

# THE LIFE

O F

*Mr. George Herbert.*

**G**EORGE Herbert was born the Third day of *April*, in the Year of our Redemption 1593. The place of his Birth was near to the Town of *Montgomery*, and in that *Castle* that did then bear the name of that Town and County; that *Castle* was then a place of state and strength, and had been successively happy in the Family of the *Herberts*, who had long possessed it: and, with it, a plentiful Estate, and hearts as liberal to their poor Neighbours. A Family, that hath been blest with men of remarkable wisdom, and a willingness to serve their Countrey, and indeed, to do good to all Mankind; for which they are eminent: But alas! this Family did in the late Rebellion suffer extremely

Herbert, 1678      **Music at Midnight** John Drury, 2014-04-01 This powerfully absorbing biography of 17th century Welsh  
poet George Herbert brings essential personal and social context to his immortal poetry Financial Times Though he never  
published any of his English poems during his lifetime George Herbert has been celebrated for centuries as one of the  
greatest religious poets in the language In this richly perceptive biography author and theologian John Drury integrates  
Herbert s poems fully into his life enriching our understanding of both the poet s mind and his work As Drury writes in his  
preface Herbert lived a quiet life with a crisis in the middle of it Beginning with his early academic success Drury chronicles  
the life of a man who abandons the path to a career at court and chooses to devote himself to the restoration of a church in  
Huntingdonshire and lives out his life as a country parson Because Herbert s work was only published posthumously it has  
always been difficult to know when or in what context he wrote his poems But Drury skillfully places readings of the poems  
into his narrative allowing us to appreciate not only Herbert s frame of mind while writing but also the society that produced  
it He reveals the occasions of sorrow happiness regret and hope that Herbert captured in his poetry and that led T S Eliot to  
write What we can confidently believe is that every poem is true to the poet s experience It is hard to imagine a better book  
for anyone general reader or seventeenth century aficionado or teacher or student newly embarking on Herbert The  
Guardian UK      The Complete Works of George Herbert George Herbert, 1874 This work has been selected by scholars as  
being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the
