Lost colony Paul Green,1954 The Lost Colony ; a Symphonie Drama of American History Paul Green,1954 **The Lost Colony** Roanoke Island Historical Association,1966 The Federal Theatre Project in the American South Cecelia Moore,2017-09-26 The Federal Theatre Project in the American South introduces the people and projects that shaped the regional identity of the Federal Theatre Project When college theatre director Hallie Flanagan became head of this New Deal era jobs program in 1935 she envisioned a national theatre comprised of a network of theatres across the country A regional approach was more than organizational it was a conceptual model for a national art Flanagan was part of the little theatre movement that had already developed a new American drama drawn from the distinctive heritage of each region and which they believed would collectively illustrate a national identity The Federal Theatre plan relied on a successful regional model the folk drama program at the University of North Carolina led by Frederick Koch and Paul Green Through a unique partnership of public university private philanthropy and community participation Koch had developed a successful playwriting program and extension service that built community theatres throughout the state North Carolina along with the rest of the Southern region seemed an unpromising place for government theatre Racial segregation and conservative politics limited the Federal Theatre s ability to experiment with new ideas in the region Yet in North Carolina the Project thrived Amateur drama units became vibrant community theatres where whites and African Americans worked together Project personnel launched The Lost Colony one of the first so called outdoor historical dramas that would become its own movement The Federal Theatre sent unemployed dramatists including future novelist Betty Smith to the university to work with Koch and Green They joined other playwrights including African American writer Zora Neale Hurston who came to North Carolina because of their own interest in folk drama Their experience told in this book is a backdrop for each successive generation s debates over government cultural expression art and identity in the American nation **A Lost Colony Hoax** Brandon Fullam,2021-11-02 On November 8 1937 a tourist from California named L E Hammond walked onto the campus of Emory University in Atlanta Georgia carrying a 21 pound rock he had accidentally stumbled upon in North Carolina The barely legible inscription on the rock appeared to be a lengthy message from Eleanor Dare mother of Virginia Dare and it was dated 1591 The inscription told of the trials and tribulations endured by the English colonists after their departure from Roanoke Island in 1587 The authenticity of that stone commonly referred to as the Chowan River Dare Stone has remained an open question since its appearance in 1937 Carefully researched and documented this book finally provides conclusive evidence that the Chowan River Dare Stone is a clever 20th century fraud In doing so the book also tells the fascinating story of the Dare Stone and exposes the orchestration of the hoax and its shadowy perpetrators Lost Colony Murder on the Outer Banks, The: Seeking Justice for Brenda Joyce Holland John Railey,2021 In the summer of 1967 nineteen year old Brenda Joyce Holland disappeared She was a mountain girl who had come to Manteo to work in the outdoor drama
