A Companion to Modern Spanish American Fiction Donald Leslie Shaw, 2002

With such figures as Jorge Luis Borges Miguel Ángel Asturias and Gabriel García Márquez both the latter Nobel Prize winners Spanish American fiction is now unquestionably an integral part of the mainstream of Western literature This book draws on the most recent research in describing the origins and development of narrative in Spanish America during the nineteenth and twentieth centuries tracing the pattern from Romanticism and Realism through Modernismo Naturalism and Regionalism to the Boom and beyond It shows how while seldom moving completely away from satire social criticism and protest Spanish American fiction has evolved through successive phases in which both the conceptions of the writer's task and presumptions about narrative and reality have undergone radical alterations DONALD SHAW holds the Brown Forman Chair of Spanish American literature in the University of Virginia

American Fiction 1914 to 1945 Harold Bloom, 1986 A collection of critical essays on twenty major American writers from the years 1914-45 discussing their achievements and their relation to American literary tradition and the history of American literature

Critical Perspectives on Afro-Latin American Literature Antonio D. Tillis, 2012-04-23 After generations of being rendered virtually invisible by the US academy in critical anthologies and literary histories writing by Latin Americans of African ancestry has become represented by a booming corpus of intellectual and critical investigation This volume aims to provide an introduction to the literary worlds and perceptions of national culture and identity of authors from Spanish America Brazil and uniquely Equatorial Guinea thus contextually

connecting Africa to the history of Spanish colonization The importance of Latin America literature to the discipline of African Diaspora studies is immeasurable and this edited collection provides a ripe cultural context for critical comparative analysis among the vast geographies that encompass African and African Diaspora studies Scholars in the area of African Diaspora Studies Black Studies Latin American Studies and American literature will be able to utilize the eleven essays in this edition to enhance classroom instruction and further academic research *The Cambridge History of Latina/o American Literature* John Morán González, Laura Lomas, 2018-02-22 The Cambridge History of Latina o American Literature emphasizes the importance of understanding Latina o literature not simply as a US ethnic phenomenon but more broadly as an important element of a trans American literary imagination Engaging with the dynamics of migration linguistic and cultural translation and the uneven distribution of resources across the Americas that characterize Latina o literature the essays in this History provide a critical overview of key texts authors themes and contexts as discussed by leading scholars in the field This book demonstrates the relevance of Latina o literature for a world defined by the migration of people commodities and cultural expressions **The Cosmic Web** N. Katherine Hayles, 2018-03-15 No detailed description available for The Cosmic Web Teaching Modern Latin American Poetries Jill S. Kuhnheim, Melanie Nicholson, 2019-11-01 Offers techniques for teaching modern Latin American poetry in college courses including considerations of teaching the silva human rights poetry in indigenous languages community based learning lesser known contemporary poetry Afro descendant poetry performance the long poem and queer theory Provides classroom exercises and assignments **The Cosmic Race / La Raza Cosmica** José Vasconcelos, 1997-08-13 In this influential 1925 essay presented here in Spanish and English Jos Vasconcelos predicted the coming of a new age the Aesthetic Era in which joy love fantasy and creativity would prevail over the rationalism he saw as dominating the present age In this new age marriages would no longer be dictated by necessity or convenience but by love and beauty ethnic obstacles already in the process of being broken down especially in Latin America would disappear altogether giving birth to a fully mixed race a cosmic race in which all the better qualities of each race would persist by the natural selection of love **Critical Latin American and Latino Studies** Juan Poblete, 2003 This book brings together some of the most prominent scholars working across the spectrum of Latin American and Latino studies to explore their changing intellectual undertaking in relation to global processes of change Critical Latin American and Latino Studies identifies the challenges and possibilities of more politically engaged and theoretically critical modes of scholarly practice One objective is to provide a brief critical history of the study of various Latin American cultures Latino Chicano Puerto Rican among others But these essays also serve to assess the roles of ethnic and area studies in light of changing scholarly trends from emphases on gender and sexuality to a focus on postcoloniality and globalization The result is an important contribution to current debates on the conditions of contemporary knowledge production Book jacket

Graphic Subjects Michael A. Chaney, 2011-03-01 Some of the most noteworthy graphic novels and comic books of recent

years have been entirely autobiographical In *Graphic Subjects* Michael A Chaney brings together a lively mix of scholars to examine the use of autobiography within graphic novels including such critically acclaimed examples as Art Spiegelman's *Maus* David Beauchard's *Epileptic* Marjane Satrapi's *Persepolis* Alan Moore's *Watchmen* and Gene Yang's *American Born Chinese* These essays accompanied by visual examples illuminate the new horizons that illustrated autobiographical narrative creates The volume insightfully highlights the ways that graphic novelists and literary cartoonists have incorporated history experience and life stories into their work The result is a challenging and innovative collection that reveals the combined power of autobiography and the graphic novel

Lines of Geography in Latin American Narrative Aarti Smith Madan, 2017-08-17 This book looks to the writings of prolific statesmen like D F Sarmiento Estanislao Zeballos and Euclides da Cunha to unearth the literary and political roots of the discipline of geography in nineteenth century Latin America Tracing the simultaneous rise of text writing map making and institution building it offers new insight into how nations consolidated their territories Beginning with the titanic figures of Strabo and Humboldt it rereads foundational works like *Facundo* and *Os sertões* as examples of a recognizably geographical discourse The book digs into lesser studied bulletins correspondence and essays to tell the story of how three statesmen became literary stars while spearheading Latin America's first geographic institutes which sought to delineate the newly independent states Through a fresh pairing of literary analysis and institutional history it reveals that words and maps literature and geography marched in lockstep to shape national territories identities and narratives

Elena Garro and Mexico's Modern Dreams Rebecca E. Biron, 2012-12-15 Elena Garro and Mexico's *Modern Dreams* uses Elena Garro's eccentric life and work as a lens through which to examine mid twentieth century Mexican intellectuals desire to reconcile *mexicanidad* with *modernidad* The famously scandalous first wife of Nobel Prize winner poet Octavio Paz and an award winning author in her own right Garro constructed a mysterious and often contradictory persona through her very public participation in Mexican political conflicts Herself an anxious and contentious Mexican writer Elena Garro elicited profound political and aesthetic anxiety in her Mexican readers She confused the personal and the public in her creative fictions as well as in her vision of Mexican modernity This violation of key distinctions rendered her largely illegible to her contemporaries That illegibility serves as a symptom of unacknowledged desires that motivate twentieth century views of national modernity Taken together Garro's public persona and critical perspective expose the anxieties regarding ethnicity gender economic class and professional identity that define Mexican modernity Blending cultural studies and detailed literary analysis with political and intellectual history *Mexico's Modern Dreams* argues that in addition to the intriguing gossip she elicited in literary and political circles Garro produced a radical critique of Mexican modernity Her critique applies as well to the nation's twenty first century crisis of globalization state power and pervasive violence
