Mindset Angela M. Clubb, 2021-01-18 Insanity is defined as doing the same thing over and over again expecting a different result By changing your mind you change your life Change is inevitable and usually occurs at the most inopportune times What if you could control or channel the change in a manner you dictate What if you could create your ideal life in the way you decide Would you take the leap of faith or would you roll along the same path hoping and praying things will just work out In truth there is no magic pill to make this happen overnight However there is the Law of Attraction LOA By understanding the Law of Attraction you can recode your brain to create the life you desire from losing weight to manifesting money to living the life you have always wanted This book will provide you both the understanding and the practical guidance on how the Law of Attraction can change your life By the end of the book you will have the confidence to begin your own journey to obtaining anything you can imagine You are only limited by the limits you put on your mind *Bible Adventures*

Gabe Durham, 2014-06-02 In the beginning a small unlicensed game development company was hit with divine inspiration They could make a lot of money and escape the wrath of Nintendo by creating games for Christians With the release of the 1990 NES platformer Bible Adventures the developers saw what they had made and it was good Or at least good enough Based on extensive research and original interviews with Wisdom Tree staff Gabe Durham's book investigates the rise and fall of the little company that almost could the tension between faith and commerce in the Christian retail industry culture's retro ironic obsession with bad games and the simple recipe for transforming a regular game into a Christian game throw a Bible in it and pray nobody notices **The Reproduction and Maintenance of Inequalities in Interpersonal**

Relationships Flockhart, Tyler Ross, Reiter, Abigail, Hassett, Matthew R., 2022-05-27 Contemporary racism sexism and heterosexism increasingly rely on less overt forms of discrimination that preserve protect and mask the power of the dominant group This creates all manner of issues for people of color women and LGBTQ folks who must navigate a culture that increasingly sees discrimination and inequality as less severe or less pervasive than it was in the past Indeed despite the multitude of legal social and political advances made by these groups inequality continues to persist but often in a more subtle covert and invisible manner The Reproduction and Maintenance of Inequalities in Interpersonal Relationships discusses the subtle ways racism sexism homophobia and heterosexism persist in an era where many believe such inequalities are in the past and provides a comprehensive understanding of what inequality looks like in the contemporary world Furthermore the book examines how this inequality is reproduced in our everyday relationships Covering topics such as discrimination and workplace relationships this reference work is ideal for sociologists psychologists human resource professionals academicians scholars researchers practitioners instructors and students **Dear Neighbour** Jane Claire

Bradley, 2023-06-15 A love letter to the power of community Eleanor Ray author of Everything is Beautiful H3 _____ Alice is working hard to provide for her daughter Mollie But it's a challenge juggling her job alongside her duties as a single Mum Her neighbours keep to themselves and she longs for a friend to rely on Bill has lived on Leodis Street for eighty years

It is where he eventually cared for his wife in her final days. Since Sally's death, Bill's home is a place of solitude, his talisman against an unrecognisable world. When the residents of Leodis Street are threatened with eviction, Alice decides to make a stand. As she reaches out to her neighbours and learns about their lives, she is surprised to discover that she might already live next door to the friends she has been yearning for. Perhaps together they can build a community to be proud of and discover the true meaning of home. An uplifting novel about friendship and belonging that fans of Sara Nisha Adams, Libby Page and Clare Pooley will fall in love with. _____

H3What readers say about *Dear Neighbour*: A heartwarming and beautifully written book that made me cry in public. An excellent book club book. Funny at times, heartbreaking at others. The characters will stay with you long after you finish it.

The New Digital Storytelling Bryan Alexander, 2017-07-20. Newly revised and updated, this is the essential guide to state of the art digital storytelling for audiences, creators and teachers. Written for everyone interested in the communication potential of digital media, including educators, marketers, communication professionals and community activists, this is the ultimate guide to harnessing technology for storytelling. No other book covers the digital storytelling movement as thoroughly as this updated second edition of a popular work, nor does any incorporate as many technologies, from video to augmented reality, mobile devices to virtual reality. The book combines history, analysis and practical guidance about digital storytelling. It begins with a history that encompasses an exploration of storytelling itself, as well as a description of narratives using digital tools from the 1980s through 2000. From there, the author dives into modern digital storytelling, offering analysis and guidance regarding the use of digital video, podcasting, social media, gaming, mobile devices and virtual and augmented reality. The work concludes with practical advice about how to create and share digital stories using the most current tools, so even the new would-be storyteller can create their first digital narrative. Of course, the second edition is updated to take into account the many ways the field has advanced since the original book appeared. With many new examples of digital stories, this edition's evidence base is current and fresh. New or transformed technologies are also addressed, including virtual reality, mobile devices that have become mainstream tools for creating, sharing and experiencing digital stories, and the wide variety of new storytelling apps and services.
