Lot Of My Sister:

Lot of My Sister Alison Stine, 2001 Alison Stine's best poems here are confessional and meditative sequences but are shadowed by the tradition of dramatic narrative they propose types of redemptive performance Their white spaces are crucial to this ironic self appraisal in which a lost outcast belated family is assembled by invocation Robert Hill Long **My Sister's Wedding** Vicky Pattison, 2017-06-15 For better or worse two families are about to become one Sassy and romantic Heat The perfect summer read OK The Ashworth sisters couldn't be more different Becky is focused driven and about to marry her lovely fianc Daniel Balfour Lizzie on the other hand bounces from one temp job to another keeps falling for the wrong man and is a whirlwind of chaos in Becky's otherwise well ordered life But they love each other fiercely and the Ashworth way has always been family comes first As preparations for Becky and Daniel's wedding get underway it soon becomes clear that the Ashworth way is not the Balfour way Daniel's family have never thought Becky was good enough for him but he loves her and that's always been enough for the happy couple But when Lizzie gets caught in the crossfire between Becky and the Balfours Becky and Lizzie find themselves drifting apart at a time when they need each other the most Will they be able to repair the damage before Becky walks down the aisle Warm hearted fun witty and romantic My Sister's Wedding will have you crying with laughter one second and then crying with emotion the next A story of sisters family love and romance perfect for fans of Lindsey Kelk and Sarah Morgan **My Sister's Boyfriend** Sylvia McDaniel, 2013-12-20 The trouble with identical twins He's back The one guy she never wanted to see again Her high school indiscretion Brent Moulton has returned to Tyler Texas Only Jennifer Riley knows the truth about that night so long ago when she switched places with her twin sister Julie and gave her virginity along with her heart to her sister's boyfriend in the backseat of his father's Mustang they look alike Fifteen years later life has thrown them back together Will Brent realize he slept with the wrong twin Will he overcome his commitment issues and realize that Jennifer just might be the right twin for him Where's My Sister? Linda Burden, 2011-04-18 When Linda Burden was five years old her adopted parents came home with a new baby The baby was not born to Linda's parents much as they had done with Linda and her brother the Burden parents had adopted the tiny child This tiny child was now Linda's little sister and they named her Alison They appeared to have a charmed life but there was nothing charming about it Linda and Alison's parents were still mourning the deaths of their two biological children Their father was an alcoholic and their mother was having an affair This difficult upbringing drew Linda and Alison together as more than just adopted sisters they became friends best friends who would survive a painful childhood to become adults on very different life paths Linda took a high road Alison suffering from psychological illness found herself on a low road Alison's life devolved into one of alcoholism and anorexia Linda would become her only hope for salvation In this true life account of sibling love and devotion Linda watches her sister's weight drop to sixty five pounds and before it's too late she must convince Alison that she is beautiful Despite their differing DNA

Linda and Alison are linked by love and it is love they need most of all **My Sister's Demons** Carolyn S.

Green,2012-02-28 After experiencing this mystifying illness first hand the author hopes that there will be something in this book that will inspire other caregivers to not falter or lose hope when the situation looks bleak and they feel as though there is nowhere to go or no one to whom they can rely on for help but to never give up because there is always help somewhere

Sister's Ex Boyfriend Tanny Precious,2024-08-02 What do you do when your sister's ex boyfriend whom she dumped turns out to be a Spanish Prince and chooses to marry you to get revenge on her This isn't fair Leah screamed again Why on earth would Prince Estefan choose Rhea over me Leah's eyes landed on me and her face turned red in anger You She pointed her finger at me You did this didn't you You must have said something to Estefan that's why he chose you No wonder you were so negative about us getting married I should have noticed it that time My eyes widened at her accusations Leah What are you talking about I don't know anything about this Trust me I don't want to get married to Estefan All this came to me as a surprise Stop pretending She yelled at me and I jumped back in fear You have always wanted to be with Estefan that's why you got close to his sister You and his sister must have done something to make him choose What are you talking about I did no such thing I would never do something like that to you I cried Enough She raised her hand to stop me I should have realized sooner that you are a green snake under the green grass waiting for the right time to strike **My Sister's Child**

Lyn Andrews,2010-03-04 When her sister disappears can Ellen Ryan keep her beloved niece safe Lyn Andrews heart warming and dramatic saga of early twentieth century Liverpool My Sister's Child follows a young woman as she fights for the happiness of those she loves Perfect for fans of Anne Baker Kitty Neale and Maureen Lee For the inhabitants of Liverpool's Milton Street a steady income and a roof over their heads are luxuries The Ryan family have barely grown accustomed to such things when a fire destroys their father Jack's modest coal haulage business leaving Jack broken and his family facing ruin They're forced to turn to Conor Jack's brother from Ireland a man whose noisy joviality seventeen year old Ellen Ryan suspects hides a mean viciousness She's right and with her mother sick and her half sister Annie becoming increasingly feckless it's down to Ellen to fight Conor's tyranny But when Annie disappears leaving her baby on their doorstep Ellen begins fear for herself and for the life of the innocent child she has learnt to love What readers are saying about My Sister's Child I found this book so easy to read and so difficult to put down Her characters came to life Gripping from start to finish Lyn Andrews knows how to keep you interested Five stars **My Sister's Keeper** Bill Benners,2010-09-01 Ever since his

younger sister Martha woke him early one Sunday morning holding a Rubik's Cube in the palm of her hand with all the colored squares in perfect alignment in some backward way twelve year old Richard Baimbridge became his sister's

motivation If she saw me give up on anything regardless of how insignificant forgetting a phone number finding the right nut to fit a bolt or fixing a broken toy she'd go after it with fanaticism and would not give up until she'd figured it out Being better than Richard challenged Martha and when she succeeded it fulfilled her Richard was proud of her but not like their Dad Their Dad loved it It seemed the more Martha outdid Richard the more he liked it By the time Richard left home at eighteen there was a gap between his father and him that an ocean couldn't fill But when Martha is brutally attacked while investigating the rape and attempted murder of a thirteen year old for the News Observer Richard Baimbridge moves back to his hometown of Wilmington North Carolina to assist his family in caring for his sister and comes face to face with his tormented past and a dark family secret Despised by his father and haunted by his past he fights to stay above the flood of childhood trauma while longing to return to the life he'd built in New York City But when the police exhaust all leads in his sister's case wheelchair bound Martha refuses to let her case die and with Richard as her legs insists on continuing the investigation herself drawing Richard into the darker side of Wilmington a place of greed violence and murder where he himself becomes a primary murder suspect *Defy Fate and Reach Heaven* Michael Jameson, 2017-12-24 On the day of the separation Liu Yulian awakened her past life memories and was shocked to learn that she was the excellent sister in law of the heroine in the exile novel Isn't it just a division of the family Then let's divide it **McClure's Magazine**, 1916
