means to live an authentic life Its chapters encourage people of all ages and circumstances to understand that authentic success comes from the attainment of 1 a sincere sense of contentment 2 strong personal relationships and 3 a solid character This is much different from worldly success such as excessive wealth fame and popularity things which in and of themselves do not have the capacity to make a person happy It is designed to help people look critically at their life think through their decisions set priorities and goals develop a solid character avoid serious mistakes and discover their true passion in life It draws on the major ethical frameworks of Aristotle Mill and Kant as well as the Golden Rule as tools to avoid Benjamin Franklin s warning that people tend to get old too soon and wise too late It presents a roadmap to accomplish this mission and advocates that each reader start the journey to authentic success now Inspire Integrity focuses on the story of Cash the racing greyhound who is world famous and has won tens of millions of dollars winning races The biggest race of his life is on the horizon and everyone is there including the press to cover history in the making If he wins the race his owner will receive a million dollar prize The night before the race Cash reveals he s not going to race the next day and that he is retiring completely Shocked the owner asks him whether he is hurt mad at her or too old He responds that it s none of those things In fact he s been doing a lot of critical thinking about his life and has come to the conclusion that all he s ever done is run around dirt racetracks and he just cannot do it anymore He finally understands that those little white rabbits that everyone encourages him to chase day and night aren t even real

What Work Means Claudia Strauss,2024-06-15 What Work Means goes beyond the stereotypes and captures the diverse ways Americans view work as a part of a good life Dispelling the notion of Americans as mere workaholics Claudia Strauss presents a more nuanced perspective While some live to work others prefer a diligent 9 to 5 work ethic that is conscientious but preserves time for other interests Her participants often enjoyed their

jobs without making work the focus of their life These findings challenge laborist views of waged work as central to a good life as well as post work theories that treat work solely as exploitative and soul crushing Drawing upon the evocative stories of unemployed Americans from a wide range of occupations from day laborers to corporate managers both immigrant and native born Strauss explores how diverse Americans think about the place of work in a good life gendered meanings of breadwinning accepting financial support from family friends and the state and what the ever elusive American dream means to them By considering how post Fordist unemployment experiences diverge from joblessness earlier What Work Means paves the way for a historically and culturally informed discussion of work meanings in a future of teleworking greater automation and increasing nonstandard employment
