Administrative Law Mark Elliott, Jason N. E. Varuhas, 2017 Administrative Law Text and Materials combines carefully selected extracts from key cases articles and other sources with detailed commentary Aimed at undergraduates studying administrative law it provides comprehensive coverage of the subject and brings together in one volume the best features of a textbook and a casebook Rather than simply presenting administrative law as a straightforward body of legal rules this engaging critical text considers the subject as an expression of underlying constitutional and other policy concerns which fundamentally shape the relationship between the citizen and the state The result is a fascinating account of a subject of crucial importance Online Resource Centre The book is supported by online an Online Resource Centre offering the following useful resources Updates which cover all the legal developments since publication Oxford NewsNow RSS feeds provide constantly refreshed links to the latest relevant new stories Interactive timeline of key dates in British political history Annotated web links

Commonwealth Caribbean Business Law Natalie Persadie, Rajendra Ramlogan, 2015-07-30 Now in its third edition Commonwealth Caribbean Business Law continues to break away from the traditional English approach of treating business law primarily as the law of contract and agency Taking a panoramic view it explores the foundation of various legal systems before examining areas of legal liability that affect business activities These include areas such as contract law tort law criminal law agency and internet law which present significant challenges confronting the business sector The book primarily targets the development of business law principles in several Caribbean Commonwealth jurisdictions but where appropriate also embraces the jurisprudence of other Commonwealth nations such as the United Kingdom Canada and Australia It also explores the United States as a non Commonwealth jurisdiction given the increasing importance in the Caribbean of judicial pronouncements relating to internet law from this territory Using excerpts from key judgments the book allows students particularly those with a non legal background to understand key legal principles for business as presented by the judiciary and draws parallels between legal theory and business practice
