Rhodes, Robert Singer, 2024-09-16 Contributions by Vlad Dima Laura Hatry Alicia Kozma Lynette Kuliyeve Madhuja Mukherjee Frank Percaccio Gary D Rhodes Courtney Ruffner Grieneisen Marlisa Santos Michael L Shuman and Robert Singer Movie posters regardless of their country of origin have become indelibly linked with the films they represent often assuming a status as visual encapsulations of films within collective memory Long after their initial role in promotion is complete these posters endure as iconic images etched into film history and cultural consciousness One can hardly hear mention of Steven Spielberg's landmark production Jaws for example without immediately picturing the evocative poster art of Roger Kastel *Film by Design The Art of the Movie Poster* is a groundbreaking and comprehensive exploration of the international and Hollywood movie poster as a dynamic artistic and cultural formation Drawing inspiration from such prominent genres as horror science fiction and noir the twelve essays in this collection provide insightful analyses of the movie poster as a vital component of the cinematic landscape from the silent era to the contemporary period Crucially this anthology rejects the notion of movie posters as mere historical artifacts or advertising tools and instead examines them as integral parts of a broader aesthetic framework interwoven into their respective film narratives Each chapter whether focusing on controversies close-ups or Cuba is accessible to scholars students and fans alike Through its intervention in film studies *Film by Design* reveals the movie poster to be an ever-evolving medium firmly grounded in both theory and practice while serving as an essential and enduring element within the realm of film art **Heritage Vintage Movie Posters**

Signature Auction #603, *Peace and Resistance in Youth Cultures* Siobhan McEvoy-Levy, 2017-12-21 This book offers a rationale for and ways of reading popular culture for peace It argues that we can improve peacebuilding theory and practice through examining popular culture's youth revolutionaries and their outcomes from their digital and plastic renderings to their living embodiments in local struggles for justice The study combines insights from post-structural post-colonial feminist youth studies and peace and conflict studies theories to analyze the literary themes political uses and cultural impacts of two hit book series Harry Potter and The Hunger Games tracing how these works have been transformed into visible political practices including social justice advocacy and government propaganda in the War on Terror Pop culture production and consumption help maintain global hierarchies of inequality and structural violence but can also connect people across

divisions through fandom participation Including chapters on fan activism fan fiction Guantanamo Bay detention center youth as a discursive construct in IR and the merchandizing and tourism opportunities connected with The Hunger Games the book argues that through taking youth oriented pop culture seriously we can better understand the local global and transnational spaces discourses and the relations of power within which meanings and practices of peace are known negotiated encoded and obstructed
