing each treatment they've been given.

Loss And Change:

Loss And Change: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
