detailed notes and a newly researched chronology of Catton's life and career by acclaimed Civil War scholar Gary W. Gallagher. *Mr. Lincoln's Army*, the first book in the trilogy, describes the Army of the Potomac's formation as the bulwark of the Union war effort as emerging friction between the army's commanding general George McClellan and the Commander in Chief in Washington reaches a crisis in the wake of the deadly battle at Antietam. *Glory Road* recounts the critical months between the autumn of 1862 and midsummer 1863, including the battles at Fredericksburg, Rappahannock, and Chancellorsville, which set the stage for the costly Union victory at Gettysburg. Catton's retelling of the story of Lincoln's address at Gettysburg remains unrivalled. In *A Stillness at Appomattox*, which won both the Pulitzer Prize and the National Book Award, the Army of the Potomac, now under the driving command of Ulysses S. Grant, finally gains the upper hand against Robert E. Lee, culminating in one of the most vividly drawn accounts of Lee's final surrender.

Of the military men who served in this drama of untold suffering, little has been written about the experiences of the American Indian indigenous participants. Indigenous soldiers and sailors from various states served bravely for both the Union and the Confederacy. One such unit for the north was Company K of the First Michigan Sharpshooters, called the All-Indian Company. Company K was unique because it was the only company in the entire sharpshooter regiment and in all other military units in Michigan that had only indigenous enlisted men on its roster. In *Warriors in Mr. Lincoln's Army*, author Quita V. Shier offers a comprehensive profile study of each officer and enlisted American Indian soldier in Company K, First Michigan Sharpshooters, who served in the Civil War from 1863 to 1865. The profiles of this All-Indian Company include information taken from military service records, medical files, biographical, and

family data extracted from pension files and personal interviews with some of the soldiers descendants The profiles feature the infantrymen known as grunts who bore the burden of fighting and dying in this conflict and the officers who led them into battle Shier shares insight into who these fighting men were who loved them and what happened to them **Warriors in Mr. Lincoln's Army** Quita V.
