Mr Fig:

The Art of the Plasterer George Bankart, 2015-09-30 George Bankart first wrote *The Art of the Plasterer* in 1908. It was then re-issued with amendments a few years later. Now available from Donhead as a facsimile edition, this impressive well-illustrated volume offers an artistic interpretation of the way plaster was used in response to stylistic changes. Bankart was an architect inspired by the Arts and Crafts movement who cared passionately about the craft of plastering and sought to complement Millar's earlier craftsman's book by producing a volume which traced the history and art of plastering throughout the United Kingdom. It explores in detail how plaster materials and methods were developed and used, giving a fascinating insight into some of the unusual substances added to plaster. For instance, he tells us that ancient stuccos sometimes contained fig juice, curdled milk, blood, or beer to make them harder. The book also contains an account of wattle and dab, as well as parge work, using practical illustrated examples to give an excellent description and record of the subject. With over 400 illustrations comprising black and white photographs and drawings of ceilings and the profiles of mouldings, this volume will be of value to craftsmen engaged in plasterwork, conservation professionals, and all architects and architectural historians with an interest in this field.

Dust to Dust Audrey Keown, 2021-08-10 A puzzling murder at a historic Beaux Arts hotel sets the stage for a mesmerizing mystery tailor-made for fans of Louise Penny. The opulent furnishings and period theming of Hotel 1911 invite guests to experience the charm of the early 20th century. But for hotel clerk Ivy Nichols, the mansion also harbors secrets about her past and the family she never knew. When the Pittsburgh chapter of the Association for Gravestone Studies checks in for their national conference, Ivy is intrigued to learn that one of them has connections to her family. The group plans to kick off their event by touring the historic graves thought to be on the hotel grounds. But they didn't plan to find one of their fellow members strangled to death afterwards. The police point the finger at the hotel's loyal manager Mr Fig, since no one else could have reached the victim's room. Ivy has other ideas. She believes Mr Fig is innocent and desperately wants to prove it. The inexplicable appearance of strange drawings, an old book, and a wig lead Ivy to a bizarre connection between the grave-obsessed guests and the murder. And when Mr Fig confesses a long-held secret, Ivy fears she has put herself in the sights of not only the murderer but another dangerous criminal too. Who else had the opportunity to commit the crime? And is Mr Fig all he seems to be? Amidst a growing list of suspects with secrets of their own and an unraveling riddle from her past, Ivy is in a race to catch a killer and decipher a truth more earth-shattering than she could have imagined.
