Weddin' Day Barbara L. Jent,2008-03 Turn back the pages of time to experience love and betrayal in the mountains of West Virginia one hundred years ago In The Weddin Day first time author Barbara L Jent calls on deep ancestral memories to spin a yarn based on the true story of her own great grandparents In their hands we see the frailties of love put to the test and the power of love to overcome all but this is much more than a tale of two star crossed lovers It is a passionate story of the land and the stubborn people who tenderly coaxed that life from the soil It is a glimpse of a bygone way of life virtually unchanged for 1 000 years or more as the winds of progress shake the mountains themselves Today those hills and valleys stand unchanged as do the recollections of the families who loved this way of life This is a tale of hardship and sacrifice but it is also a testament to the strength of family and the power of love It may be a story of a bygone place and time but it is also a reminder of all that truly matters in our world today Step back into that world of mountain life to see how deeply the heart can ache and how high it can soar on The Weddin Day Men in White Chris Raymond,2024-08-13
