Memories Of My Gay Brothers:

Memories of My Gay Brothers Michael T. Roper, 2001-03-20 I could never have imagined what the future had in store for me and my Castro Street friends when I began a memory book in 1985 This is my memoir of more than ninety people I knew in San Francisco who died of AIDS It was the decimation of a thriving culture in just over a decade Who cares We all should

Dad's Best Memories and Recollections Charles J. Humber, 2016-01-19 DAD S BEST MEMORIES AND RECOLLECTIONS is Chazzz Humber s epitaph casting a very long and sentimental shadow across North America and beyond This 230 page volume is his granite monument well polished It lavishly records 125 of his best memories over a life span of nearly eighty years The vignettes are serenaded with more than 400 illustrations Those discovering this volume likely will find themselves wanting to record in their own sunset years their personal memories and recollections And when they do they are apt to recall what it was like to live in their fluctuating world dominated by a variety of personalities and cascading events Mr Humber vividly describes what it was like in 1945 to travel in a 1930 Model A Ford from Toronto to Boston With lively enthusiasm he reports what it was like to live in post World War II Boston to cook a lobster for a former President of the United States or to sell a pair of elevator shoes to one of Hollywood s shortest celebrities or to shine the shoes of a Derby hatted father of a future President of the United States It is not a remarkable achievement to reflect to recall or to have memories that are treasured But to tell them with literary aplomb to recall the events that happened nearly seventy five years ago with utmost clarity is definitely an admirable achievement and should be cherished not only by the kin who follow Mr Humber but by those who might like to imitate what he has monumentally achieved in Dad s Best Memories and Recollections

Surviving the Ultimate Workplace Bully - My Story William Johnson, 2021-06-16 When I had been bullied in school for being gay I could not have imagined that years later I would be bullied the workplace but I was and not just for being gay Many books have been written about kids being bullied in school but very few books have been written about people being bullied in the workplace I had to ask myself why that was The answer was simple because most folks who are bullied in the workplace whether they be male or female are most times terrified to come forward and report to

higher management that someone or more than one someone whether they be male or female is bullying them Why are victims of bullies in the workplace terrified to report it to upper management or HR Because as you will see in my book most times when a person is being bullied in the workplace it is being done by someone in upper management and as I have found out HR will stand by the bully in upper management And yes bullies in the workplace can be male or female as I sadly found out for myself

Scattering Ashes Joyce Smith Helyer,2016-06-08 Scattering Ashes is a resource for Christian families confronting the reality of their loved one s gay lifestyle Joyce Smith Helyer takes the reader on a journey that changed her life when her brother began their midnight Christmas Eve conversation with these words Joyce I have something to tell you As I waited expectantly for what he was going to say next he paused but then shifted the conversation He tried again but the same thing happened I felt like he was trying to land an airplane in trouble and kept circling the airport looking for the best approach His attempted landings kept falling short of the runway A vague sense of uneasiness began to fill my mind Little did I realize that my nice typical Christian experience would be undergoing a significant change Fear I could barely articulate almost overwhelmed me Finally I looked at my handsome 26 year old brother and knew the words he was having so much difficulty saying Ron are you trying to tell me you re gay His quiet response echoed across the living room I thought you had it figured out

Congressional Record United States. Congress, 2000 **INVENTING THE TRUTH: Memory and Its Tricks - A Gay Life** Lucien L Agosta PhD, 2022-09-15 INVENTING THE TRUTH MEMORY AND ITS TRICKS offers a collection of essays dealing with the author's life experiences as a gay man Because exact accuracy is alien to the way memory works the verifiable fictions in this book are necessarily inventions of the truth Included essays examine the author's early cross

dressings and other childhood challenges to his birth gender the important formative influences on him of his Catholic parish and school and the local public library and his belated and complicated coming out as a gay man Another essay offers a dialectic between lust and love Defining himself as a Promiscuous Hedonist for most of his adult life the author at long last discovered that love was real and that he could love another man in his own gay way Subsequent essays investigate the influence on the author of his two immigrant grandfathers and the unsavory memories of a racist past growing up in Louisiana in the 1950s 60s and 70s A further essay explores the author's primal fears of darkness and death and how he achieved a satisfactory resolution of those fears A final essay explores the reams of war time letters that constituted the courtship of the author's parents who maintained their connection through letters for the nearly three years they were apart during WWII These letters focus on the challenging beginnings of a 54 year love affair as well as on conditions during the war of a soldier overseas and his intended at home in Ohio whom he was courting by near daily correspondence The essays in this book offer accounts of seminal remembered experiences in the author's past now interpreted in a language unavailable to him at the time those experiences were occurring In these reliable accounts the author tells the truth about his gay life in the most honest way he knows how to invent it *A Medley of Memories* Sir David Oswald Hunter Blair, 1919
