

Mr. Kipling's Army

ALL THE QUEEN'S MEN

Byron Farwell

The outrageous, but often glorious, story
of Britain's pre-World War I Army

Mr Kiplings Army All The Queens Men

Gerard J.De Groot,C Peniston-Bird

Mr Kiplings Army All The Queens Men:

Mr. Kipling's Army Byron Farwell, 1987 This is an upstairs downstairs view of the Victorian Edwardian army one of the world's most peculiar fighting forces The battles it fought are household words but the idiosyncracies and eccentricities of its soldiers and the often appalling conditions under which they lived have gone largely unrecorded Byron Farwell explores here the lives of officers and men their foibles gallantry and diversions their discipline and their rewards *Professional Journal of the United States Army*, 1981 **A Soldier's Kipling** Edward J. Erickson, 2018-06-30 Rudyard Kipling was one of the most versatile writers of the Victorian age a journalist storyteller historian and poet One of the major subjects of his poetry was the British army and the way it waged its campaigns during Queen Victorias little wars and it is this aspect of his writing that Edward Erickson explores in this absorbing and perceptive study Kiplings military poems offer insights into the profession of arms and how soldiers were trained and fought in distant expeditionary campaigns they bring to life the world of the Victorian soldier in the most evocative way Although not a soldier himself Kipling wrote about timeless themes of military and wartime service the experience of combat unit cohesion and individual courage *A Soldier's Kipling* is an original contribution to the understanding of Kiplings work and his times and it should lead to a fresh appreciation of a facet of his writing that has not been focused on so closely before **Quarterly Review of Military Literature**, 1981

Memorializing the Anglo-Boer War of 1899-1902 Valerie B. Parkhouse, 2015-01-28 Memorializing the Anglo Boer War of 1899 1902 is a study of a group of memorials to soldiers who fought in a now nearly forgotten war and deals with the many factors influencing why there was such an unprecedented number of memorials compared to those to previous conflicts like the Crimean War fifty years earlier One of the most important issues was the impact of changes in the organization of the British Army in the late 1800s particularly the creation of locally based regiments heavily manned by volunteers drawn from local communities The book includes a detailed commentary on the social conditions in England that also account for the unprecedented number of commemorations of this conflict It discusses the variety of forms memorials took informal drinking fountains Spion Kop stands at football stadiums formal stained glass windows statues etc and the numerous and diverse places where they were located cathedrals town squares public schools and universities The growth of the national press and the rise of literacy is dealt with in detail as well as the telegraph whose invention meant that news became available overnight Space is given to discuss the expression of Victorian prosperity in public works The part played by the established church is well documented and an insight is given into the contribution of Imperialism patriotism and jingoism All these factors explain the motivation for the memorials creation The book is illustrated with photographs and articles from newspapers of the day Appendices cover those who are not commemorated lost memorials those who unveiled the memorials colonial involvement and more Memorializing the Anglo Boer War of 1899 1902 will appeal particularly to social historians and students of military and social history **Military Classics** Robert Harry Berlin, 1988 Many of the books listed in this

work are military classics that is books of recognized value that set a standard of historical or literary excellence Others evaluate or expand on the military classics Focused mainly on the history of land warfare this bibliography begins with a general section The books listed cover more than one chronological period or topical area or are broad surveys of military history or concentrate on a unique subject The next sections are arranged chronologically beginning with Ancient History and concluding with The Nuclear Age Covered here are significant historical eras military writers and conflicts The Modern Warfare section encompasses lowintensity conflict The remaining sections in the bibliography are topical and include The Moral Effect of Combat men in battle Russian and Soviet Military History East Asian Military History Sea Power Air Power and The Press The novels cited in this work provide an approach to the human elements of war are often enjoyable to read and are thought provoking The books listed in this bibliography should be read for professional development historical perspective information and pleasure They offer officers and students of military history an opportunity to understand better the nature of war

Acquiring Cultures Bénédicte Savoy,Charlotte Guichard,Christine Howald,2018-12-03 As more parts of the world outside Europe became accessible and in the wake of social and technological developments in the 18th century a growing number of exotic artefacts entered European markets The markets for such objects thrived while a collecting culture and museums emerged This book provides insights into the methods and places of exchange networks prices expertise and valuation concepts as well as the transfer and transport of these artefacts over 300 years and across four continents The contributions are from international experts including Ting Chang N lia Dias No mie Etienne Jonathan Fine Philip Jones Sylvester Okwunodu Ogbechie L a Saint Raymond and Masako Yamamoto

Good Citizens James Grant Greenlee,Charles Murray Johnston,1999 Draws on archival material to chart the complex and often contradictory reactions of leading British missionary organizations to changing imperial realities around the globe during the late 19th and early 20th centuries Explores pressures that contributed to the formation of imperial policy during a significant period of the evolution of the British empire and shows that the leadership of British missionary societies was split between those who wanted to be treated without favoritism by the British government and those who had more aggressive expectations Annotation copyrighted by Book News Inc Portland OR

Anglo-Zulu War, 1879 Harold E. Raugh Jr.,2011-06-01 The Anglo Zulu War was one of many colonial campaigns in which the British Army served as the instrument of British imperialism The conflict fought against a native adversary the British initially under estimated is remarkable for battles that included perhaps the most humiliating defeat in British military history the Battle of Isandlwana January 22 1879 and one of its most heroic feats of martial arms the defense of Rorke s Drift January 22 23 1879 While lasting only six months it is one of the most examined studied and debated conflicts in Victorian military history Anglo Zulu War 1879 A Selected Bibliography is a research guide and tool for identifying obscure publications and source materials in order to encourage continued original and thought provoking contributions to this popular field of historical study From the student or neophyte to the study of the Anglo Zulu

War its battles and its opponents to the more experienced historian or scholar this selected bibliography is a must for anyone interested in the 1879 Anglo Zulu War **A Soldier and a Woman** Gerard J.De Groot,C Peniston-Bird,2014-07-30 The question of women s role in the military is extremely topical A Woman and a Soldier covers the experiences of women in the military from the late mediaeval period to the present day Written in two volumes this comprehensive guide covers a wide range of wars The Thirty Years War the French and Indian Wars in Northern America the Anglo Boer War the First and Second World Wars the Long March in China and the Vietnam War There are also thematic chapters including studies of terrorism and contemporary military service Taking a multidisciplinary approach historical anthropological and cultural the book shows the variety of arguments used to support or deny women s military service and the combat taboo In the process the book challenges preconceived notions about women s integration in the military and builds a picture of the ideological and practical issues surrounding women soldiers *The Anglo-Afghan Wars 1839-1919* Gregory

Fremont-Barnes,2014-06-06 During the 19th century Britain entered into three brutal wars with Afghanistan each one saw the British trying and failing to gain control of a warlike and impenetrable territory The first two wars 1839 42 and 1878 81 were wars of the Great Game the British Empire s attempts to combat growing Russian influence near India s borders The third fought in 1919 was an Afghan declared holy war against British India in which over 100 000 Afghans answered the call and raised a force that would prove too great for the British Imperial army Each of the three wars were plagued by military disasters lengthy sieges and costly engagements for the British and history has proved the Afghans a formidable foe and their country unconquerable This book reveals the history of these three Anglo Afghan wars the imperial power struggles that led to conflict and the torturous experiences of the men on the ground The book concludes with a brief overview of the background to today s conflict in Afghanistan and sketches the historical parallels World Military History Bibliography

Barton Hacker,2003-06-01 Preclassical and indigenous nonwestern military institutions and methods of warfare are the chief subjects of this annotated bibliography of work published 1967 1997 Classical antiquity post Roman Europe and the westernized armed forces of the 20th century although covered receive less systematic attention Emphasis is on historical studies of military organization and the relationships between military and other social institutions rather than wars and battles Especially rich in references to the periodical literature the bibliography is divided into eight parts 1 general and comparative topics 2 the ancient world 3 Eurasia since antiquity 4 sub Saharan Africa and Oceania 5 pre Columbian America 6 postcontact America 7 the contemporary nonwestern world and 8 philosophical social scientific natural scientific and other works not primarily historical **Winston Churchill Soldier** Douglas S. Russell,2012-11-19 As a young man Winston Churchill set out to become a hero to make a name for himself in the public eye as a soldier and so make possible a life of politics and statesmanship There were many chances to fail and many close calls in the face of sword spear and bullet along the way Yet Churchill survived and succeeded an early measure of his courage and stubborn will that the world would come

to know so well in the Second World War This is the first full length fully researched biography of Churchill s colourful military career Using an unrivalled range of sources and with previously unpublished photographs and detailed maps by Sir Martin Gilbert it brings to life Churchill s motives abilities experiences successes and failures and his unswerving sense of destiny as an officer in the British Army The result is a story to echo the man himself rich in action courage charismatic self belief patriotism and humour Making extensive use of the contemporary accounts of Churchill and his fellow soldiers and archival documents from three continents illustrated with many maps and previously unpublished photographs Douglas S Russell vividly brings to life the military career of the vigorous young officer of hussars who later became the greatest Briton of the twentieth century From Sandhurst to the mountainous North West Frontier of India to the charge of the 21st Lancers at Omdurman from the South African veldt to the deadly trench warfare of the Great War the author whom Sir Martin Gilbert calls a keen portraist tells the gripping story of Churchill s army life with careful attention to historical detail and all the drama that the real life adventures of his subject deserve

The Fate of Liberty Mark E. Neely Jr., 1992-08-20 If Abraham Lincoln was known as the Great Emancipator he was also the only president to suspend the writ of habeas corpus Indeed Lincoln s record on the Constitution and individual rights has fueled a century of debate from charges that Democrats were singled out for harrassment to Gore Vidal s depiction of Lincoln as an absolute dictator Now in the Pulitzer Prize winning *The Fate of Liberty* one of America s leading authorities on Lincoln wades straight into this controversy showing just who was jailed and why even as he explores the whole range of Lincoln s constitutional policies Mark Neely depicts Lincoln s suspension of habeas corpus as a well intentioned attempt to deal with a floodtide of unforeseen events the threat to Washington as Maryland flirted with secession disintegrating public order in the border states corruption among military contractors the occupation of hostile Confederate territory contraband trade with the South and the outcry against the first draft in U S history Drawing on letters from prisoners records of military courts and federal prisons memoirs and federal archives he paints a vivid picture of how Lincoln responded to these problems how his policies were actually executed and the virulent political debates that followed Lincoln emerges from this account with this legendary statesmanship intact mindful of political realities and prone to temper the sentences of military courts concerned not with persecuting his opponents but with prosecuting the war efficiently In addition Neely explores the abuses of power under the regime of martial law the routine torture of suspected deserters widespread antisemitism among Union generals and officials the common practice of seizing civilian hostages He finds that though the system of military justice was flawed it suffered less from merciless zeal or political partisanship than from inefficiency and the friction and complexities of modern war Informed by a deep understanding of a unique period in American history this incisive book takes a comprehensive look at the issues of civil liberties during Lincoln s administration placing them firmly in the political context of the time Written with keen insight and an intimate grasp of the original sources *The Fate of Liberty* offers a vivid picture of the crises and chaos of a nation at

war with itself changing our understanding of this president and his most controversial policies *Part-Time Soldiers*
Andrew Lewis Chadwick,2023-11-24 In *Part Time Soldiers* Andrew Lewis Chadwick offers the first in depth historical study of the development and evolution of modern army reserve forces In doing so he explores how a confluence of military political and socioeconomic developments since the First World War has forced armies preparing for major war to increase their dependence on reservists part time soldiers who reinforce or augment professionals or conscripts in wartime for critical and routine military tasks At the same time he shows how these developments placed tremendous stress on the industrial era reserve policies and structures that armies continue to use today For example reservists training for less than thirty days a year have struggled to keep up with the increasingly high skilled character of modern warfare as evidenced by the poor performance of reservists in the world wars and most recently the ongoing Russia Ukraine War Chadwick primarily examines these developments in the cases of the US Army National Guard and the Israel Defense Forces IDF Army Reserve given that unique geopolitical conditions have forced the United States and Israel to frequently employ reservists in combat over the past century These cases which Chadwick explores using archival and secondary sources reveal how armies using two different reserve models the former built around volunteers and the latter around discharged conscripts have attempted to mitigate the challenge of maintaining combat ready reservists in the era of high tech and high skilled warfare By doing so Chadwick identifies an enduring and often overlooked problem facing contemporary defense policymaking how does one build and maintain effective army reserve forces at an affordable cost without causing undue stress on reservists civilian lives

Battle Cries and Lullabies Linda Grant De Pauw,2014-07-11 In this groundbreaking work which covers thousands of years and spans the globe Linda Grant De Pauw depicts women as victims and as warriors as nurses spies sex workers and wives and mothers of soldiers as warrior queens leading armies into battle and as baggage carriers marching in the rear Beginning with the earliest archaeological evidence of warfare and ending with the dozens of wars in progress today *Battle Cries and Lullabies* demonstrates that warfare has always and everywhere involved women Following an introductory chapter on the questions raised about women s participation in warfare the book presents a documented chronological survey linked to familiar models of military history De Pauw provides historical context for current public policy debates over the role of women in the military Whether one applauds or deplors their presence and their actions women have always been part of war To ignore this fact grossly distorts our understanding of human history Brompton Sandra-Faye Nagy,2012-12-07 *Brompton* traces the life of a nineteenth century soldier who served in the British Army at the height of English rule It interlocks with historical accuracy the story of Ireland the formation of Englands Standing Army and life as it was in a Regiment A mix of discipline passion struggle and personal triumphs From Portugal to Australia to India with his regiment William Smith endures campaign hardship tragedy and tropical illness He remarries and is repatriated back to Ireland but his retirement coincides with Irelands crisis the 1840s famine Acceptance into the Royal New Zealand Fencible

Corps offers a new life establishing the colony of New Zealand His legacy to the country is found in the solid infrastructure that survives from Auckland and Onewheunga's humble beginnings and the meticulous genealogical research into Williams numerous descendants

New Perspectives on Peacetime Anglo-Japanese Military Relations Thomas French, 2025-05-23 This book examines the peacetime military relationship between the United Kingdom and Japan spanning partnerships and interactions from the 1860s to the present day Reflecting the multiple changes in the power dynamics relations and nature of the military links between the U K and Japan over time the chapters in this book analyse instances of peacetime military interaction as both countries passed through periods of partnership alliance rivalry conflict and occupation In doing so the book also considers what relevance these historical U K Japan peacetime military ties have relevance for those of the present Original in its exclusive focus on peacetime military links of both a historical and contemporary nature this significant work is both practical and scholarly in its approach and will appeal to students and scholars of Japanese history British history military history international relations and diplomacy

The Marriage of Roman Soldiers (13 B.C. - A.D. 235) Sara Elise Phang, 2021-10-05 In the first and second centuries A D Roman soldiers were forbidden legitimate marriage during service nevertheless many soldiers formed de facto marriages This book examines the legal social and cultural aspects of the marriage prohibition and soldiers families The first section covers the marriage prohibition in Roman literary and legal sources The second section treats social and legal aspects of the soldiers families including a survey of epitaphs the legal impact of the ban on families and alternatives to family formation The final section examines the marriage ban as military policy and its relation to Roman culture This book will be of interest to scholars of the Roman army Roman social history and family law Students of gender and sexuality in the ancient world will also find it relevant

Echoes of Success: Identity and the Highland Regiments Ian Stuart Kelly, 2015-03-31 In Echoes of Success Ian Stuart Kelly uses new information about late Victorian Scottish Highland battalions to provide new insights into how groups identify themselves and pass that sense on to successive generations of soldiers Kelly applies concepts from organisational theory the study of how organisations function to demonstrate how soldiers experiences create a blueprint of expected behaviours and thought patterns that contribute to their battalion's continued success This model manages the interplay between public perception and actual life experiences more effectively than current approaches to understanding identity Also Kelly's primary research offers a more certain description of soldiers life faith education and discipline than has previously been available

Unveiling the Energy of Verbal Art: An Mental Sojourn through **Mr Kiplings Army All The Queens Men**

In some sort of inundated with displays and the cacophony of instant transmission, the profound energy and mental resonance of verbal beauty often disappear in to obscurity, eclipsed by the regular assault of noise and distractions.
