Mr October:

Becoming Mr. October Reggie Jackson, Kevin Baker, 2013-10-08 A soul baring brutally candid and richly eventful memoir of the two years 1977 and 1978 when Reggie Jackson went from outcast to Yankee legend In the spring of 1977 Reggie Jackson should have been on top of the world The best player of the Oakland A s dynasty which won three straight World Series he was the first big money free agent wooed and flattered by George Steinbrenner into coming to the New York Yankees which hadn t won a World Series since 1962 But Reggie was about to learn as he writes in this vivid and surprising memoir that until his initial experience on the Yankees I didn t know what alone meant His manager the mercurial alcoholic and pugilistic Billy Martin never wanted him on the team and let Reggie and the rest of the team know it Most of his new teammates resentful of his contract were aloof at best and hostile at worst Brash and outspoken but unused to the ferocity of New York s tabloid culture Reggie hadn t realized how rumor and offhand remarks can turn into screaming negative headlines especially for a black athlete with a multimillion dollar contract Sickened by Martin s anti Semitism his rages and his quite public disparagement of his new star ostracized by his teammates and despairing of how he was stereotyped in the press Reggie had long talks with his father about quitting Things hit bottom when Martin plotted to humiliate him during a nationally televised game against the Red Sox It seemed as if a glorious career had been derailed But then Reggie vowed to persevere his pride work ethic and talent would overcome Martin s nearly sociopathic hatred Gradually he would win over the fans then his teammates as the Yankees surged to the pennant And one magical autumn evening he became Mr October in a World Series performance for the ages He thought his travails were over until the next season when the insanity began again Becoming Mr October is a revelatory self portrait of a baseball icon at the height of his public fame and private anguish Filled with revealing anecdotes about the notorious Bronx Zoo Yankees of the late 1970s and bluntly honest portrayals of his teammates and competitors this is eye opening baseball history as can be told only by the man who lived it **Mr. October** Maury Allen, 1982 An account of the career of the great and controversial baseball star is combined with Jackson s outspoken views on politics race life sports money women and fame **Fur-seal Arbitration** United States, 1892 *Ministry of Pandemonium* Chris Westwood, 2011-05-01 When Ben Harvester meets the mysterious Mr October in Highgate Cemetery nothing could have prepared him for the strange and dramatic turn his life is about to take Soon Mr October is leading him towards his true calling his work at the Ministry of Pandemonium helping to guide the dead to the afterlife But Ben quickly discovers that there are terrifying forces keen to thwart the work of the Ministry and lead the newly dead astray And when Ben s mum suddenly becomes seriously ill he questions whether he can continue with the important job he has been given This spine tingling magical book is an exciting return for author Chris Westwood and a thrilling read from start to finish Follow all Ben Harvester and Mr October s adventures at www.ministryofpandemonium.co.uk Talion Beyers de Vos, 2018-07-01 One city Five people A bloody trail of revenge the victim and his sister Freya Rust believes she knows
