Mozart Und Constanze:

Constanze Mozart Heinz Gärtner, 1991 Om Constanze Mozarts 1762 1842 liv efter gtef llen Wolfgang Amadeus Mozarts 1761 1826 d d **Mozart's Letters, Mozart's Life** Robert Spaethling, 2005-12-17 A wonderful collection that gives Mozart a voice as a son husband brother and friend New York Times Book Review Mozart s honesty his awareness of his own genius and his contempt for authority all shine out from these letters Sunday Times London In Mozart s Letters Mozart s Life Robert Spaethling presents Mozart in all the rawness of his driving energies Spectator preserved in the zany often angry effervescence of his writing Observer Where other translators have ignored Mozart s atrocious spelling and tempered his foul language Robert Spaethling s new translations are lively and racy and do justice to Mozart s restlessly inventive mind Daily Mail Carefully selected and meticulously annotated this collection of letters should be on the shelves of every music lover BBC Music Magazine Mozart and Magdalena Gabriella Bianco, 2010-12-27 Concert for Magdalena novel Mozart and Magdalena screenplay With Mozart s brilliant music career and performances in the background 1789 1791 the story deals with the passionate love between W A MOZART 35 and MAGDALENA POKORNY 25 which ends in a tragedy causing MOZART S death FRANZ HOFDEMEL 35 MAGDALENA S husband attacks and kills MOZART takes his own life and leaves MAGDALENA horribly disfigured MAGDALENA gives birth to MOZART S child in 1792 and the child dies in 1804 *The Mozart Family* Ruth Halliwell, 1998 Mozart s family has never received the kind of attention that does justice to the complexity of its relationships or its interactions with colleagues friends and neighbors in Mozart s native Salzburg And most biographies of the great composer have neglected the many passages in the rich Mozart family correspondence that do not bear directly on him This book turns a bright light on this neglected material most of which has never before been translated into English to provide a fascinating look at Mozart s parents Leopold and Maria Anna and sister Nannerl Challenging most previous views of the individuals in Mozart s family and the relationships within it Halliwell introduces a wealth of characters from the family s circle in Salzburg from chambermaids to princes and relates the gossip stories the family told to their larger outlook on the world She also draws on the neglected papers of the Berchtold family into which Nannerl married and other rare archival material to provide a sympathetic account of the hopes fears and expectations of the family within their social context An important final section traces the role of Nannerl and Mozart s wife Constanze in using controlling and handing on the biographical source material after Mozart s death addressing the question of how myths surrounding his life and death became so prevalent so early Haydn and Mozart in the Long Nineteenth Century Simon P. Keefe, 2023-03-02 Traces the evolving musical reputations of Haydn and Mozart evaluating a wide range of scholarship biography criticism and fiction Mozart-Bibliographien Karl F. Stock, Rudolf Heiling, Marylène Stock, 2011-07-22 The work Mozart Bibliographies is published to commemorate Wolfgang Amadeus Mozart s 250th birthday 1 612 independent and hidden bibliographies as well as reference works on Mozart s life his works and his family are recorded here with commentaries It also covers non

independent bibliographies catalogues of his works exhibition catalogues discographies and filmographies With a few exceptions all the entries are based on title autopsy The bibliographies are divided into titles on Mozart s family Constanze Mozart Karl Mozart Leopold Mozart Maria Anna Nannerl Mozart Wolfgang Amadeus Mozart and Wolfgang Amadeus d J Franz Xaver Wolfgang Mozart The extensive material is indexed by names titles and subject headings providing varied insights and access **Mozart & Constanze** Francis Carr,1983 Constanze, Mozart's Beloved Agnes Selby,2013-09-10 Constanze the wife of Wolfgang Amad Mozart was not the foolish and self interested individual of popular opinion much of which is based on the views of Mozart s father who believed that his son had chosen an inappropriate partner This strong minded woman was however to be of critical support to her beloved husband From a family of accomplished musicians she was possessed of a fine voice and sang in public performances of a number of Mozart s works both before and after his death She bore him six children of whom two survived childhood Her business acumen was such that after his death she was largely responsible for keeping his music before the public organising concerts securing the accurate publication of many of his works including the Requiem and acquiring patronage from the aristocracy Her second marriage to the Dane Georg Nikolaus Nissen continued a life story which is a rich example of self sufficiency and competence in an era when a woman in business was a rarity Importantly this book restores the reputation of a woman much maligned by history Revised edition

Morality and Viennese Opera in the Age of Mozart and Beethoven Martin Nedbal,2016-09-13 This book explores how the Enlightenment aesthetics of theater as a moral institution influenced cultural politics and operatic developments in Vienna between the mid eighteenth and early nineteenth centuries Moralistic viewpoints were particularly important in eighteenth century debates about German national theater In Vienna the idea that vernacular theater should cultivate the moral sensibilities of its German speaking audiences became prominent during the reign of Empress Maria Theresa when advocates of German plays and operas attempted to deflect the imperial government from supporting exclusively French and Italian theatrical performances Morality continued to be a dominant aspect of Viennese operatic culture in the following decades as critics state officials librettists and composers including Gluck Mozart and Beethoven attempted to establish and define German national opera Viennese concepts of operatic didacticism and national identity in theater further transformed in response to the crisis of Emperor Joseph II s reform movement the revolutionary ideas spreading from France and the war efforts in facing Napoleonic aggression The imperial government promoted good morals in theatrical performances through the institution of theater censorship and German opera authors cultivated intensely didactic works such as Die Zauberflöte and Fidelio that eventually became the cornerstones for later developments of German culture Mozart's Requiem Christoph Wolff,1994 When was the score of the Requiem completed is a question that everyone has asked but Wolff goes on to ask Where do the technical and stylistic premises for the Requiem lie and to what extent could these be taken into account after Mozart s death This question is rich in implications central to the uniqueness of the work and virtually undiscussed in

the Mozart literature Thomas Bauman co author of Mozart's Operas Mozart's Death William Stafford,1991-10-23 There is a macabre fascination in the spectacle of one so brilliant dying so young in such tragic circumstances Was Mozart poisoned Was he irresponsible and childish dying from debauchery and dissipation Did his wife contribute to his downfall Was he driven to destruction by being ostracised as a rebel Did his genius render him incapable of normal human contact and worldly prudence Did he die because he had accomplished his mission as an artist and burnt himself out Was he the victim of a run of bad luck From 1791 to the present such stories have flourished this book examines their development and the evidence for them MOZART'S HEALTH, PERSONALITY, AND DEATH Lucien Karhausen,2025-05-05 The book is about Wolfgang Amade Mozart his personality his humour his health and his death **Cyclopedia of Music and Musicians** Champlin (jr.),1889 **Mozart** Royce E. Wates,2010-09 Amadeus Mozart An Introduction to the Music the Man and the Myths explores in detail 20 of the composer's major works in the context of his tragically brief life and the turbulent times in which he lived Addressed to non musicians seeking to deepen their technical appreciation for his music while learning more about Mozart the man than the caricature portrayed in the 1986 movie Amadeus this book offers extensive biographical and historical background debunking many well established Mozart myths along with guided study of compositions representing every genre of 18th century music opera concerto symphony church music divertimento and serenade sonata and string quartet Author Royce E Wates a Mozart specialist has taught music history to thousands of non musicians both undergraduates and adults as a Professor of Music at Boston University and from 2002 2004 as director of Boston University's Adult Music Seminar at Tanglewood summer residence of the Boston Symphony Orchestra Mozart An Introduction to the Music the Man and the Myths provides a unique combination of biographical detail up to date research detailed musical analyses and clear definitions of terms Amateurs as well as more advanced musicians will gain a greater understanding of Mozart's encyclopedic mastery **Cyclopedia of Music and Musicians: Easter-Mystères** John Denison Champlin,William Foster Apthorp,1899 Mozart SimonP. Keefe,2018-10-24 This volume of essays on Wolfgang Amadeus Mozart reflects scholarly advances made over the last thirty years The studies are broad and focused demonstrating a large number of viewpoints methodologies and orientations and the material spans a wide range of subject areas including biography vocal music instrumental music and performance Written by leading researchers from Europe and North America these previously published articles and book chapters are representative of both the most frequently discussed and debated issues in Mozart studies and the challenging exciting nature of Mozart scholarship in general The volume is essential reading for researchers students and scholars of Mozart's music **Discovering Classical Music: Mozart** Ian Christians,2016-04-01 An introduction to classical music featuring the life and work of Mozart I recommend this book wholeheartedly to new music lovers Sir Charles Groves CBE former conductor of Royal Philharmonic Orchestra Thanks to Nigel Kennedy and Pavarotti millions of people have recently discovered that classical music is a highly enjoyable experience perhaps contrary to their

expectations But the world of classical music can be highly intimidating and confusing Author Ian Christians a passionate believer in broadening the interest in classical music has developed a unique approach designed to make it as easy as possible for both novices of classical music as well as those who have already started down the path to explore with confidence Discovering Classical Music concentrates on the greatest composers The author takes you step by step into their most approachable music and in some cases boldly into some of the greatest works traditionally considered too difficult for newcomers Rarely does a book offer such potential for continued enjoyment This volume concentrates on the life personality and music of Wolfgang Amadeus Mozart *Mozart* Paul Johnson,2013-11-14 Eminent historian Paul Johnson dazzles with a rich succinct portrait of Mozart and his music As he s done in Napoleon Churchill Jesus and Darwin acclaimed historian and author Paul Johnson here offers a concise illuminating biography of Mozart Johnson s focus is on the music Mozart s wondrous output of composition and his uncanny gift for instrumentation Liszt once said that Mozart composed more bars than a trained copyist could write in a lifetime Mozart s gift and skill with instruments was also remarkable as he mastered all of them except the harp For example no sooner had the clarinet been invented and introduced than Mozart began playing and composing for it In addition to his many insights into Mozart s music Johnson also challenges the many myths that have followed Mozart including those about the composer s health wealth religion and relationships Always engaging Johnson offers readers and music lovers a superb examination of Mozart and his glorious music which is still performed every day in concert halls and opera houses around the world **The Practicalities of Producing the Play Mozart, with Music by Franz von Suppé** Lucinda Bray,Dario Salvi,2019-09-24 In 1854 the originator of Viennese Operetta Franz von Supp created the music for a new play by Leonhart Wohlmuth It is part of a forgotten art form where the music underlines and accompanies the action on stage in a similar way to a soundtrack for a film While the music works very well in the present day the real challenge is to modernise the script to make it relevant and interesting for a modern audience Originally written in early 19th century German the script sounds outdated and received a less than positive reception at its original outing Its dialogue is more in keeping with Opera and required significant work to make it palatable to a contemporary audience The project on which this book is based maintained the music by Supp as indicated in the manuscript score while translating and adapting the German script by Wohlmuth into a version more interesting in the present day *Life of Mozart* Otto Jahn,1882
