

The background is a soft-focus photograph of a beach at sunset. The sun is low on the horizon, creating a warm, golden glow. In the foreground, a dark, reflective sphere sits on the sand, mirroring the sunset colors. To the left, there are faint, ethereal, light-colored floral and leaf-like graphics that appear to be floating or blowing in the wind. The overall mood is contemplative and serene.

Loving Justice, Living Shakespeare Regina Mara Schwartz, 2016-11-17 In thinking about Justice we ignore Love to our peril Loving Justice Living Shakespeare asks why love is considered a soft subject fit for the arts and religion perhaps but unfit for boardrooms parliamentary and congressional debates law schools and courtrooms all of whom are engaged in the serious discourse of justice including questions of distribution questions of contract and questions of retribution Love is separate out of order in the decidedly rational public sphere of justice But for all of this separation of love and justice it turns out that in the biblical tradition no such distinction is even imaginable The biblical law is summed up as loving the neighbour this is further elaborated as loving the stranger loving the widow the orphan and the poor those who lack a protecting community Analysis of these foundational love commands shows that in them love means care that is apprehending and responding to the needs of others This is both love and justice Prevailing political concepts of justice are incomplete for they are premised on a belief in scarcity limited supply of goods opportunities even forgiveness suggests they must be meted out in fair measure To the contrary with love the good sought is not in scarce supply Its distribution is not a problem for the more of it you give the more it is replenished So with love the emphasis is not on how to apportion fairly how much love do I give each of my children but how to understand and respond to need This understanding of justice as including mutual care has a rich history in religious thought as constituting social glue The revival of the Bible during the Reformation and the ubiquitous allusions to neighbor love in the Book of Common Prayer made it ever present in Renaissance discourse and Shakespeare brought this ethos to audiences in many of his plays Part of the reason Shakespeare endures is that this ethic resonates for audiences today we abhor the evil of Iago the greed of Macbeth the narcissism of Lear and to even begin to understand how the sacrifices of Romeo and Juliet could heal ancient social conflict we must assent to the power of love to create justice

Testimony Mark Zarr,2012-01-27 Have you ever been disappointed by the church Do you find yourself feeling as if you are on the outside looking in For many of us church religion and even God seem to be unattainable Whether we have been burned never truly accepted or lost in the sea of programs and church growth strategies we all sense that something is off Where is the Grace Love and Mercy that Christ came to share with us all Miraculous stories abound of lives that have been turned around But where is the proof of changed lives At some point shouldn t we see these transformations The truth is that God s grace is for everyone We have all fallen short but that is only the beginning of our story Only God s testimony is powerful enough to save us from ourselves Our story should not be told in words but should be lived and explored through our daily walk We should not merely talk about grace and mercy and love when we have been given the amazing gift by Christ s death and resurrection to show grace mercy and love Our real testimonies are defined not by who we were but by who we are willing to become
