Mr Sonny:

Weighted E.S.E. Burno, 2017-08-23 All the best and worst things in life have the power to lift us up or bring us down Often we let outside unforeseen and imagined concepts add to or take away from our bounty of happiness because we either don't know how or fail to use appropriate measures to achieve the results we desire Sometimes we have to know when to laugh cry scream or be still We forget that through it all there is love and when we learn to measure its worth for enriching our lives or its weight for burdening our lives the scales will not tip in our favor for unmeasurable happiness In joy E S E Burno *H.R. 2391, Cost-of-living Increases for Service-connected Veterans and DIC* United States. Congress. House. Committee on Veterans' Affairs.
